

The image features a large, glowing green circle that frames a night scene. Inside the circle, a lighthouse is visible on a rocky outcrop, with its light beam shining upwards. The sky is dark with some clouds, and the overall atmosphere is mysterious and ethereal. The text 'Heavenly RAP' is prominently displayed in the center of the circle. 'Heavenly' is written in a white, cursive script with a slight shadow, while 'RAP' is in a bold, white, blocky font with a thick outline.

Can I Kick It? Idris Goodwin, 2019-10-01 Award winning poet and playwright Idris Goodwin interrogates and remixes our cultural past in order to make sense of our present and potential futures Lee Roy's Heaven Big Brother Earl Roberts, 2013-08-27 The author Big Bro Earl Roberts like many others has been on a spiritual quest for understanding for many years His new book first novel of spiritual fiction had been in the process of becoming for many years Lee Roy's Heaven is an attempt to convey to the masses the possibility of and necessity of people having more love and compassion in their lives Perhaps looking at some traditional religious doctrines in a whole new way and concluding that what we don't know about God's truth is just as important as that which we believe we do know This story of the adventures of a young deceased dope seller tripping through his after death existence forces the readers to contemplate their lives true love forgiveness patience and tolerance for other human beings that we judge as evil sick with sinful natures or strangely different than ourselves

**Rap to Mars** Dr. Oliver Akamnonu, 2012-01-23 Rap to Mars a book of poetry satire and prose attempts by words and art to dissect and sift through diverse aspects of the life of man in his quest to assert himself as the king or queen of the universe This is even in spite of man's obvious lapses frailties and entrapment During the course of various attempts sometimes success smiles on man But when failures present themselves arrogant and deceitful man refuses to accept his obvious limitations Often in his ever willing efforts to deceive the more gullible man in his cowardice plays the monkey that uses the cat's paws to extract nuts from the fire From a safe distance the minion man details his more gullible fellow men to sacrifice themselves and others in silly and assumed defense of the Almighty Maker The martyr and suicide bomber along with their victims become the willing and unwilling by products But even in spite of his sometimes comical shenanigans man who unsuccessfully plays the angel on Earth remains man and suffers or causes others to suffer the pains arising from a perpetual struggle between the good and the bad as represented in Rap to Mars by Earth's angels suicide bombers and whores At the end of the day man mere mortal man still finds himself trapped in his self imposed cocoon of a shanty or a mansion In the latter man again plays the elitist parent of a lone child while the downtrodden find their pleasure by doggedly obeying the injunction of increase and multiply Rap to Mars is a mixed grill of fun challenges and what the evolving society was what it is and what it should fight hard not to be
