Hell And Destruction:

Hell's Destruction Catherine Ella Laufer,2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ s descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ s descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ s descent means that he is truly hell s destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith The 111th New York Volunteer Infantry Martin W. Husk,2010-03-08 This regimental history follows the 111th New York Volunteer Infantry s service from muster through victory Drawing on many first hand accounts and primary sources it provides details on the towns from which the regiment was organized and the backgrounds of the men who served in its ranks Battles in which the regiment fought including Harpers Ferry Gettysburg and Petersburg are covered in detail with close unit level coverage as well as information on the overall strategy and the regiment s place in the greater conflict An appendix covers in depth the October 1864 capture of 83 111th soldiers by the Confederacy and their subsequent imprisonment during which many died from hunger and disease **“Everlasting Destruction”: 2 Thess. Commentary Augustus Lawrence Gräbner, Louis Wessel, 1920 **Christ Triumphant** Thomas Allin, 2015-06-08 I plead for the acceptance of this central truth as the great hope of the gospel that the victory of Jesus Christ must be final and complete i e that nothing can impair the power of his cross and passion to save the entire human race Thomas Allin In 1885 the Rev Thomas Allin waded into the debates on final punishment that had plagued the Church of England during the nineteenth century His contribution was a radical book that sought to demonstrate that reason tradition and Scripture all affirm that God will one day redeem his whole creation through Jesus Christ Universal salvation he maintained was the only way to coherently affirm the victory of God over evil Allin s book is one of the first detailed attempts to show that global salvation was not some modern heresy but an ancient Christian tradition with a serious claim to catholicity and orthodoxy Turning the tables on the critics Allin boldly argued that universalism far from being dangerous was actually needed to defend the orthodox faith of the church This new edition of Allin s classic work includes an introduction that sets it in its historical context the addition of subtitles to help readers navigate the argument and numerous explanatory annotations *Life in Christ* William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it A Resurrection to Immortality William West, 2011 Life is the most important possession we have Without it there is nothing Only by the resurrection at the second coming of Christ will anyone have life after death After the resurrection the fate of those who are in Christ 1 Eternal life Romans 6 23 2 Shall inherit eternal life Matthew 19 29 3 After the judgment they shall go away into eternal life Matthew 25 46 4 Will have eternal life John 3 5 5 Christ will raise them up on the last day John 6 40 6 Will be immortal after the resurrection 1 Corinthians 15 51 56 7 Will have incorruption 1 Corinthians 15 42 8 Will have glory 1 Corinthians 15 43 9 Will be like Christ We shall be like him for we shall see him even as he is 1 John 3 2 10 Are heirs according to the hope of eternal life Titus 3 7 11 Will have a spiritual body 1 Corinthians 15 44 12 And as we have borne the image of the earthly The earthly flesh and blood body of Adam was made to live on this earth but it cannot inherit the kingdom of God 1 Corinthians 15 50 we shall also bear the image of the heavenly

Two Views of Hell Edward William Fudge,Robert A. Peterson,2000-04-10 Here you ll find a frank debate between Edward William Fudge and Robert A Peterson who present strong theological and scriptural evidence for two opposing views of the nature of hell **Hellfire and Destruction** Paul Marston,2023-12-13 To those of us who believe in the inspiration and authority of the Bible it must surely be a concern to know what it says will happen to the millions around us some of whom we love dearly who die without repentance or faith Does Scripture teach that at the last judgment those who remain unrepentant will be consigned to an unending existence of torment without hope Is that truly what Jesus and his apostles believed and taught This book presents basic evidence that what they really taught was that the final judgmental end for such people will be destruction taking its obvious meaning that they will cease to exist as conscious individuals The arguments are not complex because most of the New Testament writers make plain statements to this effect The book also looks at those parables and Revelation passages sometimes taken to indicate unending torment It links with academic works that in increasing numbers are making the same points but the book is not a contribution to academic scholarship Rather it is a careful readable and accessible account to challenge pastors church leaders and Christians generally to consider what the Bible actually says rather than rely on tradition **From Darkness Into Light, Or, Bible Mysteries Unfolded** James T. Haley,1911 *The spiritual diary of Emanuel Swedenborg, Tr. by G. Bush and J.H. Smithson (and J.F. Buss).* Emanuel Swedenborg,1889 *Synonyms of the Old Testament* Robert Baker Girdlestone,1897 Revelation J. Ramsey Michaels,1997-09-22 Interpretations of the book of Revelation abound However many of these interpretations fail to take seriously what John saw and consequently fail to comprehend the value of Revelation to Christians in any age J Ramsey Michaels strives to recapture Revelation as a prophetic letter of testimony a testimony relevant to the church today

Hyper-Calvinist Universal Salvation Jeff Grupp, 2024-05-30 There are still big theological discoveries to be found when digging into Scripture Hyper Calvinist Universal Salvation unearths a few of them most notably a previously undiscovered theology in Scripture where the mysterious entity referred to in the book of Revelation as the Lake of Fire is found to be another name for GOD who according to Scripture will save all condemned and unchosen human souls that were ever created at the Eschaton end of the world when he will immolate them in the core of his Consuming Fire Lake of Fire to save them by Fire 1 Cor 3:15 This theology and this understanding of the Eschaton free from any of the so called Bible contradictions such as a GOD of infinite love torturing people in hell in infinite cruelty forever to name one unveils an elegant Hyper Calvinistic systematic theology lurking throughout Scripture especially in the copious and often passed over prophecy passages that glut the Bible where the unchosen condemned have their condemnation reversed by the GOD of infinite love at the Eschaton
