

HEGEMONY, INTERNATIONAL POLITICAL ECONOMY AND POST-COMMUNIST RUSSIA

OWEN WORTH

Hegemony International Political Economy And Post Communist Russia

Gareth Dale

Hegemony International Political Economy And Post Communist Russia:

Hegemony, International Political Economy and Post-Communist Russia Owen Worth, 2017-07-05 This illuminating book explores the neo Gramscian school of international political economy and their conceptualization of global hegemony and furthers these by looking at how the often fragmented society of post Communist Russia can provide insight into the nature and workings of neo liberal global hegemony The volume illustrates how historically Russia has been a unique case in rejecting Western inspired hegemonic projects It outlines how successive governments since the fall of the Soviet Union have attempted often unsuccessfully to integrate Russia into the global economy and identifies the multitude of ideological contestation within Russia It will prove a useful addition to the literature on both post Communist Russian studies and international political economy

Towards the Abyss Volodymyr Ishchenko, 2024-02-27 Nuanced melancholy sophisticated and gratifyingly intimate Yanis Varoufakis author of Technofeudalism Ukrainian politics the Russian invasion and the escalating crisis of the post Soviet world *Towards the Abyss* presents searching analysis of a decade of war and upheaval in Ukraine Volodymyr Ishchenko has been among the left s most significant commentators on Ukraine since 2014 when pro EU protestors toppled the government in Kiev Russia annexed Crimea and pro Russian separatists seized parts of the Donbass One of his first thoughts when he read the news of the full scale Russian invasion on 24 February 2022 was that no matter how the war ends he will no longer have a homeland What has happened in Ukraine ever since the Soviet collapse is a drawn out process of de modernization and the downward spiral is getting faster Ishchenko argues that the conflict being fought in Ukraine with tanks artillery and rockets is the same conflict suppressed by police batons in Belarus and in Russia itself The intensification of the post Soviet crisis the incapacity of an oligarchic ruling class in the territories of the former USSR to sustain political or moral leadership is the root cause of the escalating violence

First the Transition, then the Crash Gareth Dale, 2011-09-12 The 1989 91 upheavals in Eastern Europe sparked a turbulent process of social and economic transition Two decades on with the global economic crisis of 2008 10 a new phase has begun This book explores the scale and trajectory of the crisis through case studies of the Czech Republic Hungary Latvia Poland Russia Ukraine and the former Yugoslavia The contributors focus upon the relationships between geopolitics the world economy and class restructuring The book covers the changing relationship between business and states foreign capital flows financialisation and asset price bubbles austerity and privatisation and societal responses in the form of reactionary populism and progressive social movements Challenging neoliberal interpretations that envisage the transition as a process of unfolding liberty the dialectic charted in these pages reveals uneven development attenuated freedoms and social polarisation

The Longue Durée of the Far-Right Richard Saull, Alexander Anievas, Neil Davidson, Adam Fabry, 2014-08-27 This volume brings together a number of international scholars to offer an original analysis of far right movements and politics challenging the existing literature through a very different methodological and theoretical perspective The approach offered here is that of longue

