Fields of Play in Modern Drama Thomas R. Whitaker, 2015-03-08 Starting from the assumption that all theater is at least implicitly participatory Professor Whitaker approaches thirteen plays from Ibsen's Rosmersholm to Beckett's Endgame and Stoppard's Rosencrantz and Guildenstern Are Dead He asks the reader to commit himself to a variety of points of view those of witnesses actors directors and characters as a series of critical fictions lead him toward the experience of each play in performance The author supplies detailed readings of the plays in various modes The styles of the chapters vary according to the issues dominant in the plays discussed and the reader experiences simultaneously a sense of approaching the meaning of performance and of gaining a deeper understanding of the play through a subtle and allusive commentary Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Unmaking Mimesis Elin Diamond,2003-09-02 Through a series of provocative readings of theatre theory and feminist performance Diamond demonstrates the continuing force of feminism and mimesis in critical thinking today *Action and Consequence in Ibsen, Chekhov and Strindberg* Zander Brietzke,2017-10-13 Henrik Ibsen Anton Chekhov and August Strindberg innovators of modern drama created characters whose reckless pursuits of irrational objectives blind them to better options Ibsen s protagonists in A Doll s House Hedda Gabler and The Master Builder try to bend the world to conform to their personal visions with disastrous results Chekhov s characters refuse to do anything instead dramatizing their lives as if they were actors in a play which they are Rehearsing the intractable squabbles between men and women in The Dance of Death and The Ghost Sonata Strindberg suggests that only in life beyond death can humanity transcend the brutality of existence Together the lives of these characters offer a study of the individual s struggle with modernity The Publishers' Trade List Annual ,1917 **Ibsen, Scandinavia and the Making of a World Drama** Narve Fulsås,Tore Rem,2017-11-16 Henrik Ibsen s drama is the most prominent and lasting contribution of the cultural surge seen in Scandinavian literature in the later nineteenth century When he made his debut in Norway in 1850 the nation s literary presence was negligible yet by 1890 Ibsen had become one of Europe s most famous authors Contrary to the standard narrative of his move from restrictive provincial origins to liberating European exile Narve Fuls s and Tore Rem show how Ibsen s trajectory was preconditioned on his continued embeddedness in Scandinavian society and culture and that he experienced great success in his home markets This volume traces how Ibsen s works first travelled outside Scandinavia and studies the mechanisms of his appropriation in Germany Britain and France Engaging with theories of book dissemination and world literature and re assessing the emergence of peripheral literary nations this book provides new perspectives on the work of this major figure of European literature and theatre Humanizing Business Michel Dion,R. Edward Freeman,Sergiy D. Dmytriiev,2022-05-30 This book is about humanizing business In contrast to the mainstream modern management and leadership literature this book provides distinctly humane perspectives on business The volume travels outside the world of business to explore what Humanities such as Philosophy History Literature Creative Arts and Cultural Studies can offer to business Renowned scholars from different Humanities disciplines as well as management researchers exploring the heritage of Humanities convey what it actually means to make business more humane The book strives to humanize business It aims to show that it

is not people who have to suppress their human feelings aspirations and beliefs when they are at their workplaces but it is business itself that needs to be redefined by the human norms of human beings Companies should care about their employees and other stakeholders letting them be themselves i e be human at work and beyond The book will be of interest to management scholars across various business disciplines It can also be used as teaching material in the classroom with MBA students especially in Business Ethics Business and Society Sustainability Organizational Behavior Human Resource Management and other management courses The volume will also be of interest to scholars that work in different Humanities fields and whose interests span organizations management and business Finally many practitioners in the business world especially those in managerial and leadership positions will find the book both thought provoking and useful for them as well Chapter 37 is available open access under a Creative Commons Attribution 4 0 International License via link springer.com

The Actor's Eye David Downs,1995 Applause Books With this landmark compilation of classes and exercises anyone can afford to be coached by the man whose students are propelled from his legendary classes at Northwestern University to Broadway and Hollywood Acting is as simple as brick laying and as great as Leonardo da Vinci's art writes Downs The Downs approach coaches the actor to make the essential connections between his character and the forces that govern him so that craft is inevitable and art is made possible Playwrights on Playwriting Toby Cole,2001-04-03 For anyone interested in drama Playwrights on Playwriting From Ibsen to Ionesco offers revealing and astute insights on modern theater and the creation of plays The book gathers the opinions and theories of the greatest names in the past 200 years of drama among them Anton Chekhov George Bernard Shaw Federico Garcia Lorca Eugene O'Neill Bertolt Brecht Tennessee Williams Sean O'Casey and Arthur Miller to name a few In the first part of the book Credo's and Concepts the playwrights offer their differing philosophies on the dynamics of theatrical performance and the changes in drama since Aristotle In the second part Creations the same dramatists look at specific plays of their own commenting on their intended goals and the works overall success A unique and enlightening collection Playwrights on Playwriting is an essential resource for the enthusiast of theater

The American Catalogue ,1896 *The American Catalog* ,1896 Irish Women Playwrights, 1900-1939 Cathy Leeney,2010 Irish Women Playwrights 1900 1939 is the first book to examine the plays of five fascinating and creative women placing their work for theatre in co relation to suggest a parallel tradition that reframes the development of Irish theatre into the present day How these playwrights dramatize violence and its impacts in political social and personal life is a central concern of this book Augusta Gregory Eva Gore Booth Dorothy Macardle Mary Manning and Teresa Deevy re model theatrical form re structuring action and narrative and exploring closure as a way of disrupting audience expectation Their plays create stage spaces and images that expose relationships of power and authority and invite the audience to see the performance not as illusion but as framed by the conventions and limits of theatrical representation Irish Women Playwrights 1900 1939 is suitable for courses in Irish theatre women in theatre gender and performance dramaturgy and Irish drama in
