Hell In The Heavens:

Hell's Heaven Anthony Florence,2021-08-26 My life started in the ghetto of Roxbury Massachusetts a mile away from the drug infested neighborhood where Bobby Brown came up My father left our family when I was one My mother had five children one of whom died in early childhood My mother struggled every day to feed us I m sure many times not feeding herself A lot of our food and Christmas toys came from the government Despite all her struggles my mother did everything in her power to give me an academic edge After I won the Boston Mayor s Award for academics when I graduated from the sixth grade my mother colluded with a white family to put me on an academic and cultural Rocketship This was the point where I had to begin to navigate my path mostly on my own as my mother s knowledge and experience regarding my new world was very limited All I could do was to try to hold on I attended the University of Massachusetts and a computer electronics class at Benjamin Franklin Institute where IBM hired me After 20 years in the world of high technology I became disillusioned with corporate life and moved with my family to Costa Rica where I had the pleasure of meeting a man named Dr Deepak Chopra who contacted me and invited my wife and I to join him at his private lunch with the presidential candidate of Costa Rica during his one day conference How People always ask me Why after 17 years did you return from the paradise of Costa Rica to the U S This is my true story The Conservator ,1912 **The Four Doctrines with the Nine Questions ...** Emanuel Swedenborg,1904

THE FIFTH GOSPEL OF THE NEW JEW Bobby Murphy,2014-07-30 Is not praying to a saint an abomination that has made the Catholic church as desolate as its counter part the protestants and their abominable churches Indulgencies started the down fall of the church in the seventh century Now it is the Rosary or Novena in praying to Saints which started in the 13th century and is still continuing God forbid Mary cannot be the Queen of Heaven because Jesus is her son And if Mary is the Queen of Heaven than incest has occurred in Heaven by the Living God God forbid Jesus is the King of Heaven and the church is His queen Glory to God **The Real Proof of Heaven** Sam

Opata,2021-05-07 There is indeed a Heaven Heaven it is said is the quintessential place for only clean souls that had earlier experienced the earth Though the general assumption is that only dead people can have access to this Gorgeous place humans have been inside it and the Bible says so Heaven however is not what the Church has made it out to be For the Church Heaven is a tool The Bible tells us what Heaven is but the Church interprets Heaven to be what they want it to be In The Real Proof of Heaven What Where Is It we take you on a profound journey into the heart of ancient mind set and practices revealing a breathtaking hidden reality that will transform your life forever and in many ways We will literarily take you to Heaven We are able to take you to the real Heaven because the Ages are exposing the hidden secrets to Mankind You will see and understand what Heaven is Far from offering simple interpretations platitudes and general principles The Real Proof of Heaven What Where Is It drags you out of the surprisingly archaic thinking that gave us the biblical Heaven in the world of the ancients through various ages while using modern knowledge as a guide Yes you will literarily see Heaven as it

is because Heaven is as real in the Bible as it is real today It is physical It is out there floating in space as one of the biggest spaceships unlimited and uninhibited by space Heaven is in this universe in this dimension and with time someday humans will start to interact with it While presenting you with all the incredible evidence to support this you will discover for yourself that modernity has not put a dent in how or what the ancients thought believed and worshipped compared to religious practices of modern people They were are the same concepts as people older than us have inferred in their ancient testimonies The perspectives between the old and new are still the same even while modern peoples spin the same old practices as if it has been koshered It will be disheartening that many people will have to go to their graves believing what they believe a lie The biggest lies of them all a Heaven and a Hell Religious texts must be radically and truthfully interpreted as the Ages open up its hidden knowledge to Mankind Misinterpretation is one reason the pages seem lost on theistic ears already dejected listening to the words coming out of the mouth of a preacher who is struggling to make a story line out of the texts written thousands of years ago Millions of people have believed in teachings that were intended for disinformation They believed because in the eyes of the innocent the teachings appear to be convincing and true If you don't believe their teachings they convince you that there is a thing called faith When that fails they describe your culture and practices as paganism and Satanism They make you feel less of a human and even threaten your well being and life They are succeeding especially with the promise of Heaven or Hell in an afterlife as your only two choices Any attempt and indeed all the attempts to convince you and me one way or the other about a proof of a Heaven is disingenuous and will remain disingenuous There is no way as a material being that you could interpret the immaterial It is near impossible It is even crazy to try and think of it Whether they say it is by Near Death Experience NDE don't cut it It does not work that way Near death experiences is not death A near miss after shooting a game is not same as a kill Near death experiences are not the real transformation to another dimension If a bird dodged my catapult shot the bird was not near death The bird might not even know that it has been shot at Death is death not near death Near death experiences are like experiences between dreams and lives you don't know what dimension you were in in both experiences until you wake up

The Works of George Swinnock ... What is reality What is existence Does existence cease to exist Reality is hard to pin down to one definition Existence is being Existence is being aware Existence does not cease to exist And it all depends on reality your reality The very word existence should describe the only real thing that exists in the universe and beyond Consciousness Consciousness alone and nothing else Everything is conscious even if you do not see it The earth rotates Movement indicates that the earth is doing exactly what was intended

for it to do What makes it rotate The sun shines brightly always The moon shines brightly too in the night It is like clockwork It just happens It is programmed to happen like that It is consciousness at work Some call it nature the forces of nature they would chime in But nature is following a script a prewritten software Nature cannot change this script Nothing can change this script of a software for our earth planetary system and indeed the universe because the program is set from the beginning If you can understand that well you are welcome to a world created for the enjoyment of Consciousness If you think about it the universe seems to have been synchronized by an intelligence science is yet able to put a finger on Perhaps Thomas H Huxley a biologist and humanist said it best below It seems to me that there is a third thing in the universe to wit consciousness which I cannot see to be matter or force or any conceivable modification of either **You Are in the Bible** Carole M. Lunde,2008-04-27 How can it be that you are in the Bible It is a mirror in which you can see yourself The Apostle Paul said we would see dimly at first and then face to face When you spiritually interpret what you read in the Bible you will more clearly understand your amazing relationship to God The Bible is an enjoyable reference book for your life once you have some tools with which to bring to light its true meaning It is also a sacred text written by inspired teachers who expressed it in the context of the ancient civilization in which they lived And yet it is the story of your inner development as well Metaphysical or Spiritual Interpretation is the clearest most uplifting and useful way to understand the Bible s message to you **The Early Illuminated Books** William Blake,1993 The nature of William Blake s genius and of his art is most completely expressed in his Illuminated Books In order to give full and free expression to his vision Blake invented a method of printing that enabled him to created works in which words and images combine to form pages uniquely rich in content and beautiful in form It is only through the pages as originally conceived and published by the poet himself that Blake s meaning can be fully experienced Publisher s description Nocturnal Poetry Joseph Childress,2009-03 Childress s flexible style allows him to express his opinions on various topics ranging from religion to politics in a compilation of poetry that people of any age can enjoy *The Delusions and Errors of Swedenborg* Samuel Simpson (Wesleyan Minister.),1876
