#### **Hellenistic History And Culture Proceedings:**

Hellenistic History and Culture Peter Green, 2023-09-01 In a 1988 conference American and British scholars unexpectedly discovered that their ideas were converging in ways that formed a new picture of the variegated Hellenistic mosaic That picture emerges in these essays and eloquently displays the breadth of modern interest in the Hellenistic Age A distrust of all ideologies has altered old views of ancient political structures and feminism has also changed earlier assessments The current emphasis on multiculturalism has consciously deemphasized the Western Greco Roman tradition and Nubians Bactrians and other subject peoples of the time are receiving attention in their own right not just as recipients of Greco Roman culture History like Herakleitos river never stands still These essays share a collective sense of discovery and a sparking of new ideas they are a welcome beginning to the reexploration of a fascinatingly complex age In a 1988 conference American and British scholars unexpectedly discovered that their ideas were converging in ways that formed a new picture of the variegated Hellenistic mosaic That picture emerges in these essays and eloquently displays the breadth o

The History of the Diadochoi in Book XIX of Diodoros' >Bibliotheke Alexander Meeus, 2022-02-21 Diodoros of Sicily s book XIX is the main source for the history of the Diadochoi Alexander the Great s Successors from 317 to 311 BCE With the first full scale commentary on this text in any language Alexander Meeus offers a detailed and reliable guide to the complicated historical narrative and the fascinating ethnographic information transmitted by Diodoros which includes the earliest accounts of Indian widow burning and Nabataean culture Studying both history and historiography this volume elucidates a crucial stage in the creation of the Hellenistic world in Greece and the Near East as well as the confusing source tradition Diodoros a long neglected author indispensable for much of our knowledge of Antiquity is currently enjoying growing scholarly interest An ample introduction discusses his historical methods and sheds light on his language and style and on the manuscript transmission of books XVII XX By negotiating between diametrically opposed scholarly opinions a new understanding of Diodoros place in the ancient historiographical tradition is offered The volume is of interest to scholars of ancient historiography Hellenistic history Hellenistic prose and the textual transmission of the Bibliotheke The Oxford Handbook of Hellenic Studies George Boys-Stones, Barbara Graziosi, Phiroze Vasunia, 2009-08-20 The Oxford Handbook of Hellenic Studies is a unique collection of some seventy articles which together explore the ways in which ancient Greece has been is and might be studied It is intended to inform its readers but also importantly to inspire them and to enable them to pursue their own research by introducing the primary resources and exploring the latest agenda for their study The emphasis is on the breadth and potential of Hellenic Studies as a flourishing and exciting intellectual arena and also upon its relevance to the way we think about ourselves today Hellenistic History and Culture Peter Green, 1993 In a 1988 conference American and British scholars unexpectedly discovered that their ideas were converging in ways that formed a new picture of the variegated Hellenistic mosaic That picture emerges in these essays and eloquently displays the breadth of modern

interest in the Hellenistic Age A distrust of all ideologies has altered old views of ancient political structures and feminism has also changed earlier assessments The current emphasis on multiculturalism has consciously deemphasized the Western Greco Roman tradition and Nubians Bactrians and other subject peoples of the time are receiving attention in their own right not just as recipients of Greco Roman culture History like Herakleitos river never stands still These essays share a collective sense of discovery and a sparking of new ideas they are a welcome beginning to the reexploration of a fascinatingly complex A Social and Economic History of the Theatre to 300 BC Eric Csapo, Peter Wilson, 2020-01-16 This is the second volume of A Social and Economic History of the Theatre to 300 BC and focuses exclusively on theatre culture in Attica Rural Dionysia and the rest of the Greek world It presents and discusses in detail all the documentary and material evidence for theatre culture and dramatic production from the first two centuries of theatre history namely the period c 500 to c 300 BC The traditional assumption is laid to rest that theatre was an exclusively or primarily Athenian institution with the inclusion of all sources of information for theatrical performances in twenty two deme sites and over one hundred and twenty independent Greek and some non Greek cities All texts are translated and made accessible to non specialists and specialists alike The volume will be a fundamental work of reference for all classicists and theatre historians interested in ancient theatre and its wider historical contexts The Middle Maccabees Andrea M. Berlin, Paul J. Kosmin, 2021-03-31 A focused interdisciplinary examination of a tumultuous history making era The Middle Maccabees lays out the charged complicated beginnings of the independent Jewish state founded in the second century BCE Contributors offer focused analyses of the archaeological epigraphic numismatic and textual evidence framed within a wider world of conflicts between the Ptolemies of Egypt the Seleucids of Syria and the Romans The result is a holistic view of the Hasmonean rise to power that acknowledges broader political developments evolving social responses and the particularities of local history Contributors include Uzi Ad Donald T Ariel Andrea M Berlin Efrat Bocher Altay Co kun Benedikt Eckhardt Gerald Finkielsztejn Christelle Fischer Bovet Yuval Gadot Erich Gruen Sylvie Honigman Jutta Jokiranta Paul J Kosmin Uzi Leibner Catharine Lorber Duncan E MacRae Dvir Raviv Helena Roth D bora Sandhaus Yiftah Shalev Nitsan Shalom Danny Syon Yehiel Zelinger and Ayala Zilberstein Features Up to date generously illustrated essays analyzing the relevant archaeological remains A revised understanding of how local and imperial histories overlapped and intersected New analysis of the book of 1 Maccabees as a tool of Hasmonean Proceedings of the ... International Congress of the International Association for the History strategic interest **of Religions** International Association for the History of Religions,1908 A History of the Ptolemaic Empire Günther Hölbl, 2013-02-01 This compelling narrative provides the only comprehensive guide in English to the rise and decline of Ptolemaic rule in Egypt over three centuries from the death of Alexander in 323 BC to the tragic deaths of Antony and Cleopatra in 30 BC The skilful integration of material from a vast array of sources allows the reader to trace the political and religious development of one of the most powerful empires of the ancient eastern Mediterranean It shows how the success of

