Creation and Judgement Stefan Paas, 2021-10-11 This book explores how the books of Amos Hosea and Isaiah use language of creation This is done by a religion of history approach of ancient Israel with respect to its belief in YHWH as a Creator and by an exegetical survey of the relevant texts in the prophets mentioned It is established that creation language was introduced in Israel long before the Exile and is used in a flexible manner depending on context and situation Elaborate attention is given to its use in contexts of judgement This study is relevant for students of the prophets who are looking for a thorough discussion of many texts and a critical examination of some popular views on creation in the Bible

Abraham in Mamre Detlef Jericke, 2021-11-15 This volume deals with historical and exegetical problems of the Abraham story in the book of Genesis The first part describes the results of archaeological investigations at Hebron and Mamre in Southern Palestine including remarks on the status of the province of Judah in the first millennium BCE especially in the Babylonian and Persian period The second part presents exegetical comments on Genesis chapter 13 and 18 The concluding part of the volume relates the historical and exegetical aspects The Abraham story is interpreted as a product of the Judaeans people of the Babylonian and Persian Period

Ezra the Scribe Juha Pakkala, 2012-08-07 This monograph investigates the literary development of Ezra 7 10 and Neh 8 With a detailed literary critical analysis the investigation shows that the text was produced in several successive editorial phases for at least two centuries Thus the final text cannot be used for historical purposes The oldest text emerged as a short narrative entirely written in the third person It describes how a Torah scribe Schriftgelehrter called Ezra came from Babylon to Jerusalem to reinstate the written Torah In the later editorial phases Ezra s role was transformed from a scribe to a priest who brought cultic vessels to the Temple The editorial development reveals that the text was originally influenced by Deuteronomy and the Deuteronomistic theology Later it came under priestly and Levitical influence

Baruch Ben Neriah J. Edward Wright, 2003 This work traces the evolution of a biblical figure whose legacy grew from that of a scribe who edited or wrote the Book of Jeremiah to a divine sage granted a tour of heaven itself It charts the significance of a minor figure who gradually became a larger than life hero in the Jewish and Christian popular imagination In addition to exploring biblical and postbiblical depictions it also shows how the various portrayals reveal the leadership models and religious values of early Jewish and Christian communities It suggests that these communities reinvented Baruch to meet the pressing issues of their day The text examines the scribe as depicted in the Bible noting his distinction as one of the few characters whose existence can be attested by archaeological

evidence A loyal friend of Jeremiah Baruch is recorded to have received a mysterious oracle from God in the midst of Jerusalem's destruction by the Babylonians The volume explores how beliefs about this message provided the postbiblical impetus for Baruch's transformation into an apocalyptic seer Open-Mindedness in the Bible and Beyond Marjo Korpel, Lester L. Grabbe, 2015-06-18 The contributions to this volume reflect upon changing paradigms within biblical scholarship and in how biblical scholarship is taught Taken together they offer a multifaceted and informative indication of how open mindedness in one's approach can yield fascinating results across the study of the Old Testament Hebrew Bible The range in topic of the contributions is exemplified in the difference between the first chapter which works from the personal anecdote of the changing opinion of its author to make a wider point about models for Pentateuchal formation and the third chapter which comments on the current state of the study of ancient Israel in universities today Other contributions include an essay on the subject of space as a social construct in Isaiah 24-27 civil courage and whether the Bible allows room for protest the question of monotheism in Persian Judah the historical Ezra and the telling of the story of Joseph Genesis 50:15-21 in children's Bibles in the Netherlands The contributors include Hugh Williamson Ehud Ben Zvi Rainer Albertz Karel von der Toorn and Christoph Uehlinger **From David to Gedaliah** Bob Becking, 2007 The ten essays in this volume all deal with various aspects of the interpretation of the Book of Kings Bob Becking tries to set a course between Scylla and Charibdis Both minimalism and maximalism are avoided by trying to apply a variety of methods narratology historical criticism and theological analysis This implies that extra biblical evidence the Tell Dan inscription Assyrian royal inscriptions West Semitic seal inscriptions are taken into account Selected texts from this biblical book are read on the basis of a three dimensional matrix 1 the narrative character of the story stories 2 the value and function of extra biblical material be it of an epigraphical or an archaeological character 3 the art of history writing both ancient and modern The essays are arranged according to the order in which the relevant texts or their main characters figure in the Book of Kings Originally published between 1987 and 2005 they have been updated for publication in the present collection Ancient Canaan and Israel Jonathan M. Golden, 2004-11-22 It's the cradle of civilization the wellspring of three of the world's most powerful faiths a place where vestiges of the ancient past remain vibrantly alive today but what do we really know about the day to day lives and defining culture of the people of Israel and Canaan Ancient Canaan and Israel takes readers beyond the scriptural portrayals of the region and into the everyday lives of Canaanites and Israelites It draws on recently discovered archaeological evidence and fresh interpretations of biblical and extrabiblical texts to show how archaeologists and other researchers reconstruct the many facets of these civilizations political geographic social economic religious technological and aesthetic For experienced scholars or enthusiastic newcomers it is an enlightening portrayal of the people and the land of Canaan and Israel which traces many well known spiritual and cultural traditions back to their ancient roots It is also an objective introduction to a number of much debated topics such as the fate of the Canaanite cultures the origins of the

