The Hebrew National Orphan Home Ira A. Greenberg, Richard G. Safran, Sam George Arcus, 2001-09-30 Some two dozen boys tell of growing up in the Hebrew National Orphan Home Though punishment was often brutal and where a few boys were victims of sexual predators residents had many religious recreational educational cultural and athletic opportunities Most agree that the good far outweighed the bad Orphanage horror stories of the 19th and early 20th centuries brought on the modern welfare system that includes foster care programs Yet as effective as the foster care programs throughout the nation have been in providing good care and safety for many hundreds of thousands of children there are still far too many youngsters who have been ill served by these programs Many are shunted from place to place The authors argue that well run orphanages offer a better solution Their essays tell the story of The Home that reared them and provides understanding of what life in an orphanage was like *Deja Views of an Aging Orphan* Sam George Arcus, 2000-11-01 To quote from E M Nathanson author of THE DIRTY DOZEN and numerous other works and fellow alumnus of the HNOH who wrote the FOREWORD to the book The title of the book DEJA VIEWS is itself a meaningful play on the French phrase deja vu meaning roughly the startling feeling that strikes you that what you have just experienced you have experienced before To anyone who shared those times DEJA VIEWS OF AN AGING ORPHAN will be an exciting time travel adventure comprehensive varied textured and evocative To those who lived in those times but had no knowledge then of the milieu of the books real life characters and stories and to those in the generations that followed such as the children and grandchildren of the Home boys the book will be a voyage of discovery Many of the anecdotes and people profiles in the book though not all of them were written as columns that appeared over the years in THE ALUMNUS the monthly publication of the Alumni Association of the Hebrew National Orphan Home and its successor institutions Homecrest and Hartman Homecrest They are word pictures that have ripened and matured and been revised over the years by more acute memory and input from others Some of these stories and brief biographies have even achieved the status of myths and legends In addition sowed amidst these pages of real persons and event as a sort of literary seasoning and entertainment are some short stories identified as fiction but which illuminate with their own truths The index alone is a cornucopia of memories The variety of people and themes that are remembered and summoned into the book is impressive Some evoke nostalgia for a time that we didnt know was that good when we were living it some bring a laugh or a tear And the focus is always on the boys and the adults they became In addition to the foregoing I believe the best description of my book is contained in my INTRODUCTION which is therefore reproduced here in its entirety My older brother Al myself and my younger sister Henny all became half orphans upon the death of our mother in February 1929 Our father had to place us in orphanages when he found himself unable to provide the care required by a 9 year old boy his 7year old brother and 2 year old sister Al and I were placed in the Hebrew National Orphan Home on Tuckahoe Road in the outskirts of Yonkers NY while Henrietta was put into the Israel Orphan Asylum on

East Second Street NYC This separation was necessary because the HNOH accepted only boys ages 6 to 16 later HS graduation whereas the IOA accepted boys and girls ages 2 to 5 It was while I was in the HNOH that I became a full fledged orphan when my father died in 1938 And Ive been a full fledged orphan ever since although I didnt start aging until just a few months ago when I turned 78 But some years before that my then new daughter in law Susan was describing my wife and myself to her mother including the fact that we were orphans my wife having been raised in the Pride of Judea Childrens Home on Dumont Ave in Brooklyn where I worked after I had left the HNOH To which Susans mother replied matter of factly Well so am I And so is your father Momentarily surprised Susan then elaborated No mom I mean they were orphaned as children and raised in orphanages Her mother hesitated and then said Oh This anecdote illustrates the fact that ultimately we all become orphans But that is not the focus of this work Its focus is the child who lost one or both parents at a young tender age and subsequently was placed in an institution the orphanage So when I titled this work OF AN AGING ORPHAN I wasnt focusing on an older person who had been orphaned as an adult but on an orphaned child who fortunately has been aging nicely I say fortunately because I Marty Miller Doris A. city's factories turned out essential items that helped the United States win two world wars Following World War II the industrial base of Yonkers eroded as companies moved away contributing to an increase in poverty To address the housing needs of its low income residents Yonkers built public housing resulting in a nearly thirty year court case that for the first time in United States history linked school and housing segregation The case was finally settled in the early years of the twenty first century a time that also witnessed the continuation of the city's economic redevelopment efforts along the Hudson River and contiguous downtown area Striving to once again become the Queen City of the Hudson Yonkers is being rebuilt beginning at its historic waterfront Yonkers in the Twentieth Century provides readers an in depth perspective of our city that has not yet been told From the glory days at the dawn of the twentieth century to its later turbulent decades Marilyn E Weigold thoughtfully takes us through the vibrant history of our city affording us the knowledge needed to appreciate our past so to best plan for our future I encourage those who have an insatiable interest and pride in Yonkers to explore Weigold's comprehensive narrative and take a step back in time Mike Spano Mayor of the City of Yonkers Yonkers has such an interesting and vibrant history that it needs to be preserved and told This book is a major accomplishment providing a comprehensive look at the life of the city and will leave a lasting legacy for residents historians and all those who appreciate and value knowing how we got to where we are today James J Landy Chairman Hudson Valley Bank
