three chapters The first one deals with the development of modern Hebrew studies in Western Europe the second gives an  
account of the academic and religious level of Hebrew scholarship in the Commonwealth in the 16th century and at the  
beginning of the 17th century and the third is devoted to Polish translations of the Hebrew Bible which were the most

**Walking Together Through Life** G. Herbert Livingston,2011-10-11 I am ninety four years of age and I have begun  
looking back over seventy four years of being an ordained minister I decided I should write a testimony of what God has done  
in the combined lives of my wife Maria and myself We were married for almost seventy two years when she died in 2009 This  
volume has the history of a long successful marriage At the beginning if the Great Depression both of our parents lost control  
of their farms and had to depend on the government for income Both of us were penniless farm teenagers Taking a clue from  
the Scriptures that often refers to the experiences of life as a walk we have used that term for our life together We started  
lives in the valley of poverty and moved uphill from one achievement to another This book is the story of that journey The  
main part of this book is a record of being a minister a professor and over two decades of retirement Without the expert  
assistance and encouragement of Maria this goal would not have happened