dure analysis whereby the far right is understood as an evolving subject of capitalist modernity The authors argue that an assessment of the contemporary characteristics of the far right needs to consider the ways in which it is a product of deeper and longer term structures of socio economic and political development than for example the inter war crises of capitalism The book aims to provide a critical and theoretically informed assessment of the history of the far right that centres on the international as key to any understanding its evolution and which distinguishes between the fascist and non fascist variants as an essential precondition for comprehending the far right presence in contemporary politics The Routledge Handbook to Global Political Economy Ernesto Vivares,2020-04-16 The Routledge Handbook to Global Political Economy provides a comprehensive guide to how Global Political Economy GPE is conceptualized and researched around the world Including contributions that range from traditional International Political Economy IPE to GPE approaches the Handbook gathers the investigations varying perspectives and innovative research of more than sixty scholars from all over the world Providing undergraduates postgraduates teachers and researchers with a complete set of traditional contending and regional perspectives the book explores current issues conceptual tools key research debates and different methodological approaches taken Structured in five parts methodologically correlated the book presents GPE as a field of global regional and national research historical waves and diverse ontological axes major theoretical perspectives beyond traditional perspectives regional inquiries research arenas Carefully selected contributions from both established and upcoming scholars ensure that this is an eclectic pluralist and multidisciplinary work and an essential resource for all those with an interest in this complex and rapidly evolving field of study **Georgia from National Awakening to Rose Revolution** Jonathan Wheatley,2017-05-15 Jonathan Wheatley examines the tortuous process of regime change in Georgia from the first pro independence protests of 1988 to the aftermath of the so called Rose Revolution in 2004 It is set within a comparative framework that includes other transition countries particularly those in the former Soviet Union The book provides two important theoretical innovations the notion of a regime which is an under theorized concept in the field of transition literature and O Donnell Schmitter and Karl s notion of a dynamic actor driven transition The volume turns to the structural constraints that framed the transition in Georgia and in other republics of the former Soviet Union by looking at the state and society in the USSR at the close of the Soviet period It examines the evolution and nature of the Georgian regime and ultimately addresses the theoretical and empirical problems posed by Georgia s so called Rose Revolution following the falsification of parliamentary elections by the incumbent authorities *The Russian Democratic Party Yabloko* David White,2006 Amid growing concern with President Putin s centralization and control this important volume examines the gradual electoral decline of Russia s leading liberal party the Yabloko Party It provides fascinating insights into the role of opposition the development of the party system and above all the quality of democracy in Russia under President Putin

Russian-Belarusian Integration Alex Danilovich,2018-02-06 Russian domestic politics has long been both labyrinthine

and pragmatic at once both inordinately complex and breathtakingly dynamic The same can be said of Russia's foreign policy in particular in relations with former Soviet republics Any study of Russian foreign policy comes back to the intriguing question of why Russia long perceived as an inveterate imperial power would refuse to take back a handsome portion of its former empire a portion that offers a bridge to Europe and an advantageous geostrategic position Despite formal declarations Russia has made little progress in achieving union with its ex Soviet neighbour Belarus Linking Russia's foreign policy to its domestic politics Alex Danilovich clarifies this paradox and explains why specific attempts to reunify Russia and Belarus failed contrary to the desires of significant forces on both sides and to certain theory based expectations **States,**

International Organizations and Strategic Partnerships Lucyna Czechowska, Andriy Tyushka, Agata Domachowska, Karolina Gawron-Tabor, Joanna Piechowiak-Lamparska, 2019 In post Cold War international relations strategic partnerships are an emerging and distinct analytical and political category critical in understanding the dynamics of contemporary strategic cooperation between states and International Organizations However the idea of strategic partnerships has remained under theorized and overshadowed by the alliance theory Addressing this clear cut gap in the International Relations Foreign Policy Analysis literature this book originally endeavors to theorize and empirically test the analytical model of strategic partnerships as a new form of sustainable international cooperation in times of globalized interdependence and turbulence **Globalization and the 'New' Semi-Peripheries** O. Worth, P. Moore, 2009-08-14 This collection re examines and re assesses the role of the semi periphery in world politics and argues that the processes of globalization have led us to widen our understanding of the semi periphery through a range of case studies as well as theoretical chapters