the Ptolemies was due in part to their adoption of many features of the Egyptian Pharaohs who preceded them their deification and funding of cults and temples throughout Egypt A Social and Cultural History of the Hellenistic World Gillian Ramsey Neugebauer, 2025-01-22 Explore the detailed and personal stories of real people living throughout the Hellenistic world In A Social and Cultural History of the Hellenistic World author Gillian Ramsey Neugebauer paints a vivid picture of the men and women of the Hellenistic period their communities and their experiences of life Assuming only minimal knowledge of classical antiquity this clear and engaging textbook brings to life the real people who lived in the Mediterranean region the Balkans around the Black Sea across North Africa and the Near East Rather than focusing on the elites royals and other significant figures of the period the author draws from a wide range of ancient evidence to explore everyday Hellenistic people in their own context Reader friendly chapters offer fresh perspectives on well studied areas of ancient Greek culture while providing new insights into rarely discussed aspects of day to day life in the Hellenistic world Topics include daily technology food clothing housing travel working life slavery education temple economies and more Containing numerous references further readings photographs and figures A Social and Cultural History of the Hellenistic World is an excellent textbook for undergraduate and graduate courses in Ancient History or Classical Studies programs particularly those dedicated to Hellenistic history **Hellenistic and Roman Sparta** Paul Cartledge, 2004-03-01 In this new edition Paul Cartledge and Antony Spawforth have taken account of recent finds and scholarship to revise and update their authoritative overview of later Spartan history and of the social political economic and cultural changes in the Spartan community This original and compelling account is especially significant in challenging the conventional misperception of Spartan decline after the loss of her status as a great power on the battlefield in 371 BC The book's focus on a frequently overlooked period makes it important not only for those interested specifically in Sparta but also for all those concerned with Hellenistic Greece and with the life of Greece and other Greek speaking provinces under non Roman rule **Iournal** of Greek Archaeology Volume 3 2018, 2018-10-31 True to its initial aims the latest volume of the Journal of Greek Archaeology runs the whole chronological range of Greek Archaeology while including every kind of material culture History of Ancient Greek Anastasios-Phoivos Christides, Maria Arapopoulou, Maria Chrite, 2007-01-11 Publisher description

Public Spectacles in Roman and Late Antique Palestine Zeev Weiss, 2014-03-24 Wishing to ingratiate himself with Rome Herod the Great built theaters amphitheaters and hippodromes to bring pagan entertainments of all sorts to Palestine Zeev Weiss explores how the indigenous Jewish and Christian populations responded as both spectators and performers to these cultural imports which left a lasting imprint on the region Hellenizing Art in Ancient Nubia 300 B.C. - AD 250 and its Egyptian Models László Török, 2011-07-12 Presenting a large body of evidence for the first time this book offers a comprehensive treatment of Nubian architecture sculpture and minor arts in the period between 300 BC AD 250 It focuses primarily on the Nubian response to the traditional pharaonic Hellenistic Roman Hellenizing and hybrid elements of

