Torrents As Yet Unknown Wickliffe W. Walker, 2024-09-03 Will have river veterans nodding in agreement and surprise I loved the journey Doug Stanton author of the 1 New York Times bestseller *Horse Soldiers* An

important contribution to the literature of exploration This book had my pulse racing Peter Heller author of *The Dog Stars* and *The River* A dramatic narrative tour of 10 of the world's most incredible whitewater adventures spanning 5 continents and 40 years guided by a legendary whitewater trailblazer This fascinating history of daring whitewater explorers stands alongside classic works on mountaineering outdoor survival and extreme sports Perfect for fans of Jon Krakauer's *Into Thin Air* and Candice Millard's *River of the Gods* In 10 thrilling real life adventure stories pioneering whitewater explorer Wick Walker examines what lured a generation of incredibly daring pioneers into some of Earth's most wondrous yet forbidding river canyons below Victoria Falls on the Zambezi the Great Bend of the Tsangpo in Tibet Tiger Leaping Gorge on the Yangtze the flanks of Mount Everest and more Loaded with great moments and personal stories Walker details what these adventurers found there and within themselves The extraordinary characters driven by different motives and visions but united by their compulsion to seek the unknown and the pulse of free flowing water are as remarkable as the daunting geography and conditions they confront Whitewater sport today stands side by side with mountaineering in participation and public attention yet it has lagged in generating its own literature *Torrents As Yet Unknown* helps fill that gap for readers interested in human drama played out against great natural challenges Mountaineering history is deep and its literature rich but whitewater adventurers approach and experience the same forbidding terrain from a different vantage between the steep walls of their canyons and atop powerful torrents of cascading water

The River Peter Heller, 2019-03-05 NATIONAL BESTSELLER From the author of *The Guide* and *The Dog Stars* comes the story of two college students on a wilderness canoe trip a gripping tale of a friendship tested by fire white water and violence A fiery tour de force I could not put this book down It truly was terrifying and unutterably beautiful The Denver Post Wynn and Jack have been best friends since college orientation bonded by their shared love of mountains books and fishing Wynn is a gentle giant a Vermont kid never happier than when his feet are in the water Jack is more rugged raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing When they decide to canoe the Maskwa River in northern Canada they anticipate long days of leisurely paddling and picking blueberries and nights of stargazing and reading paperback Westerns But a wildfire making its way across the forest adds unexpected urgency to the journey One night with the fire advancing they hear a man and woman arguing on the fog shrouded riverbank the next day a man appears on the river paddling alone Is this the same man they heard And if he is where is the woman From this charged beginning master storyteller Peter Heller unspools a headlong heart pounding story of desperate wilderness survival

Flying Off Everest Dave Costello, 2014-05-06 Perched impossibly on a ridge overlooking a 10 000 foot drop into Tibet Sano Babu Sunuwar and Lakpa Tsheri Sherpa wait Heel to toe connected at the waist by a pair of carabineers that's connected to nothing else they stare down the North Face of Mount Everest a red and white nylon tandem paragliding wing fluttering behind them They know that jumping off the top of the world marks only the beginning of a longer more audacious journey And they know that

the two mile ride down Everest will be the easiest part If the jump doesn't kill them In April 2011 the two unsponsored Nepalis set out on an unprecedented expedition to climb Everest paraglide from its peak and paddle nearly 400 miles to the ocean Little problems wouldn't stop them Like the fact that Babu had no technical climbing experience And that Lakpa had never been kayaking or swimming But after summiting surviving their flight off the world's tallest mountain and being arrested robbed and nearly drowned repeatedly the two friends discovered their adventure had only just begun **Going**

Vertical Tao Berman, Pam Withers, 2010-07-19 Running wild in the mountains of eastern Washington as a child world class extreme kayaker and entrepreneur Tao Berman continues to run wild through the record books and life A world record waterfall drop holder since his 98.4 foot kayak flight **Romancing the Wild** Robert Fletcher, 2014-02-24 The worldwide development of ecotourism including adventures such as mountain climbing and whitewater rafting as well as more pedestrian pursuits such as birdwatching has been extensively studied but until now little attention has been paid to why vacationers choose to take part in what are often physically and emotionally strenuous endeavors Drawing on ethnographic research and his own experiences working as an ecotour guide throughout the United States and Latin America Robert Fletcher argues that participation in rigorous outdoor activities resonates with the particular cultural values of the white upper middle class Westerners who are the majority of ecotourists Navigating 13,000 foot mountain peaks or treacherous river rapids demands deferral of gratification perseverance through suffering and a willingness to assume risks in pursuit of continuous progress In this way characteristics originally cultivated for professional success have been transferred to the leisure realm at a moment when traditional avenues for achievement in the public sphere seem largely exhausted At the same time ecotourism provides a temporary escape from the ostensible ills of modern society by offering a transcendent wilderness experience that contrasts with the indoor sedentary mental labor characteristically performed by white collar workers *The Guide* Peter Heller, 2022-05-10 NATIONAL BESTSELLER The best selling author of *The River* returns with a heart racing thriller about a young man who is hired by an elite fishing lodge in Colorado where he uncovers a plot of shocking menace amid the natural beauty of sun-drenched streams and forests Peter Heller is the poet laureate of the literary thriller Michael Koryta New York Times best selling author of *Those Who Wish Me Dead* Kingfisher Lodge nestled in a canyon on a mile and a half of the most pristine river water on the planet is known by locals as Billionaire's Mile and is locked behind a heavy gate Sandwiched between barbed wire and a meadow with a sign that reads Don't Get Shot the resort boasts boutique fishing at its finest Safe from viruses that have plagued America for years Kingfisher offers a respite for wealthy clients Now it also promises a second chance for Jack a return to normalcy after a young life filled with loss When he is assigned to guide a well-known singer his only job is to rig her line carry her gear and steer her to the best trout he can find But then a human scream pierces the night and Jack soon realizes that this idyllic fishing lodge may be merely a cover for a far more sinister operation A novel as gripping as it is lyrical as frightening as it is moving *The Guide* is another
