Hebrews, the Epistle of Warning John Owen, 1973 **Hebrews** John Owen, M. J. Tryon, 1953 **The Epistle to the Hebrews** Thomas Charles Edwards, 1890 **Hebrews - The Epistle of Warning by Owen, John** John Owen, **The Expositor's Bible The Epistle to the Hebrews** Thomas Charles Edwards, 2024-01-02 Thomas Charles Edwards

The Expositor's Bible The Epistle to the Hebrews is a seminal work that delves into the tricky layers of the biblical text with scholarly acumen and pastoral sensitivity. Edwards, a prominent Welsh Congregationalist minister and theologian, gives a complete exploration of the Epistle to the Hebrews, unveiling its historic theological and literary dimensions. In this masterpiece, Edwards navigates the complexities of the Epistle, imparting readers with a profound information of its particular features and undying subject matters. He addresses questions of authorship, cause, and target audience, providing meticulous exegesis that combines intensity with accessibility. Edwards' work goes past mere observation; it serves as a manual for both scholars and lay readers, facilitating a deeper appreciation of the Epistle's wealthy narrative and theological importance. With an eager eye for detail and a dedication to readability, Thomas Charles Edwards enriches the reader's engagement with the biblical textual content, making The Expositor's Bible The Epistle to the Hebrews a long-lasting contribution to the field of biblical scholarship and a supply of non-secular insight for all who are searching for to discover this profound epistle.

A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews C. Adrian Thomas, 2008. A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers. The main argument is that these warnings are intended to target a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned. That is to say, while the book of Hebrews is addressed as a message of encouragement to the community as a whole, its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action. The book implies that while the author is persuaded that the majority in the community are genuine believers, there are some about whose salvation he doubts; hence, the case for a mixed audience. What is threatened, therefore, is not a salvation already possessed but the salvation of those in danger of coming up short.

Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints. It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages. The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishioners on those tough warning passages in Hebrews.

Run to Win the Prize Thomas R. Schreiner, 2010-05-05 Scripture's commands to persevere and warnings of the consequences if we fail have been met with apathy by some and led others to doubt the state of their salvation. The fearful and eternal nature of these issues warrants careful examination of what the Bible says about perseverance. Thomas Schreiner once again tackles this difficult topic in *Run to Win the Prize*. Clarifying misunderstandings stemming from his more detailed treatment in *The Race Set Before Us* IVP 2001, Schreiner draws together an illuminating overview of biblical teaching on the doctrine of perseverance. Schreiner details how God directs the collective warnings and exhortations of Scripture toward believers as a means of preservation. We are to think of the call to persevere in light of the initial call to faith, both agents by which God leads us to final salvation. Those looking for a general treatment of the doctrine of perseverance will profit from the challenges and assurances in *Run to Win the Prize*.

The Epistle to the Hebrews David J. Garrard, 2023-08-31 The author of the Hebrews tells us that in the past God spoke through the prophets but now he has spoken through the Son Jesus. The message transmitted is now complete and clear. The entire letter is concerned with the superiority of this new covenant of the Son. It is better in every way when compared with Sinai's rules and regulations as it is now no longer based on shadows of the heavenly reality but the reality itself. There can be no going back to the former since all is better including the promises, the priesthood, and the relationship with the Father through the Son. He shares the heavenly throne with the Father and is our unique intercessor. His new covenant means that there is no need for any other mediator and the Holy Spirit's power enables a complete forgiveness of sin for all who persevere and give themselves to following the purposes of God with passionate faith. However, experiences of the past do not guarantee the future and there is a race to be run which means that passion and purpose are required on an ongoing basis.

Sacra Pagina: Hebrews Alan C. Mitchell, 2016-03-16 2008 Catholic Press Association Award Winner Scarcely any book of the New Testament with the possible exception of Revelation is so perplexing as the Letter to the Hebrews Not really a letter but a sermon with some features of a letter added to it not really by its putative author Paul but by an anonymous Christian who wrote some of the most elegant Greek in the Bible not really addressed to the Hebrews but to Christians probably in Rome this is the work that Alan Mitchell explains in this commentary Many scholars have written fine commentaries on Hebrews and Mitchell stands on their shoulders noting where he proposes alternate interpretations Mitchell pays particular attention to the reliance of the author of Hebrews on the Greek Old Testament the Septuagint He also compares the language of Hebrews with similar usage and ideas of first century Hellenistic Jewish authors notably Flavius Josephus and Philo of Alexandria Furthermore he situates Hebrews against the background of the tradition of Hellenistic Moral Philosophy where that is appropriate Mitchell thus locates Hebrews in its proper thought world something that is essential for the modern reader in dealing with some of the thornier questions raised by this biblical book Chief among these are the role of sacrificial atonement the question of second repentance and the spiritual and moral formation of the Roman Christians who were its recipients Like all the volumes in the Sacra Pagina series this work examines the text in

Does It Matter Who Wrote the Bible? David B. Capes, 2025-05-20

Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament
