Heinrich Von Kleist Studies

Timothy J. Mehigan

Heinrich Von Kleist Studies:

Heinrich Von Kleist John Martin Ellis, 1979 Ellis's book confronts directly the most central issue of Kleist criticism the essential nature and meaning of his work Rather than provide a general survey of Kleist's writings Ellis performs an analysis of six of his most mature works *Der Findling* *Die Marquise von O* *Das Erdbeben in Chili* *Der Zweikampf* *Michael Kohlhaas* and *Prinz Friedrich von Homburg* Ellis draws some general conclusions about the uniquely Kleistian character of these six works which are at sharp variance with previous Kleist criticism

Heinrich Von Kleist. Studies in His Works and Literary Character Walter Silz, 1961

Heinrich von Kleist John M. Ellis, 2020-05-01 Ellis's book confronts directly the most central issue of Kleist criticism the essential nature and meaning of his work Rather than provide a general survey of Kleist's writings Ellis performs an analysis of six of his most mature works *Der Findling* *Die Marquise von O* *Das Erdbeben in Chili* *Der Zweikampf* *Michael Kohlhaas* and *Prinz Friedrich von Homburg* Ellis draws some general conclusions about the uniquely Kleistian character of these six works which are at sharp variance with previous Kleist criticism

Heinrich Von Kleist, 1962

Heinrich von Kleist John Gearey, 2017-11-15 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

Heinrich Von Kleist: Writing After Kant (Studies in German Literature, Linguistics, and Culture) Timothy J. Mehigan, 2011 Kleist viewed anew as a major contributor to the tradition of post Kantian thought The question of Heinrich von Kleist's reading and reception of Kant's philosophy has never been satisfactorily answered The present study aims to reassess this question particularly in the light of Kant's rising importance for the humanities today It argues not only that Kleist was influenced by Kant but also that he may be understood as a Kantian albeit an unorthodox one The volume integrates material previously published by the author now updated with new chapters to form a greater whole What results is a coherent set of approaches that illuminates the question of Kleist's Kantianism from different points of view Kleist is thereby understood not only as a writer but also as a thinker one whose seriousness of purpose and clarity of design compares with that of other early expositors of Kant's thought such as Reinhold and Fichte Through the locutions and idioms of fiction and the essay Kleist becomes visible for the first time as an original contributor to the tradition of post Kantian ideas Tim Mehigan is Professorial Chair of German in the Department of Languages and Cultures at the University of Otago New Zealand and Honorary Professor in the School of Languages and Comparative Cultural Studies at the University of Queensland Australia

Heinrich Von Kleist's Poetics of Passivity (Studies in German Literature, Linguistics, and Culture) Steven R. Huff, 2009 This book scrutinizes for the first time a key element in Kleist's thought and poetic process his obsession with the problem of passivity Scholars have long been attracted to the dynamic larger than life characters in Kleist's fiction and drama overlooking the fact that Kleist's works often turn on

moments of stasis as these same protagonists are suddenly and sometimes brutally rendered passive Through a careful historically grounded and original investigation incorporating extensive primary research in late Enlightenment natural philosophy and eighteenth century medical practices the study sheds light on these nodal points in Kleist's work contending that these structures of passivity are so pervasive and so systematic in his work that they can justifiably and profitably be viewed as constituting a kind of poetics