Israelites and the historical accuracy of the Bible Viewing Ancient Jewish Art and Archaeology Ann Killebrew, Gabriele Faßbeck, 2015-11-02 In honor of eminent archaeologist and historian of ancient Jewish art Rachel Hachlili friends and colleagues offer contributions in this festschrift which span the world of ancient Judaism both in Palestine and the Diaspora Hachlili's distinctive research interests synagogues burial sites and Jewish iconography receive particular attention in the volume Archaeologists and historians present new material evidence from Galilee Jerusalem and Transjordan contributing to the honoree's fields of scholarly study Fresh analyses of ancient Jewish art essays on architecture historical geography and research history complete the volume and make it an enticing kaleidoscope of the vibrant field of scholarship that owes so much to Rachel *Women in Ugarit and Israel* Hennie J. Marsman, 2003-01-01 This book discusses women in a polytheistic and monotheistic society by analyzing their social and religious position according to the literary and non literary texts of Ugarit and Israel **Ancient Israelite and Early Jewish Literature** Vriezen, Adam van der Woude, 2005-09-01 Ancient Israelite and Early Jewish Literature offers more than simply an introduction to the Old Testament Hebrew Bible The Hebrew Bible remains not only the primary quantitative source for our knowledge of the literature of Ancient Israel it also enjoys decisive religious and cultural significance for both Judaism and Christianity However increased interest in Early Judaism as successor to the religion of Ancient Israel and background to the New Testament demands an introduction that guides the reader through the maze of Jewish literature dating from the Hellenistic and Early Roman periods This introduction primarily offers a literary and historical critical approach to the material it treats Given the nature of certain Ancient Israelite inscriptions the books of the Hebrew bible and the texts of Early Judaism however it contains some religious historical or theological explanations where appropriate In particular the literary historical analysis found in this volume underlines the canonical character of the Hebrew Bible The book concludes with a helpful appendix that briefly explains technical concepts and exegetical methods *TANAK* Marvin A. Sweeney, 2011-11-01 Though biblical theology has long been considered a strictly Christian enterprise Marvin A Sweeney here proposes a Jewish theology of the Hebrew Bible based on the importance of Tanak as the foundation of Judaism and organized around the major components Torah Nevi'im Prophets and Ketuvim Writings Sweeney finds the structuring themes of Jewish life the constitution of the nation Israel in relation to God the disruption of that ideal documented by the Prophets and the reconstitution of the nation around the Second Temple in the Writings Throughout he is attentive to tensions within and among the texts and the dialogical character of Israel's sacred heritage Publisher description
