Dive deep into the stories that began it all Ted Dekker's first novels collected together for the first time This trilogy is the collection of three gripping psychological thrillers that peel back the skin of this world to reveal a supernatural reality rarely seen A daring wager of life and death in Denver An unfathomable leap of faith in a small Balkan village near the end of WWII A global struggle for power that begins deep in the Amazon jungle All three stories are bound together by one family's timeless harrowing discovery of love and all that is unseen The Heaven Trilogy offers a window into a world more real and vital than most people ever discover here on earth A hidden world where the real dramas of the universe and our daily lives continually unfold Well well well guess what I've found A fiction writer with a rare knack for a compelling story Expansive Clever A provocative read Best selling author Frank Peretti for Heaven's Wager Don't miss this book Don't miss this author's writing And don't miss the point Beautiful and suspenseful I'll have to read this one again Eric Wilson author of the Jerusalem Undeclared Trilogy for When Heaven Weeps The Martyr's Song Ted Dekker, 2007-05-12 What would you die for That's the question suddenly thrust upon a small band of women and children in Bosnia at the close of World War II When a group of bitter soldiers stumble upon their peaceful village they suddenly face an insidious evil and the ultimate test It is then in the midst of chaos and pain that the Martyr's Song is first heard It is then that the window into heaven first opens It is then that love and beauty are shown in breathtaking reality You have in your hands the story and the song that changed everything
