Heavenly Torah Abraham Joshua Heschel, 2005-01-01 his most ambitious scholarly achievement his three volume study of Rabbinic Judaism is only now appearing in English **The Principles of Judaism** Samuel Lebens, 2020 In this book Samuel Lebens takes the three principles of Jewish faith as they were proposed in the fifteenth century by Rabbi Joseph Albo and seeks to scrutinise and refine them with the tool kit of contemporary analytic philosophy **Abraham Joshua Heschel Today** Harold Kasimow, 2020-08-07 Abraham Joshua Heschel remains one of the most creative Jewish thinkers of the twentieth century These essays demonstrate that Heschel became a spiritual guide not only in America but in many other parts of the world especially in Poland where he was born and in Israel where the prophets gave the world a dream of everlasting peace **Akiva** Reuven Hammer, 2015-10 The legendary Akiva ben Yosef has fascinated Jews for centuries Arguably the most important of the Tannaim or early Jewish sages Akiva lived during a crucial era in the development of Judaism as we know it today and his theology played a major part in the development of Rabbinic Judaism Reuven Hammer details Akiva's life as it led to a martyr's death and he delves into the rich legacy Akiva left us That legacy played an extraordinarily important role in helping the Jewish people survive difficult challenges to forge a vibrant religious life anew and it continues to influence Jewish law ethics and theology even today Akiva's contribution to the development of Oral Torah cannot be overestimated and in this first book written in English about the sage since 1936 Hammer reassesses Akiva's role from the period before the destruction of the Temple in 70 CE until the Bar Kokhba revolt in 135 CE He also assesses new findings about the growth of early Judaism the reasons why Akiva was so outspoken about Christian Jews the influence of Hellenism the Septuagint and the canonization of the Hebrew Bible Ultimately Hammer shows that Judaism without Akiva would be a very different religion **The Concept of Revelation in Judaism, Christianity and Islam** Georges Tamer, 2020-05-05 The idea that God reveals himself to human beings is central in Judaism Christianity and Islam but differs in regard of content and conceptualization The first volume of the new series Key Concepts in Interreligious Discourses points out similarities and differences of revelation KCID aims to establish an archeology of religious knowledge in order to create a new conceptual platform of mutual understanding among religious communities Erratum Wenzel Maximilian Widenka is co author of the epilogue pp 195 206 Understanding the Pentateuch as a Scripture James W. Watts, 2017-10-23 A cutting edge scholarly review of how the Pentateuch functions as a scripture and how it came to be ritualized in this way Understanding the Pentateuch as a Scripture is a unique account of the first five books of the Bible describing how Jews and Christians ritualize the Pentateuch as a scripture by interpreting it by performing its text and contents and by venerating the physical scroll and book Pentateuchal studies are known for intense focus on questions of how and when the first five books of the Bible were composed edited and canonized as scripture Rather than such purely historical literary or theological approaches Hebrew Bible scholar James W Watts organizes this description of the

Pentateuch from the perspectives of comparative scriptures and religious studies He describes how the Pentateuch has been used in the centuries since it began to function as a scripture in the time of Ezra and the origins of its ritualization before that time The book Analyzes the semantic contents of the Pentateuch as oral rhetoric that takes the form of stories followed by lists of laws and sanctions Gives equal space to its ritualization in the iconic and performative dimensions as to its semantic interpretation Fully integrates the cultural history of the Pentateuch and Bible with its influence on Jewish and Christian ritual and in art music theatre and film Understanding the Pentateuch as a Scripture is a groundbreaking work that highlights new research data and organizes the material to focus attention on the Pentateuch's and Bible's function as a scripture

Engaging the Doctrine of Israel Matthew Levering, 2021-09-16 This book is the dogmatic sequel to Levering's *Engaging the Doctrine of Marriage* in which he argued that God's purpose in creating the cosmos is the eschatological marriage of God and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people's relationship with the Creator God are their Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism

A Companion to Comparative Theology, 2022-08-22 A Companion to Comparative Theology offers a unique survey of a rapidly developing field of modern theology in 32 chapters coordinated by five editors Its first part discusses some of the main historical developments in theology and religious studies before 1985 that are relevant for understanding contemporary approaches in comparative theology The main part of the companion traces developments in five specific areas of comparative research starting with classical approaches by Christian comparative theologians and continuing with responses by scholars from Jewish Islamic Hindu Buddhist and Chinese religious comparative perspectives The final part of the companion highlights a number of new avenues in comparative theology discussing new methods new forms of awareness new partnerships with other fields of study and finally some preliminary conclusions Contributors are Nadeen Mustafa A Alsulaimi Mar a Enid Barga Bede Benjamin Bidlack Andr van der Braak Francis X Clooney Catherine Cornille Jonathan Edelmann Marianne Farina James L Fredericks Rouyan Gu Paul Hedges Holly Hilgardner Daniel Joslyn Siemiatkoski Louis Komjathy Christian S Krokus LAI Pan chiu Kristin Johnston Largen John Makransky Jerry L Martin Vahid Mahdavi Mehr Marianne Moyaert Emmanuel Nathan Robert Cummings Neville Hugh Nicholson Jerusha Tanner Rhodes Devorah Schoenfeld Klaus von Stosch Axel Marc Oaks Takacs Pim Valkenberg Maureen L Walsh Kijin James Wu