The SAGE Handbook of Neoliberalism Damien Cahill, Melinda Cooper, Martijn Konings, David Primrose, 2018-02-26 Over the last two decades neoliberalism has emerged as a key concept within a range of social science disciplines including sociology political science human geography anthropology political economy and cultural studies The SAGE Handbook of Neoliberalism showcases the cutting edge of contemporary scholarship in this field by bringing together a team of global experts Across seven key sections the handbook explores the different ways in which neoliberalism has been understood and the key questions about the nature of neoliberalism Part 1 Perspectives Part 2 Sources Part 3 Variations and Diffusions Part 4 The State Part 5 Social and Economic Restructuring Part 6 Cultural Dimensions Part 7 Neoliberalism and Beyond This handbook is the key reference text for scholars and graduate students engaged in the growing field of neoliberalism *The International Political Economy of Transition* Stuart Shields, 2014-10-03 This book explores the role played by state and multinationals in shaping transition It uniquely integrates issues of globalisation and transnationalism into the analysis of post communism This book will be of interest to students and researchers of transition postcommunism political economy and European politics

Gramsci and Global Politics Mark McNally, John Schwarzmantel, 2009-03-09 The aim of this book is to explain and assess the relevance of the ideas of Gramsci to a world fundamentally transformed

from that in which his thought was developed. It takes some of Gramsci's best known concepts: hegemony, civil society, passive revolution, the national popular, *trasformismo*, the integral state, and uses them creatively to analyse features of present day politics, assessing to what extent his ideas can aid our understanding of the contemporary political world. The book contains essays focused on aspects of global politics, the development of a global civil society, the validity of the knowledge claims of neo-Gramscian IR specialists and the politics of the WTO and the Alternative Globalisation Movement, contemporary feminism, the problem of adjusting Gramsci's theory of political agency to modern conditions, Turkish and Israeli politics, and a series of essays on present day British politics. The book concludes that while there remain considerable problems in applying Gramsci's concepts to the contemporary world, his political thought still retains an attraction and validity that will continue to inspire political analysts well into the future.

Bringing together a range of essays representing some of the latest research in the field, *Gramsci and Global Politics: Hegemony and Resistance* opens up new perspectives on Gramsci which will be of vital interest to students and scholars in International Relations and Political Science, Sociology and History.

Resistance in the Age of Austerity Owen Worth, 2013-04-11 In November 1999 the first protests associated with the anti-globalisation movement took place in Seattle and came to be seen as the starting point for globalised resistance to neoliberal capitalism. Despite initial optimism, the following years have seen little progress in formulating a coherent alternative to neoliberalism, a failure that has become particularly poignant in the aftermath of the recent credit crisis. Now the neoliberal mandate that appeared to be in crisis in just 2008 has reinvented itself through the guise of a new era of austerity. In this timely book, Worth assesses the growing diversity of resistance to neoliberalism: progressive, nationalist and religious, and argues that troublingly, the more reactionary alternatives to globalisation currently provide just as coherent a base for building opposition as those associated with the traditional left-wing anti-globalisation movements. From the shortcomings of the Occupy movement to the rise of Radical Islam, the re-emergence of the far right in Western Europe to the startling impact of the Tea Party in the US, Worth shows that while a progressive alternative is possible, it cannot be taken for granted.

Postcapitalist Futures Adam Fishwick, Nicholas Kiersey, 2021-05-20 This book critically engages with the proliferation of literature on postcapitalism, which is rapidly becoming an urgent area of inquiry both in academic scholarship and in public life. It collects the insights from scholars working across the field of Critical International Political Economy to interrogate how we might begin to envisage a political economy of postcapitalism. The authors foreground the agency of workers and other capitalist subjects and their desire to engage in a range of radical experiments in decommodification and democratisation both in the workplace and in their daily lives. It includes a broad range of ideas, including the future of social reproduction, human capital, circulation, political Islam, the political economy of exclusion and eco-communities. Rather than focusing on the ending of capitalism as an implosion of the value-money form, this book focuses on the dream of equal participation in the determination of people's shared collective destiny.

