Lewis--The Work of Christ Revealed** P. H. Brazier,2012-08-14 C S Lewis *The Work of Christ Revealed* focuses on three doctrines or aspects of Lewis s theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ [www.cslewisandthechrist.net](http://www.cslewisandthechrist.net) The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work      The Curriculum and Small Group Resource Guide Judy Hamlin,1991      **Christ revealed in title, type, and prophecy, by J.G. **Leviticus Unveiled and Revealed** Jim Taylor, 2016-06-28 There are many who feel that Leviticus is a dry dull and boring book That is not so The gospel is the life the teachings and the cross of Jesus the Son of God The only way that a person in this present age can have the forgiveness of sin and peace with God is through the gospel of Jesus the Son of God The gospel is not dull and boring It is the most read the most cherished the most translated and the most published literature in the entire world However the Law of Moses and the Levitical sacrifices that were part of that law was the gospel of the Israelites It was through the Law of Moses and the Levitical sacrifices that a person who lived before Christ could have the forgiveness of sin and peace with God and therefore it cannot be dull and boring This book is intended to make the book of Leviticus a living book and a very interesting Bible study It will open up the Levitical letter and make it interesting by making it easy to understand The book itself is easy to read and understand It is written in a way that is quite reasonable in other words it just makes sense The purpose of this book is to give a portrayal of the Levitical sacrificial system what the sacrifices meant to the worshipper who offered them their purpose what they accomplished how God viewed them and how they were fulfilled in Christ That is all accomplished by very careful scriptural references that establish the points that are made in the book When a person understands why there were so many different sacrifices such as the burnt offering the meal offering the peace offering the guilt offering the sin offering the trespass offering and others and then he sees that each one of those sacrifices served a different purpose and they were all fulfilled in Christ in different ways Leviticus becomes a book that you just cannot put down **A CATALOGUE OF A VERY INTENSIVE COLLECTION OF BOOKS IN BRITISH**
