Hell for the Holidays Rachael Ogle, 2024-11-04 There s no place like home for the holidays right Unless you re snowed in with your difficult family and your best friend s brother In which case it s more like hell Augusta is a free spirited fun loving hopeless romantic Graham is an uptight brooding commitmentphobe In the past their differences were things that pulled them together Now they re things that have driven them so far apart there s no way back to anything they once were All that will change when Graham is roped into delivering Augusta to her parents house for Christmas and weather conditions force them to hunker down And after an interaction with her toxic sister Graham realizes that despite nearly twenty years of history there are things he s never known about Augusta and it has him questioning and regretting all of his past behaviors As the saying goes the enemy of my enemy is my friend and Augusta reluctantly agrees to team up with one enemy in the hopes of putting another in its place Can these opposites pretend to be attracted to one another What happens when the pretending begins to feel a little too real a little too much like old times

Christmas Letters from Hell Michael Lent, 2007-11-06 Who doesn t love to open the mailbox during the holidays and find a newsletter Whether it s a juicy missive from a college roommate inadvertently revealing her husband s wandering eye a self congratulatory account of a cousin s rise to power at the local fast food joint or a mind numbingly detailed account of a year s medical ailments including photos from a coworker they re always entertaining Christmas Letters from Hell skewers holiday letters of all shapes and sizes from the ones that come crammed with cheesy graphics or written from the perspective of the recently neutered family dog to those filled with stories of perfect family vacations that were clearly anything but Here Santa uses his holiday letter to let the elves know that he ll be outsourcing to China effective immediately a bipolar mom tells two very different versions of the year s events and Osama bin Laden touches base with his high school host family in Minneapolis Christmas Letters from Hell serves up a steaming savory blend of the holiday cheer