What went wrong with Britain? Steven Kettell, Peter Kerr, Daniela Tepe, 2025-07-22 A

unflinching audit of the damage done by fourteen years of Conservative government What went wrong with Britain presents a comprehensive account of the devastating legacy left by the Conservative government Shining a light into every dark corner the book exposes the full extent of the damage inflicted on the country s economy social fabric and political integrity When the Conservatives were voted out of government in July 2024 they left behind a miserable record of rising poverty inequality and division This book reveals the forces that have driven the country to the point of crisis from austerity and economic mismanagement to sheer political dysfunction Each chapter offers new insights into the far reaching consequences of government policies that prioritised ideology personal ambition and party politics over the public good Examining the rise of populism the politics of Brexit the UK s response to the pandemic and the steady erosion of public trust this shocking account of the legacy of Conservative government from 2010 to 2024 is a must read for anyone who wants to understand exactly what went wrong with Britain *Nordic Neoliberalisms* Jenny Andersson,Chris Howell,2025-04-08 Drawing on a cross disciplinary perspective from history and social science this book examines what is common to neoliberalism and where it differs in four Nordic countries across four key sectors of liberalization capital markets labor markets industrial relations and the welfare state Assessing its scope and forms the actors involved processes and mechanisms and how it has been experienced by citizens and consumers the book offers accounts of the historical antecedents of neoliberalism in the Nordics as well as studies of it as lived experience through a fundamentally transformed relationship between citizens and the market and between welfare and the state It asserts that neoliberalism both shapes and adapts to the political economic terrain into which it is introduced to form a hybrid relationship of market ideology with distinct indigenous political cultures and political institutions This book is of key interest to scholars and students of Nordic studies neoliberalism political economy and more broadly to contemporary modern history sociology comparative politics European History and the welfare state The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *New Perspectives on International Comparative Literature* Cao Shunqing,Theo D'haen,Liang Chang,Zhou Shu,2022-07-25 Bringing together 17 articles by renowned scholars from around the globe this volume offers a multi dimensional view of comparative and world literature Drawing on the scope of these scholars collective intellects and insights it connects disparate research contexts to illuminate the multi dimensional views of related areas as we step into the third decade of the 21st century The book will be of particular interest to scholars working in comparative literary and cultural studies and to readers interested in the future of literary studies in a cross culturized world **Variegated Neoliberalism** Huw Macartney,2010-12-15 Variegated Neoliberalism provides comparative analyses of global and European banking communities and economic research centres in the UK France and Germany It explains the current neoliberal order in global finance and the realms of possibility for challenges to it *Globalisation and Labour Struggle in Asia* Phoebe Moore,2007-06-29 How has South Korea s development influenced and been influenced by

world events What light can it shed on the way that international struggles for hegemony affect local environments Phoebe Moore seeks to address these questions critically from the perspective of International Political Economics and so provides important insight into one of the fastest growing Asian economies She examines the neo Gramscian school theories that world history reveals specific periods of hegemonic stability such as during the post World War II period of Pax Americana and refutes this position through an original account of Korean development Instead she observes that all economic development in this country has been carried out through passive revolution driven by an elite frequently supported by external forces against the will of a large part of the population namely the working classes Moore draws out the relationships between socio economic change passive revolution hegemony struggles and global politics making this a key resource for Asian political economics labour relations and international politics

Hegemony International Political Economy And Post Communist Russia Introduction

In today's digital age, the availability of Hegemony International Political Economy And Post Communist Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hegemony International Political Economy And Post Communist Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hegemony International Political Economy And Post Communist Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hegemony International Political Economy And Post Communist Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hegemony International Political Economy And Post Communist Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hegemony International Political Economy And Post Communist Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Hegemony International Political Economy And Post Communist Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hegemony International Political Economy And Post Communist Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hegemony International Political Economy And Post Communist Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Hegemony International Political Economy And Post Communist Russia Books

What is a Hegemony International Political Economy And Post Communist Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Hegemony International Political Economy And Post Communist Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Hegemony International Political Economy And Post Communist Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Hegemony International Political Economy And Post Communist Russia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online

converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Hegemony International Political Economy And Post Communist Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
