*Colossians* David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey

centripetal whirlpool model of world order to interpret the historical progression of China's All Under Heaven Tianxia identity construction on the central plain of China In this book Zhao forwards a novel and compelling thesis on not only how we should understand China but also until recently how China has understood itself Madras Missionary Register ,1836

The Theosophical Forum ,1900 *TOWARD HEAVEN VOL 2* David A Swincer, It is common parlance to refer to a departed loved who has supposedly gone up there as one who is now looking down presumably from heaven And no regard is paid to the rotation of the earth's axis at that time or the position of the earth in its orbit around the sun So where is up Or down Is heaven up there or out there or down here These questions only confuse the issue because this is to think spatially instead of relationally We pray Our Father in heaven Matthew 6 9 That statement implies location but where is that We further pray 10 your kingdom come your will be done on earth as it is in heaven Matthew 6 9 emphasis added Implicit to this prayer is that we desire to have God's sovereign rule His kingdom and His will operating in undivided application on earth as it is currently operating in heaven This implies a future expectancy for this earth as well as a particular location both now and then If we glibly refer to heaven as being where God is then since God is everywhere we are already in heaven because God is here And if God is everywhere spatially then where does Satan fit in No we can't argue spatially God is sovereign and reigns supreme over all things Satan included And if God is everywhere spatially then where is the lake of fire God in heaven is the being of God apart from sin God in His perfect holiness and where He reigns supreme But WE are not NOW in heaven as the bible understands even though God is also here or we have no future hope There is nothing more to be achieved Paul is clear 19 If only for this life we have hope in Christ we are to be pitied more than all men 1 Corinthians 15 19 There is much more
