## **Hector Macdonald The Story Of His Life:**

*Hector MacDonald* David L. Cromb, 2014-03 This Is A New Release Of The Original 1903 Edition      **Echoes of Success: Identity and the Highland Regiments** Ian Stuart Kelly, 2015-03-31 In *Echoes of Success* Ian Stuart Kelly uses new information about late Victorian Scottish Highland battalions to provide new insights into how groups identify themselves and pass that sense on to successive generations of soldiers Kelly applies concepts from organisational theory the study of how organisations function to demonstrate how soldiers experiences create a blueprint of expected behaviours and thought patterns that contribute to their battalion s continued success This model manages the interplay between public perception and actual life experiences more effectively than current approaches to understanding identity Also Kelly s primary research offers a more certain description of soldiers life faith education and discipline than has previously been available      **Journal of the Royal Colonial Institute** , 1902      *Journal of the Royal Colonial Institute* Royal Colonial Institute (Great Britain), 1902      *Territorial Soldiering in the North-east of Scotland During 1759-1814* John Malcolm Bulloch, 1914      **Aberdeen University Studies** , 1914      **Male Suicide and Masculinity in 19th-century Britain** Lyndsay Galpin, 2022-04-07 This book shows how interpretations of suicidal motives were guided by gendered expectations of behaviour and that these expectations were constructed to create meaning and understanding for family friends and witnesses Providing an insight into how people of this era understood suicidal behaviour and motives it challenges the assertion that suicide was seen as a distinctly feminine act and that men who took their own lives were feminized as a result Instead it shows that masculinity was understood in a more nuanced way than gender binaries allow and that a man s masculinity was measured against other men Focusing on four common narrative types the love suicide the unemployed suicide the suicide of the fraudster or speculator and the suicide of the dishonoured soldier it provides historical context to modern discussions about the crisis of masculinity and rising male suicide rates It reveals that narratives around male suicides are not so different today as they were then and that our modern model of masculinity can be traced back to the 19th century      **The Publisher** , 1901      **British Military Operations in Egypt and the Sudan** Harold E. Raugh Jr., 2008-05-02 The British Army s campaigns in Egypt and the Sudan from 1882 to 1899 were among the most dramatic and hard fought in British military history In 1882 the British sent an expeditionary force to Egypt to quell the Arabic Revolt and secure British control of the Suez Canal its lifeline to India The enigmatic British Major General Charles G Gordon was sent to the Sudan in 1884 to study the possibility of evacuating Egyptian garrisons threatened by Muslim fanatics the dervishes in the Sudan While the dervishes defeated the British forces on a number of occasions the British eventually learned to combat the insurrection and ultimately largely through superior technology and firepower vanquished the insurgents in 1898 *British Operations in Egypt and the Sudan A Selected Bibliography* enumerates and generally describes and annotates hundreds of contemporary current and hard to find books journal articles government documents and personal papers on all aspects of