BOOK JACKET **Heinrich Von Kleist and Modernity (Studies in German Literature, Linguistics, and Culture)** Bernd Fischer, Timothy J. Mehigan, 2011 New essays employing a multitude of approaches to the works of Kleist in the process shedding light on our present modernity Modernity according to some views poses the problem of homo politicus the problem of how to act in a moral universe without a master narrative without a final foundation From this angle the oeuvre of Heinrich von Kleist novellas dramas and essays addresses problems emerging from a new universe of Kantian provenance in many ways the same universe we inhabit today This volume of new essays investigates Kleist's position in our ever changing conception of modernity employing aesthetic narrative philosophical biographical political economic anthropological psychological and cultural approaches and wrestling with the difficulties of historicizing Kleist's life and work Central questions are To what extent can the multitude of breaking points and turning points endgames and pre games ruptures and departures that permeate Kleist's work and biography be conceptually bundled together and linked to the emerging paradigm of modernity And to what extent does such an approach to Kleist not only advance understanding of this major German writer and his work but also shed light on the nature of our present modernity Contributors Seán Allan Peter Barton Hilda Meldrum Brown David Chisholm Andreas Gailus Bernhard Greiner Jeffrey L High Anette Horn Peter Horn Wolf Kittler Jonathan W Marshall Christian Moser Dorothea von Mücke Nancy Nobile David Pan Ricarda Schmidt Helmut J Schneider Bernd Fischer is Professor of German at the Ohio State University Tim Mehigan is Professor of German in the Department of Languages and Cultures at the University of Otago New Zealand *The Plays of Heinrich von Kleist* Seán Allan, 1996-07-26 This is a new and accessible study of the plays of Kleist 1777 1811 an important and much studied author whose work has been highly influential in contemporary German writing Seán Allan examines Kleist's critique of the aspirations of both Enlightenment and Romantic metaphysics and offers resolutions of a number of long running controversies in Kleist criticism The book contains summaries of the state of research on all the plays All quotations are given in both German and English and full references are given to published English translations of Kleist's works as well as to the German originals **Heinrich Von Kleist: Writing After Kant (Studies in German Literature, Linguistics, and Culture)** Timothy J. Mehigan, 2011 Kleist viewed anew as a major contributor to the tradition of post Kantian thought

Prisons and Idylls Linda Dietrick, 1985 Based on the author's thesis Ph D University of Toronto 1983 **A Companion to the Works of Heinrich Von Kleist** Bernd Fischer, 2003 For over 150 years Heinrich von Kleist 1777 1811 has been one of the most widely read and performed German authors His status in the literary canon is firmly established but he has

always been one of Germany's most contentiously discussed authors. Today's critical debate on his unique prose narratives and dramas is as heated as ever. Many critics regard Kleist as a lone presager of the aesthetics and philosophies of late nineteenth and early twentieth century modernism. Yet there can be no question that he responds in his works and letters to the philosophical, aesthetic, and political debates of his time. During the last thirty years, the scholarship on Kleist's work and life has departed from the existentialist wave of the 1950s and early 1960s and opened up new avenues for coming to terms with his unusual talent. The present volume brings together the most important and innovative of these newer scholarly approaches; the essays include critically informed up-to-date interpretations of Kleist's most discussed stories and dramas. Other contributions analyze Kleist's literary means and styles and their theoretical underpinnings. They include articles on Kleist's narrative and theatrical technique, poetic and aesthetic theory, philosophical and political thought, and insights from new biographical research. Contributors: Jeffrey L. Sammons, Jost Hermand, Anthony Stephens, Bianca Theisen, Hinrich C. Seeba, Bernhard Greiner, Helmut J. Schneider, Tim Mehigan, Susanne Zantop, Hilda M. Brown, and Se-n Allan. Bernd Fischer is Professor of German and Head of the Department of German at Ohio State University. Studies in German Literature of the Nineteenth and Twentieth Centuries, Siegfried Mews, 2020-05-01. Twenty-one distinguished American Germanists pay tribute to F. E. Coenen, previous longtime editor, 1952-1968, of UNC Press *Studies in Germanic Languages and Literatures* series. Their essays, reflecting a variety of approaches, deal with many major figures: Goethe, Kleist, Droste H. Lshoff, Keller, Nietzsche, Rilke, Kafka, Hesse, Brecht, Thomas Mann, Musil, and some minor figures who have influenced the literary scene after 1800 and add significantly to both scholarship in and interpretation of modern German literature. **The Ethics of Life and Death with Heinrich Von Kleist**, Joseph O. Baker, 1992. The writings of Heinrich von Kleist continue to inspire German readers and theatergoers after nearly 200 years but are still relatively unknown to English speakers. Yet his search for values and his response to stress, confusion, and the ambiguity of life's messages is curiously appropriate today. This work explores Kleist's quest for truth and ethics. His response to feelings of depression, failure, and even suicide is instructive and satisfying for present-day readers. *Encyclopedia of the Essay*, Tracy Chevalier, 2012-10-12. This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic such as sermons, aphorisms, individual major works, notable writers, and periodicals that created a market for essays and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings, list of additional readings, and anthologies. *Political Change and Human Emancipation in the Works of Heinrich Von Kleist*, Elystan Griffiths, 2005. Challenges traditional views of Kleist by situating his work in relation to the political and philosophical debates of his age. The German writer Heinrich von Kleist (1777-1811) was an unconventional and often controversial figure in his own day and has remained so. His ideas on art, politics, and

