The Heavenly World Series and Other Baseball Stories Frank O'Rourke, 1952 Short Story Index , 1999

Heaven, Hell, and the Afterlife J. Harold Ellens, 2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions Heaven Hell and the Afterlife Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith s traditions Every significant issue and major theme is discussed no controversial topic is avoided From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as absorption within universal spirit Nirvana or nonexistence This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study **Ski** , 1974 Almost Heaven Doc Fletcher, 2023-08-10 December 2055 a baseball fanatic 101 year old man dies and goes to heaven Beyond blessed by being reunited with loved ones who have gone before and meeting the two Guardian Angels who ushered him during his time on earth he is embraced by The Other Side s peaceful gentle majestic comforting loving and awe inspiring beauty As wonderful as it all is including seeing Beethoven Hendrix perform together on stage John Prine the opening act to paddle endless winding rivers with a back that never aches play in baseball games that joyfully run for days yet never tire it is the opportunity to be sent back to earth by Saint Peter for a decade long 1911 through 1920 human experience that is most intriguing with the opportunity to see arguably the greatest baseball player of them all Ty Cobb in action viewed by a Tiger fan born 3 decades after Cobb retired Almost Heaven takes you back to the 1910s a decade that began with major league baseball teams constructing the first steel concrete stadiums to replace their old wooden ballparks and ends as the dead ball era of Detroit Tigers Ty Cobb Wahoo Sam Crawford begins its metamorphosis into the live ball era of home run king Babe Ruth The dead ball era through 1919 was an era noted for its scientific small ball approach when teams played for one run at a time by out thinking the foe bunting stealing bases hittin em where they ain t creating a mental hazard for the opposition by doing the unexpected and Ty Cobb was its leading practitioner **Heaven on Earth** Stephen J. Nichols, 2006-06-06 Heaven isn t only about the future It has everything to do with life on earth life in between Jonathan Edwards understood this well His writings are full of his thoughts on heaven and how those thoughts should make a difference in our lives This book focuses on key sermons by Edwards showing readers how his insights can be applied to the challenges of living the Christian

life in the twenty first century Edwards reminds us of our duty to live on earth in light of heaven and to endeavor to bring the realities and the beauty of heaven to earth even if only in miniature This book is for all believers wondering how to live on earth with a view of heaven and those familiar with Edwards s works will have a special appreciation for this study

Genesis According to Methuselah Reva Spiro Luxenberg,2018-08-02 Methuselah the oldest person who has ever lived goes on a quest for truth expanding the Bible with humor He writes My best marriage was to Sheilabenautumn a living doll I called her She She called me Meth Honey But I suffered from the neighbors evil gossip I was 603 and She was a mere 133 The neighbors said I had robbed the cradle The author with tongue in cheek traces the world of Adam and Eve Noah and the patriarchs through Methuselahs eyes and ears in a style that is a mock modernization of the terminology in the Bible For example God named the first man Adam and said Live long and prosper When Eve became overweight Adam couldnt understand why She explained I think theres a person inside of me because I feel kicking in my stomach I dont know from which orifice he will come out This is a new version of the Bible that will cause readers to laugh aloud The Other Lands of Israel Liv Ingeborg Lied,2008 According to the current scholarly consensus the apocalypse of 2 Baruch written after the Fall of Jerusalem either rejected the concept of the Land of Israel as a place of salvation or regarded it as of minor importance Inspired by the perspective of Critical Spatial Theory this book discusses the presuppositions behind this consensus with regard to the spatial epistemology it assumes and explores the conception of the Land as a broad redemptive category The result is a fresh portrait of the vitality of the Land theme in the first centuries of the common era and a new perspective on the spatial imagination of 2 Baruch **Religion Within Reason, Second Edition** Steven M. Cahn,2025-02-27 Most believers and their critics agree that religious commitment relies on the acceptance of supernaturalism Steven M Cahn argues to the contrary He maintains that theism is neither necessary nor sufficient for adherence to a religious outlook He writes in a nonpolemical spirit about morality the problem of evil faith miracles heaven mystical experience and religious diversity His book develops a strong case for the reconciliation of science and religion **The Diamond Hitch** Frank O'Rourke,2016-06-14 Based on the life of bronc rider Doughbelly Price The Diamond Hitch tells the story of Dewey Jones western cowman and rodeo hooligan as he travels the circuit throughout the Southwest in search of that one big purse that will punch his ticket out of rodeo bumming and into a more normal life O Rourke effectively evokes the sights sounds and smells of the cowboy way presenting an unvarnished glimpse into this vanished way of life **Ski** ,1978-03 **The Open Heaven** Christopher Rowland,2002-08-01 The Open Heaven offers a comprehensive discussion of Jewish apocalyptic literature and themes in the Second Temple period and in early Christianity In it there is a sustained challenge to the widespread view that apocalypticism is a form of eschatology and it has been widely recognised as a significant contribution to the discussion of apocalypticism in religion since it was first published twenty years ago By concentrating on the revelatory character of apocalyptic texts rather than their diverse contents the author suggests that it is this aspect of the

