The Dead Stroll Edward L. Mercer,2011-01-19 The life of a homicide cop is death with many causes death for love death for hate death for revenge death for money or death for no reason at all The homicide cops worst nightmare is death by a serial killer with a plan This gritty and fast moving story of a search for such a killer is a realistic portrayal of homicide investigation written by a former homicide detective who has been there I was a homicide investigator during the time frame of this novel and I am impressed with the detail and account of both the technical and routine phases of murder investigations as we did them back in the day Gerald R Beavers Former Chief of Police Asheville North Carolina and Topeka Kansas A fresh homicide on the street Grab your pen and notebook and get to the scene Beat the bushes Talk to

the street cops who show up Talk to the street people whose trust you have developed over the years bartenders prostitutes crooks store owners The drums are beating in the neighborhood People are talking Get the right information and you solve the case No DNA no C S I no cell phones no online information sources No psychological profiles other than the knowledge and memory of sharp cops No scientific interrogation techniques other than experience and knowledge of human nature We found the killers and we put them away This is the way it was in the late 1960s and Ed Mercer captures the tableau perfectly The Dead Stroll is a nostalgia trip for those of us who walked the walk and talked the talk in those days and a historical document for those cops currently working homicides an authentic depiction of how it was The scenes of riot and turmoil in the streets the pressures of external and internal politics the cops wit and crisp dialogue are all vivid and real Dont miss this great read which is told in a way that only be written by a guy who has been there Harry T O'Reilly Detective Sergeant retired NYPD Former supervisor Manhattan South Homicide and Special Victims Unit **Gunsmoke for McAllister** Matt Chisholm,2011-09-28 The sheriff was a violent crooked man He traded in death and always showed a profit His mine in the Arizona hills was a kind of hell on earth guarded by hard bitten desperadoes All around lurked the deadly Apache as lethal and quick to strike as rattlers Somewhere in the mine was McAllister's friend He had to be busted loose before it was too late McAllister armed with his gun and his iron nerves smashed in Another rapid fire Rem McAllister adventure from the master of authentic Western excitement Matt Chisholm **Bus Driver Man** Duncan Ralston,2018-09-23 The world don't favor heroes School bus driver Mr McAllister plays it by the book but when one of his kids gets in trouble with a bully by standing up for the bus chaperon he takes matters into his own hands devising a plan to rid the students of the worst kid in school This NOVELETTE is included in the collection Video Nasties **McAllister's Last Ride** Bill Cartwright,2017-07-01 When Marshal Brent McAllister is told by the doctor that he has less than a year to live he decides that he will not wait passively for death to overtake him Instead he determines to hunt down and dispose of the worst men in the state vicious and depraved criminals whom the law cannot touch It is McAllister's expectation that in the course of this quest he may find a quick and easy death from a bullet rather than a lingering end in a hospital bed Fool's Paradise Robert E. Ferguson,2010-10 Fool's Paradise is a blend of real events fiction fantasy mystery and incredible adventures that tells the life story of Bobby Ferguson aka Bobby McAllister from early childhood and a near death experience that delusionally introduces him to a spectral pirate who tells him about the mythical treasure ship The Prize As if one ghost in his life is not enough a teenage McAllister meets an apparitional woman who not only re-enforces his belief in the existence of The Prize but convinces him of his destiny to locate the mysterious ship Working for a corrupted politician a stint as a producer for a television station his chance meeting of an established and world famous treasure hunter and even a stretch in an Arizona prison all combine to put him out to sea in search of The Hacha del Oro a documented treasure ship that went down in a mighty hurricane off the coast of the Florida Keys over 250 years ago In spite of all the adversity involved McAllister's experience on the Hacha Project proves to be

successful and he confides to Granger Lawton his true quest is The Prize a treasure he fully expects the reluctant and leery Lawton to help him find Determined to act as McAllister's Devils advocate Lawton agrees to help in the search of The Prize Their investigation takes them to Seville Spain the home of the Archives of the Indies and perhaps wherein lays the answers to the unsolved two hundred and fifty year old mystery While touring the Spanish countryside McAllister comes across a dusty and deserted old mansion that contains one hundred year old evidence of the identity of the haunting apparition that has been McAllister's obsession since his teen age years The portrait of a beautiful woman distracts his pursuit of The Prize and sends him on what Lawton characterized as a wild goose chase up the Orinoco River in Venezuela On a regal yet struggling cattle ranch outside Ciudad Bolivar a gentleman rancher whose daughter steals McAllister's heart entertains McAllister and Lawton It is Lawton who stumbles on evidence of not only the existence of the The Prize but its actual location It takes McAllister however to finally locate the cargo she carried by carefully piecing together all of the clues evidence cryptic conditions of the island priestess and even the phantoms of his past to lead him to the treasure *McAllister Rides* Matt Chisholm,2011-12-01 Rancher Bourn was a big man big rough arid rich He was offering five hundred dollars to the man who could get back his pretty young wife kidnapped by Comanche braves in a raid If saving Mrs Bourn from a fate worse than death was worth that much money McAllister was crazy enough to ride straight into Comanche Country and kidnap her right back It wasn't his fault that when it came to it Mrs Bourn didn't want to return to her big rough rancher **The Blind Search** Dell Shannon,2014-07-14 When Nonie Johnson kidnaps her daughter from the adoptive parents Jesse Falkenstein is brought in Something seemed wrong from the start Nonie just wasn't the maternal type and then she suddenly vanished from sight The search for Nonie Johnson yielded nothing but a series of wild goose chases Fortunately Jesse had two aces up his sleeve a brother in law in the police and a number of unorthodox psychic acquaintances who had their own way of seeking clues My favourite American crime writer New York Herald Tribune *Miss McAllister's Ghost* Elizabeth Fensham,2008 Three children Cassie and her two brothers Mick at 13 one year younger than Cassie and Wilf 8 years old discover a very old lady living a time forgotten life in a nearby suburb Her house is cut off from the world she is largely self sufficient but has a believable means by which she supplements her food requirements Over the course of the story Miss McAllister moves from irascible and overbearing stranger to become the centre of the children's lives Their own parents caught up in their own lives are on the periphery of their childrens Miss McAllister provides stability a much needed sense of responsibility a standard of ethical behaviour and ultimately love Miss McAllister provides a form of family togetherness **Let's Get Creative!** William F.