gender relations continue to challenge modern readers and his complex and radically open texts remain the object of vigorous scholarly debate Kleist has often been portrayed as a poet without a society whose writing served as escape from the realities of his social environment This new study challenges such a view by situating Kleist in relation to the central political and philosophical debates of his momentous age The study first establishes the German and Prussian context of Kleist's day and then provides a short introduction to Kleist's life here seen in particular relation to the political world Developing his argument in relation to Kleist's literary work and essays in a series of close readings Elystan Griffiths shows how Kleist's writings responded to four pressing political issues the relationship of national culture and the state education and social reform the theory and practice of war and administration and the delivery of justice Griffiths sheds fresh light on Kleist's writing by placing emphasis on its intricacy and rich ambiguity which are often simplified or overlooked in political studies of Kleist Thus Griffiths furthers the critical understanding of Kleist's political thinking by uncovering crucial tensions between a pragmatic readiness for compromise and a utopian longing for freedom and truth Elystan Griffiths is a Research Fellow in the Department of German Studies at the University of Birmingham

Law and Literature Richard A. Posner, 2009-04-30 First edition published in 1988 Law and literature a misunderstood relation revised and enlarged edition published in 1998

The Stories of Heinrich Von Kleist Seán Allan, Sean D. Allan, 2001 New and insightful interpretations of the controversial stories of Heinrich von Kleist

The Plays of Heinrich von Kleist Seán Allan, 2006-03-16 This is a new and accessible study of the plays of Kleist 1777-1811 an important and much studied author whose work has been highly influential in contemporary German writing Seán Allan examines Kleist's critique of the aspirations of both Enlightenment and Romantic metaphysics and offers resolutions of a number of long running controversies in Kleist criticism The book contains summaries of the state of research on all the plays All quotations are given in both German and English and full references are given to published English translations of Kleist's works as well as to the German originals

Studies in the German Drama Donald H. Crosby, George C. Schoolfield, 2020-05-01 Sixteen of his former colleagues and students join in this volume in honoring Walter Silz Concentrating on a single theme the German drama this volume contains essays and interpretations of plays ranging from Hrotsvit von Gandersheim to Bertolt Brecht Eight of the sixteen essays deal with dramas from the area of Silz's main concentration the nineteenth century Also included are a tribute to Silz and a bibliography of his writings

Heinrich Von Kleist Studies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Heinrich Von Kleist Studies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Heinrich Von Kleist Studies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Heinrich Von Kleist Studies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and

verify the authenticity of the source before downloading Heinrich Von Kleist Studies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Heinrich Von Kleist Studies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Heinrich Von Kleist Studies Books

1. Where can I buy Heinrich Von Kleist Studies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Heinrich Von Kleist Studies book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Heinrich Von Kleist Studies books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Heinrich Von Kleist Studies audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Heinrich Von Kleist Studies books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