literature which best enables us to understand their distinctive religion The book offers a sustained argument for the view that apocalyptic literature is primarily about the disclosure of heavenly wisdom which offers recipients an understanding of life in the present He also suggests that there may be some evidence to support the view that apocalypses include reports of visionary experience The approach to apocalypticism in early Christianity stresses the importance of the visionary element as a decisive element in the history of Christ's origins [Film Resources on Japan](#) University of Michigan. The new Jerusalem and its heavenly doctrine according to what has been heard from Heaven. With an intr. concerning the new Heaven and the new earth. From the Lat. (Revised by J. Speirs). Emanuel Swedenborg, 1896 [Heavenly Business](#) Jo Ann M. Colton, 2016-04-23 When it appears to the Almighty that His Heavenly World is going to hell in a hand basket because newly departed souls are finding their way to Lucifer's domain rather than His Kingdom He believes it is time for a change Realizing He and the Devil are both vying for the same pool of dearly departed souls He decides to reengineer His Heavenly business processes using of all things a county government infrastructure as His new model As Heaven continues to chart its new direction into the 21st Century and angels and others unite in the cause the devilish antics of The Prince of Darkness soon threaten His new plan and the inner sanctum of His spiritual world Understanding full well that His continued path might ignite a war of the worlds between Him and the devil He still proceeds with His Vision while bracing Himself for the test of wills and the exhibition of good versus evil events that inevitably will follow Superbly funny delightfully quirky identifiably realistic and often humanly poignant Heavenly Business is a light hearted and entertaining work of general fiction with magical realism that also brings together a young woman and a young man But while the love story's premise might seem to be ordinary the tale takes the reader on an extraordinary journey through a series of events that unites the celestial and earthly spheres to make this match made in heaven love affair happen according to destiny The story's endearing characters engage in bountiful banter and cut above the rest dialogue about life love death and the afterworlds of heaven and hell as they work as a team to bring the story to its heavenly conclusion *The Old Testament Pseudepigrapha* James H. Charlesworth, 2010-02 The Old Testament Pseudepigrapha is truly a work of international importance and Hendrickson Publishers is pleased to offer it in this economical paperback edition Book Jacket

Heaven in the American Imagination Gary Scott Smith, 2011-06-01 Drawing on an astounding array of sources including works of art music sociology psychology folklore liturgy sermons poetry fiction and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven Concepts of heaven he shows are ever changing constantly adapting to the spirit of the age In the colonial era heaven focused primarily on the glory of God Today many see it as a celestial entertainment center or a paradise where everyone can reach their full potential [Heaven's Gate](#) Benjamin E Zeller, Robert W Balch, 2014-10-31 The captivating story of the religious group focused on transcending humanity and the Earth and seeking

salvation in the literal heavens on board a UFO 2015 Best Book Award from the Communal Studies Association In March 1997 thirty nine people in Rancho Santa Fe California ritually terminated their lives To outsiders it was a mass suicide To insiders it was a graduation This act was the culmination of over two decades of spiritual and social development for the members of Heaven s Gate In this fascinating overview Benjamin Zeller not only explores the question of why the members of Heaven s Gate committed ritual suicides but interrogates the origin and evolution of the religion its appeal and its practices By tracking the development of the history social structure and worldview of Heaven s Gate Zeller draws out the ways in which the movement was both a reflection and a microcosm of larger American culture The group emerged out of engagement with Evangelical Christianity the New Age movement science fiction and UFOs and conspiracy theories and it evolved in response to the religious quests of baby boomers new religions of the counterculture and the narcissistic pessimism of the 1990s Thus Heaven s Gate not only reflects the context of its environment but also reveals how those forces interacted in the form of a single religious body In the only book length study of Heaven s Gate Zeller traces the roots of the movement examines its beliefs and practices and tells the captivating story of its people The most thorough work on the cult of Heaven s Gate that is presently available Choice *Unchained* Noel Jesse Heikkinen,2017-02-01 Often when people follow Jesus they feel more guilty instead of more free A powerful book for the spiritually restless *Unchained* shows readers how to have a robust faith that celebrates their freedom in Christ without compromising their holiness as God s followers *Unchained* turns to the person and work of Jesus Christ as the source of freedom not just his work 2 000 years ago but also what he is doing today As readers dig into the meaning of the freedom that Jesus offers they will understand perhaps for the first time what true freedom in Christ means *Skiing* ,1974-09