Thinking Jewish Culture in America Ken Koltun-Fromm, 2013-12-11 Thinking Jewish Culture in America argues that Jewish thought extends our awareness and deepens the complexity of American Jewish culture This volume stretches the disciplinary boundaries of Jewish thought so that it can productively engage expanding arenas of

culture by drawing Jewish thought into the orbit of cultural studies The eleven contributors to *Thinking Jewish Cultures* together with Chancellor Arnold Eisen's postscript position Jewish thought within the dynamics and possibilities of contemporary Jewish culture These diverse essays in Jewish thought re-imagine cultural space as a public and sometimes contested performance of Jewish identity and they each seek to re-enliven that space with reflective accounts of cultural meaning How do Jews imagine themselves as embodied actors in America Do cultural obligations limit or expand notions of the self How should we imagine Jewish thought as a cultural performance What notions of peoplehood might sustain a vibrant Jewish collectivity in a globalized economy How do programs in Jewish studies work within the academy These and other questions engage both Jewish thought and culture opening space for theoretical works to broaden the range of cultural studies and to deepen our understanding of Jewish cultural dynamics *Thinking Jewish Culture* is a work about Jewish cultural identity reflected through literature visual arts philosophy and theology But it is more than a mere reflection of cultural patterns and choices the argument pursued throughout *Thinking Jewish Culture* is that reflective sources help produce the very cultural meanings and performances they purport to analyze

Paul and the Resurrection of Israel Jason A. Staples, 2023-11-23 Promotes an exciting new idea Paul's gospel of Gentile inclusion is intrinsic to Israel's salvation promised in the Hebrew Bible

Maimonides Israel Drazin, 2008 An examination of the remarkable penetrating mind of Moses Maimonides and to his rational eye-opening thoughts on many subjects It includes ideas that are not incorporated in the usual books about this great philosopher because they are so different than the traditional thinking of the vast majority of people It contrasts the notions of other Jewish thinkers somewhat rational and others not rational at all The reader will be surprised if not shocked to learn that a host of beliefs that are prevalent among the Jewish masses have no rational basis This does not suggest that Judaism itself is irrational and absurd Just the opposite But many Jews have opted to believe the unreasonable and illogical conventional ideas what Maimonides would label non-Jewish Arabian notions because they have not been acquainted with Maimonides' correct rational alternatives and taken the time to reflect upon it

The Cambridge Companion to Jewish Theology Steven Kepnes, 2020-12-17 *The Cambridge Companion to Jewish Theology* offers an overview of Jewish theology an aspect of Judaism that is equal in importance to law and ethics Covering the period from antiquity to the present the volume focuses on what Jews believe about God and also about the relation of God to humans and the world Parts I and II cover exciting new research in Jewish biblical and rabbinic theology medieval philosophy Kabbalah mysticism and liturgy Parts III and IV turn to modern theology with an exploration of works by leading figures such as Rabbi Abraham I Kook Franz Rosenzweig and Emmanuel Levinas as well as the relation of theology to issues such as feminism and the Holocaust and the relation of Judaism to other world religions In Part V the book explores how the insights of analytic philosophy have been integrated with Jewish theology

Revelation and Authority Benjamin D. Sommer, 2015-06-30 At once a study of biblical theology and modern Jewish thought this volume describes a participatory theory of revelation as it

addresses the ways biblical authors and contemporary theologians alike understand the process of revelation and hence the authority of the law Benjamin Sommer maintains that the Pentateuch's authors intend not only to convey God's will but to express Israel's interpretation of and response to that divine will Thus Sommer's close readings of biblical texts bolster liberal theologies of modern Judaism especially those of Abraham Joshua Heschel and Franz Rosenzweig This bold view of revelation puts a premium on human agency and attests to the grandeur of a God who accomplishes a providential task through the free will of the human subjects under divine authority Yet even though the Pentateuch's authors hold diverse views of revelation all of them regard the binding authority of the law as sacrosanct Sommer's book demonstrates why a law observant religious Jew can be open to discoveries about the Bible that seem nontraditional or even antireligious

The Jewish Jesus Zev Garber, 2011-04-12 There is a general understanding within religious and academic circles that the incarnate Christ of Christian belief lived and died a faithful Jew This volume addresses Jesus in the context of Judaism By emphasizing his Jewishness the authors challenge today's Jews to reclaim the Nazarene as a proto rebel rabbi and invite Christians to discover or rediscover the Church's Jewish heritage The essays in this volume cover historical literary liturgical philosophical religious theological and contemporary issues related to the Jewish Jesus Several of them were originally presented at a three day symposium on Jesus in the Context of Judaism and the Challenge to the Church hosted by the Samuel Rosenthal Center for Judaic Studies at Case Western Reserve University in 2009 In the context of pluralism in the temper of growing interreligious dialogue and in the spirit of reconciliation encountering Jesus as living history for Christians and Jews is both necessary and proper This book will be of particular interest to scholars of the New Testament and Early Church who are seeking new ways of understanding Jesus in his religious and cultural milieu as well Jewish and Christian theologians and thinkers who are concerned with contemporary Jewish and Christian relationships

The Authority of the Divine Law Yosef Bronstein, 2024-04-02 Many Jewish groups of late antiquity assumed that they were obligated to observe the Divine Law This book attempts to study the various rationales offered by these groups to explain the authority that the Divine Law had over them Second Temple groups tended to look towards philosophy or metaphysics to justify the Divine Law's authority The tannaim though formulated legal arguments that obligate Israel to observe the Divine Law While this turn towards legalism is pan tannaitic two distinct legal arguments can be identified in tannaitic literature These specific arguments about the Divine Law's authority link to a set of issues regarding the tannaim's conception of Divine Law and of Israel's election

The Oxford Handbook of the Pentateuch Joel S. Baden, Jeffrey Stackert, 2021 Features contributions from leading academics to provide students and scholars with a comprehensive survey of the field Considers key topics and issues in contemporary pentateuchal scholarship and examines the Pentateuch in its social world Investigates the history and formation of the text and its early reception Book jacket
