Heaven's Bouquet Anthony Smith,2010-04-24 When someone loses a loved one sadness bitterness confusion and frustration are common emotions Dealing with the loss can often take a toll on the living because we are left behind with only memories Death the final stage in our journey of life is inevitable yet we still fear this final step However with God s guidance and understanding we can come to terms with our loss and ultimately accept it because there is no other alternative We are all like flowers we start from a seed and with proper care and nurturing we grow to become a beautiful flower Everything under the sun has a season a flower is here for a short time and after it has served its purpose it passes away just as people do Thus we are like a flower we are born we blossom and then we die *Heaven on Earth Presents The Bridal Bouquet*
