Macht und Makel der Bilder Jacques Picard, 2024-09-23 Bilder machen seit jeher einen Unterschied Kunst als Trägerstoff von Emotionen religiöser kultischer oder kollektiver Art kommt eine wichtige Rolle bei der machtvollen Verwandlung

von Welt zu Vom Makel des Kultes oder des Götzendienstes behaftet zu sein oder durch die Inkarnation von Ideen und des Transzendenten erst das Leben und Kunstwerke zu ermöglichen in dieser Spannung geht bis heute der Streit um die Macht der Bilder. Auf zahlreichen Leinwänden von der Antike bis zur Moderne wird diese Spannung in religiösen und weltlichen Lebenszusammenhängen kritisch anschaulich. Hollywood's Melodramatic Imagination Geoff Mayer, 2021-12-22 Melodrama is the foundation of American cinema. It is however a poorly understood term. While it is a pervasive and persuasive dramatic mode, it is not tied to any specific moral or ideological system. It is not a singular genre; rather, it operates as a genre-generating machine capable of determining the aesthetics and structure of the drama within many genres. Melodrama centers the conflict around the clash between good and evil and provides a sense of poetic justice, but the specific values embedded in notions of good and evil are determined by the culture and they shift from nation to nation, region to region, and period to period. This book explores the populist westerns of the 1930s, the propaganda films that followed the Japanese attack on Pearl Harbor, and the popularity of Sax Rohmer's master villain Fu Manchu. Melodramas of passion and film noir also offer a challenge to melodrama with its seemingly alienated protagonists and downbeat endings. Yet with few exceptions, Hollywood was able to assimilate these genres within its melodramatic imagination. **Films**, 1939. **Women Comedians in the Digital Age** Alex Symons, 2022-12-30 This book offers a thorough examination of digital work by women comedians in the US, exploring their use of digital media to perform jokes, engage with fans, remake their reputations, and become political activists. This book argues that despite its many adverse effects, digital work is changing comedy, empowering women to create new comic forms and negotiate the contentious political climate incited by former President Donald J. Trump. Chapters are focused on video, podcasting, TikTok, Twitter, Instagram, YouTube, and the streaming platform Netflix, each containing informative case studies on significant women comedians who use them, including Sarah Silverman, Amy Schumer, Leslie Jones, Mindy Kaling, Colleen Ballinger, Lilly Singh, Ms. Pat, Whitney Cummings, Issa Rae, and others. To understand their strategies, this book examines the popularity of their digital content, their career outcomes in television and film, as well as the ups and downs of their critical reputations in magazines, newspapers, the trade press, and with their participatory audiences online. This insightful and timely work will appeal to scholars researching and teaching in the areas of media studies, digital communication, gender studies.
