Heavy Gear The War Goes On:

My Father's War Carolyn Johnston, 2012-08-03 The author draws on her father's account of the war and her extensive interviews with other veterans of the 92nd Division to describe the experiences of a naive southern white officer and his segregated unit on an intimate level During the war the protocol that required the assignment of southern white officers to command black units both in Europe and in the Pacific theater was often problematic but Johnston seemed more successful than most earning the trust and respect of his men at the same time that he learned to trust and respect them Gene Johnston and the African American soldiers were transformed by the war and upon their return helped transform the nation The 92nd Division of the Fifth Army was the only African American infantry division to see combat in Europe during 1944 and 1945 suffering more than 3 200 casualties Members of this unit known as Buffalo Soldiers endured racial violence on the home front and experienced racism abroad Engaged in combat for nine months they were under the command of southern white infantry officers like their captain Eugene E Johnston

Inside Television's First War Ron Steinman, 2002 Steinman describes his experiences as head of the NBC news bureau in Saigon from 1966 to 1968 and he writes of how the war changed the news coverage of battle to a home audience

The GI's War Edwin P. Hoyt, 2000-08-08 The GI's War contains eyewitness accounts from ordinary young men farm hands and factory workers who had war thrust upon them and in the process became veteran soldiers Their unsparing narratives presented in their own words capture the many emotions evoked by war GIs and their commanding officers speak freely and movingly of becoming soldiers of enduring the ordeals of the various campaigns and of fighting for their lives and their country Vividly personal and compelling this book puts the reader on the front lines

Heavy Duty Attitude Iain Parke, 2024-05-21 I liked your book he said as we shook hands across the table Well thanks I answered guardedly as I slid onto the bench seat opposite him and sat down It was around three months since it had come out and so just coming up to about a year since his election You mean the one that just about stopped short of saying that you killed him I asked or that you at least had him killed Yes he nodded with a smile on his wolfish face I particularly liked that part Iain had written a book about The Brethren MC and how powerful they could be He knew it was a dangerous thing to have done whether they liked it or not and one that had taken him part way into their world And now it was his turn Now a new President with big boots to fill was going to make him an offer he was going to find difficult to refuse and once in the outlaw biker's world steeped in the smells of engine oil and leather would he ever be able to get out again And as an outsider on the inside with serious trouble looming who if anyone can he trust The second instalment of the Brethren MC Trilogy a British Sons of Anarchy

Virtual Reality Start Tom Germann, **Encyclopedia of New Year's Holidays Worldwide** William D. Crump, 2016-03-30 Among the world s myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods music dancing noisemaking fireworks and drinking This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year beyond its traditional Western associations with Christmas National or regional entries detail the principal traditions and customs of 130 countries while 27 entries discuss major calendar systems in current use or of significant historical interest The remaining entries cover a wide variety of subjects including literary works movies and television specials the customs of specific ethnic groups universal customs such as toasting and drinking football bowl games and parades and the New Year celebrations at the White House and the Vatican

The Autocar ,1918 **A War of Patrols** William Johnston, 2011-11-01 The extended peace the world anticipated following the decisive Allied victory in the Second World War was abruptly shattered in June 1950 by the invasion of South Korea by communist North Korea Responding to a United Nations call to assist the South Korean regime Canada deployed an 8000 man brigade to the peninsula to fight as part of an American led UN force This comprehensive account of the Canadian campaign in Korea provides the first detailed study of the training leadership operations and tactics of the brigade under each of its three wartime commanders as well as its relationship with American and Commonwealth allies An impeccably researched analytical history the book examines the uneven performance of the various Canadian units and argues that the soldiers of the Special Force initially sent to Korea were more thorough and professional in their operations than were the army s regular battalions that eventually replaced them at the front

Scott,Rajeev Batra,2003-04-02 This volume synthesizes and advances existing knowledge of consumer response to visuals Representing an interdisciplinary perspective contributors include scholars from the disciplines of communication psychology and marketing The book begins with an overview section intended to situate the reader in the discourse The overview describes the state of knowledge in both academic research and actual practice and provides concrete sources for scholars to pursue Written in a non technical language this volume is divided into four sections Image and Response illustrates the difficulty encountered even in investigating the basic influences processes and effects of mere exposure to imagery Image and Word presents instances in which the line between words and pictures is blurred such as the corporate logo which is often pictorial in nature but communicates on an abstract level usually attributed to words Image and the Ad contributes to our appreciation for the exquisite variations among advertising texts and the resultant variability in response not only to different ads but among different viewers of the same ad Image and Object carries the inquiry of visual response over the bridge toward object interaction Having traveled a path that has gone from the precise working of the brain in processing visual stimuli all the way to the history of classical architecture readers of this volume will have a new respect for the complexity of human visual response and the research that is trying to explain it It will be of interest to those involved in consumer behavior consumer psychology advertising marketing and visual communication *Pax Britannica: British Counterinsurgency In Northern Ireland, 1969-1982* Montgomery McFate,2014-12-22 British forces conducted operations short of war in Northern Ireland for twenty five years yet they were unable to defeat the Provisional Irish Republican Army PIRA In this heretofore unpublished dissertation from 1994 McFate identifies how certain cultural legal and political factors contributed to the longevity of violence in Northern Ireland Viewing counterinsurgency as a self reproducing cultural system with its own complex logic McFate argues that limitations on violence prescribed by the counterinsurgency principle of minimum force paradoxically resulted in a very high degree of sustainability of conflict Certain other factors such as emergency security legislation reverence of military competence and geo strategic compression of violence within a cordon sanitaire enabled normalization and reproduction of the conflict In opposition to this order the 1981 Republican hungerstrikes used the silence of the body to incriminate the state embodying a resistance to the war system of counterinsurgency *Hard Times, Good People* Sid Spurgeon,2024-09-19 There is one question that victims of the Great Depression knew not to ask what did I do to deserve this The answer was the same for nearly everyone it was your turn Homer and Ella Dickinson suffered the worst of times lost jobs and lost homes as life and tragedies caved in on them They were forced to relocate six times while Homer looked for permanent employment When all that was going on they had kids to

care for and sadly two children to bury and mourn As the Depression loosened its grip Homer found steady work for the railroad in Pendleton Oregon The family started again with their two remaining sons George and Gibb then terrible luck World War II The oldest son George went to war in the summer of 1943 and trained as a paratrooper for the 82nd Airborne On the night of June 5 or very early morning on June 6 he parachuted into Nazi occupied France during the D Day invasion George would be part of a very large task force of courageous young American men who fought their way into Germany George survived and returned to Pendleton and soon married his high school sweetheart an intelligent young woman from the Umatilla Indian Reservation Of course there were comments complaints and whispered insults about the mixed race marriage of George Dickinson and Sulema Lopez Both families were very supportive of the marriage and headed off many rude and unwanted objections that were aimed at George and Sulema That support eased much of the tension that may have arisen and the couple led very fulfilling adult lives that were blessed by twins The person most responsible for the family's strength and cohesion during the hardest times was Ella who had enough love and compassion for anyone who entered her circle Her motto God loves you so do I was introduced to her by her father a Baptist pastor She lived it and took care of her little corner of the world right up to the time of her death Hard Times Good People is about those who step up and take on life's most demanding challenges and setbacks To get through those times took nothing short of everyday heroes *Walking the Appalachian Trail* Larry Luxenberg, 1994-10 Thru hiker of 1980 weaves history maintainers perspectives accounts of several dozen thru hikers well known and obscure and the how's of walking the A T into a thorough but entertaining history of an increasingly popular sport **Business Week**, 1955-07 **Daily Report, Foreign Radio Broadcasts** United States.