Ptolemaic and Roman Egyptian culture The author begins with a history of Nubian art and a critical survey of the literature on Ptolemaic and Roman Egyptian art Special chapters are then devoted to the discussion of the Egyptian Greek interaction in the arts of Ptolemaic Egypt the place of Egyptian Hellenistic and Hellenizing art within the oikumene the pluralistic visual world of Ptolemaic and Roman Egypt as well as on the specific genre of terracotta sculpture Utilizing examples from Meroe City and Musawwarat es Sufra the author argues that cultural transfer from Ptolemaic and Roman Egypt to Nubia resulted in an inward focused adaptation Therefore the resulting Nubian art from this period expresses only those aspects of Egyptian and Greek art that are compatible with indigenous Nubian goals Greek Political Thought Ryan K. Balot, 2008-04-15 This wide ranging history of ancient Greek political thought showswhat ancient political texts might mean to citizens of thetwenty first century A provocative and wide ranging history of ancient Greekpolitical thought Demonstrates what ancient Greek works of political philosophymight mean to citizens of the twenty first century Examines an array of poetic historical and philosophicaltexts in an effort to locate Greek political thought in its cultural context Pays careful attention to the distinctively ancient connections between politics and ethics Structured around key themes such as the origins of political thought political self definition revolutions in political thought democracy and imperialism The Process of Authority Jan Dušek, 2016-09-26 The authority of canonical texts especially of the Bible is often described in static definitions However the authority of these texts was acquired as well as exercised in a dynamic process of transmission and reception This book analyzes selected aspects of this historical process Attention is paid to biblical master texts and to other texts related to the biblical worlds in various historical periods and contexts The studies examine particular texts textual variants translations paraphrases and other elements in the process of textual transmission. The range covered spans from the Iron Age through the Old Testament texts their manuscripts and other texts from Qumran the Septuagint down to the New Testament Apocrypha Coptic texts Patristics and even modern translations of the Bible The book is particularly intended for those interested in the history of reception and transmission of biblical texts and in the textual criticism The Impact of the Roman Empire on the Cult of Asclepius Ghislaine van der Ploeg, 2018-07-03 In The Impact of the Roman Empire on The Cult of Asclepius Ghislaine van der Ploeg offers an overview and analysis of how worship of the Graeco Roman god Asclepius adapted changed and was disseminated under the Roman Empire It is shown that the cult enjoyed a vibrant period of worship in the Roman era and by analysing the factors by which this religious changed happened the impact which the Roman Empire had upon religious life is determined Making use of epigraphic numismatic visual and literary sources van der Ploeg demonstrates the multifaceted nature of the Roman cult of Asclepius updating current thinking about the god Theatre and Autocracy in the Ancient World Eric Csapo, Hans Rupprecht Goette, J. Richard Green, Brigitte Le Guen, Elodie

Theatre and Autocracy in the Ancient World Eric Csapo, Hans Rupprecht Goette, J. Richard Green, Brigitte Le Guen, Elodie Paillard, Jelle Stoop, Peter Wilson, 2022-10-24 Why did ancient autocrats patronise theatre How could ancient theatre rightly supposed to be an artform that developed and flourished under democracy serve their needs Plato claimed that poets of

tragic drama drag states into tyranny and democracy The word order is very deliberate he goes on to say that tragic poets are honoured especially by the tyrants and secondly by the democracies Republic 568c For more than forty years scholars have explored the political ideological structural and economic links between democracy and theatre in ancient Greece By contrast the links between autocracy and theatre are virtually ignored despite the fact that for the first 200 years of theatre s existence more than a third of all theatre states were autocratic For the next 600 years theatre flourished almost exclusively under autocratic regimes The volume brings together experts in ancient theatre to undertake the first systematic study of the patterns of use made of the theatre by tyrants regents kings and emperors Theatre and Autocracy in the Ancient World is the first comprehensive study of the historical circumstances and means by which autocrats turned a medium of mass communication into an instrument of mass control Proceedings of the Society of Biblical Archaeology Society of Biblical Archæology (London, England),1913 Scribes, Visionaries, and the Politics of Second Temple Judea Richard A. Horsley, 2007-01-01 Judaism and Christianity both arose in times of empire with roots in Persian Hellenistic and Roman periods In order to understand these religious movements we must first understand the history and society of these imperial cultures In these formative years wisdom and apocalyptic traditions flourished as two significant religious forms In Scribes Visionaries and the Politics of Second Temple Judea distinguished New Testament scholar Richard A Horsley analyzes the function and meaning of these religious movements within their social context providing essential background for the development of early Judaism and early Christianity It is an ideal textbook for classes on the rise of Judaism or the Second Temple period as well as the Dead Sea Scrolls and Apocrypha
