ranch hands with whom he worked He attended Moody Bible Institute in Chicago Illinois and was mentored by Dwight L Moody the great evangelist of his day He also studied the life and teachings of Andrew Murray and patterned his life after this great English teacher and preacher He began preaching revival meetings in Nebraska Kansas Oklahoma and Texas During his pastoral ministry he served in Comanche and Brownwood Texas Lawton Oklahoma and in Lancaster Texas Dr Sheafor s pastoral ministry changed in 1941 when he became a Bible teacher at the First Baptist Church in Dallas Texas His name is synonymous with the teaching of Bible prophecy In all of his teaching and preaching Dr Sheafor majored on the wonderful promises that God has given to every born again believer He presented the joy and the glory to be experienced by every believer in the Rapture the Second Coming of Jesus and the New Heaven and New Earth His wealth of knowledge concerning prophecy was inimitable and he was loved and admired by all who heard him speak including many of the professors at Dallas Theological Seminary and Dr W A Criswell pastor of First Baptist Church Dallas for all of the twenty three years that Dr Sheafor taught the class that now bears his name

Perseverance and Apostasy in the New Testament

Dongsu Kim,2022-05-27 *Perseverance and Apostasy in the New Testament* thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God s sovereignty and human responsibility the role of the Holy Spirit for the believer s perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

ENDORSEMENTS

The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim s near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary *Perseverance and Apostasy in the New Testament* is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult

question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with the book of Revelation One s theological presuppositions will of course affect how he she receives and responds to Kim s case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim s exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers engagements with apostasy are consonant with the Scriptures declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God s gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture s teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal

inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary

Habakkuk: The Christian Standard Commentary Susan Maxwell Booth, 2024-06-15 Habakkuk The Christian Standard Commentary is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book thoughtfully balancing rigorous scholarship with practical application Hebrews, Verse by Verse William Reed Newell, 1978 **Traditional Techniques in Classical Hebrew Verse** Wilfred G. E. Watson, 1994-09-01 Before during and after the preparation of Classical Hebrew Poetry A Guide to its Techniques Wilfred Watson published several articles on Hebrew poetry in a wide range of periodicals The present volume collects together the most significant of these writings including a chapter from a book on chiasmus as well as a few unpublished items After an opening survey of current work on Hebrew verse the articles cover the following topics parallelism including half line parallelism previously almost unnoticed antithesis word pairs chiasmus figurative language and introductions to speech in verse The last section deals with structural devices and a folktale motif in narrative verse hyperbole apostrophe and alliteration Previously unpublished items are on the contribution of ethnopoetics from the study of Native American literature to Hebrew narrative verse a new topic in biblical studies parallelism in the Song of Songs and a metaphor in Jeremiah This anthology is intended as a companion volume to Classical Hebrew Poetry It includes additions and corrections to that book and there are also several indices *Commentary on the Epistle to the Hebrews* Thomas L. Kingsbury, 2023-06-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Theogonie from the Sources of Classical, Hebrew and Christian Antiquity* Ludwig Feuerbach, 2024-05-09 Theogony titled in German Theogonie nach den Quellen des classischen hebr ischen und christlichen Alterthums is one of Feuerbach's largest and core works published in 1857 that lays out his view of history and how his views are a revolutionary breakthrough It is titled after the epic poem by Hesiod of the same name In this work Feuerbach argues that the gods of Greek mythology are projections of human consciousness and that the true essence of religion can only be understood by examining the human mind and its relationship to the natural world He extends this critique of religion to the modern day and uses it to argue against Hegelianism Nietzsche copies this critique early in his

career making the same argument that religion merely is a defense mechanism and morality merely a tool for the weak to restrict the strong Schopenhauer and Nietzsche both took their satirical criticism about religion from Feuerbach and every aspect of Marxism can be found here in Marx's favorite Philosopher Feuerbach is a critical figure in the development of not merely Marxism but Materialistic Humanism in general Feuerbach is critical to understanding Marx Feuerbach's insistence that art mediates human frailty through divine imagery is equally reductive To claim that Phidias's Zeus or Homer's pantheon merely aestheticize vulnerability ignores how these works grapple with paradoxes of power fate and ethics Feuerbach's gods are passive reflections not active symbols inviting interpretation This undermines art's capacity to provoke critical thought reducing it to a therapeutic tool for soothing existential dread His analysis echoes 19th century positivism's arrogance assuming that demystifying religion erases its value rather than engaging why such myths endure across epochs a neo iconoclasm Here we see genocidal Nietzschean undertones which justified the Holodomor religion as a tool for sublimating weakness tempered by Feuerbach's humanism which seeks reconciliation rather than domination Where Nietzsche's Genealogy champions aristocratic revolt Feuerbach envisions communal solidarity Contemporary scholars critique Feuerbach's Eurocentrism and privilege something Marx pointed out Feuerbach's Theogony reduces religion to a psychological crutch arguing that gods are mere projections of human desires a thesis that flattens myth into simplistic wish fulfillment His reading of Homer where Zeus's authority hinges on Achilles' rage collapses divine agency into human emotion dismissing the cultural and symbolic complexity of ancient theology This approach risks intellectual laziness treating myth as a mirror for individual angst rather than a layered system of meaning shaped by collective values historical context and existential inquiry By framing prayer as self-delusion mortals talking to themselves through gods Feuerbach ignores how ritual and narrative create shared identity moral frameworks and communal resilience His materialism strips Myth of its autonomy reducing it to a footnote in humanity's struggle with impotence as Schelling noted philosophy reduced to glands This fully unabridged translation of Ludwig Feuerbach's seminal work brings new clarity to his dense and incredibly specific philosophical prose offering contemporary readers a fresh lens on one of the key thinkers of 19th century philosophy More than just a translation this edition includes carefully curated extra materials designed to clarify Feuerbach's unique place in the genealogy of ideology and relevance today A fresh Afterword focuses on Karl Marx's critical engagement with Feuerbach's ideas revealing the pivotal role Feuerbach played in shaping Marxist thought Also included is a detailed timeline of Feuerbach's life and works as well as a helpful glossary of philosophical terms making this volume an essential resource for students scholars and curious readers alike

[UNDERSTANDING MARK - A COMMENTARY ON THE GOSPEL OF MARK USING ANCIENT BIBLE STUDY METHODS](#) Michael Harvey Koplitz, 2024-05-29 This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study

methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite **A commentary on the Epistle to the Hebrews. Republ. under the care of E. Henderson** Moses Stuart,1834 Hebrews (Catholic Commentary on Sacred Scripture) Mary Healy,2016-08-16 Well respected New Testament scholar and popular speaker Mary Healy unpacks the Letter to the Hebrews making its difficult and puzzling passages accessible to pastoral ministers lay readers and students Her commentary shows how Hebrews reveals the meaning of Christ s death in light of the Old Testament figures rites and sacrifices that foreshadowed it Healy explains that Hebrews when fully understood transforms our understanding of who God is what he has done for us and how we are to live as Christians today *The Comprehensive Commentary on the Holy Bible* William Jenks,1838 *Hiv/Aids Dilemma!* Dr. Sabelo Sam Gasela Mhlanga,2021-01-18 The book explores the fundamental human dignity and respect relating to HIV AIDS positive people who have suffered scorn isolation discrimination and stigma in the society The book suggests a God honoring way to relate to God s image bearers imago dei who have HIV AIDS or any disease that has similar stigma It is out of that aspiration and anticipation of this book to plan and implement a teaching series to the church organizations as Christian response to HIV AIDS The book goes a long way in providing teaching series and resources to garner that goal and objective to treat all people equally with dignity and respect as God s image bearers This book is highly recommended to everyone including Christian teachers leaders and Ministers who desire to see the members of the society treated with dignity and respect as Dr Sabelo Sam Gasela Mhlanga outlines all the fabric social issues patterning to HIV AIDS that hang on the balance and pose a threat to the 21st generation Jeremiah 48 as Christian Scripture Julie Woods,2011-01-01 All Scripture is God breathed and yet some parts seem rather less God breathed than one might imagine or even like The prophecy concerning Moab in Jeremiah 48 is one such text since it appears to equate the Lord s work with bloodshed and curses those who withhold their swords How if at all might such a passage inform the Christian community of faith In this sophisticated study Julie Woods identifies some salient features of Jeremiah s Moab oracle by means of a careful analysis and comparison of both the Septuagint and the Masoretic Text of Jeremiah 48 She also explores the implications of links between the Moab oracles in Jeremiah 48 and Isaiah 15 16 The focus then moves to theological hermeneutics via an examination of some recent Christian interpretations of the oracle from Walter Brueggemann Ronald Clements Terence Fretheim Douglas Jones and Patrick Miller Building on the observations of these scholars and the conclusions reached from her own textual analyses Woods provides an innovative Christian reading of the oracle including two imaginative film scripts to bring the text to life Perhaps one of the more surprising proposals is that Easter is the ultimate horizon of Jeremiah 48 **The Alliance Weekly** ,1928 *American Book Publishing Record* ,1997
