Hellenistic Palaces Tradition And Renewal:

Hellenistic Palaces Inge Nielsen,1994 **The Building Program of Herod the Great** Duane W. Roller,1998-02-20
Herod King of Judea from 44 to 4 BC was a major figure in the politics of the Roman east during the emperor Augustus's ascension to power **Dividing the Spoils** Robin Waterfield,2012-10-11 A gripping account of one of the great forgotten wars of history revealing how Alexander the Great's vast empire was torn asunder in the years after his death **The Early History of Heaven** J. Edward Wright,2002-03-28 When we think of heaven we generally conjure up positive blissful images Heaven is after all where God is and where good people go after death to receive their reward But how and why did Western cultures come to imagine the heavenly realm in such terms Why is heaven usually thought to be up there far beyond the visible sky And what is the source of the idea that the post mortem abode of the righteous is in this heavenly realm with God Seeking to discover the roots of these familiar notions this volume traces the backgrounds origin and development of early Jewish and Christian speculation about the heavenly realm where it is what it looks like and who its inhabitants are Wright begins his study with an examination of the beliefs of ancient Israel's neighbors Egypt and Mesopotamia reconstructing the intellectual context in which the earliest biblical images of heaven arose A detailed analysis of the Hebrew biblical texts themselves then reveals that the Israelites were deeply influenced by images drawn from the surrounding cultures Wright goes on to examine Persian and Greco Roman beliefs thus setting the stage for his consideration of early Jewish and Christian images which he shows to have been formed in the struggle to integrate traditional biblical imagery with the newer Hellenistic ideas about the cosmos In a final chapter Wright offers a brief survey of how later Jewish Christian and Islamic traditions envisioned the heavenly realms Accessible to a wide range of readers this provocative book will interest anyone who is curious about the origins of this extraordinarily pervasive and influential idea *Herod and Augustus* David M. Jacobson,Nikos Kokkinos,2009 Nineteen studies illuminating Herod's role in the Augustan client network and his remarkable achievements as expressed in his extensive building programme Josephus record is examined here in the light of the available documentary and archaeological evidence **The Mystery of the Hanging Garden of Babylon** Stephanie Dalley,2013-05-23 The Mystery of the Hanging Garden of Babylon is an exciting story of detection involving legends expert decipherment of ancient texts and a vivid description of a little known civilization Recognised in ancient times as one of the Seven Wonders of the World the legendary Hanging Garden of Babylon and its location still remains a mystery steeped in shadow and puzzling myths In this remarkable volume Stephanie Dalley a world expert on ancient Babylonian language gathers for the first time all the material on this enigmatic World Wonder Tracing the history of the Garden Dalley describes how the decipherment of an original text and its link to sculpture in the British Museum has enabled her to pin down where the Garden was positioned and to describe in detail what it may have looked like Through this dramatic and fascinating reconstruction of the Garden Dalley is also able to follow its influence on later garden design Like a palimpsest Dalley

unscrambles the many legends that have built up around the Garden including the parts played by Semiramis and Nebuchadnezzar and following the evolution of its design she shows why this Garden deserves its place alongside the Pyramids and the Colossus of Rhodes as one of the most astonishing technical achievements of the ancient world

Jesus the Meek King Deirdre J. Good, 1999-06-01 What sort of king was Jesus What is the meaning of Jesus description of himself in Matthew s Gospel as the meek king Jesus the Meek King is an exploration of a specific virtue in Paul Matthew the Hellenistic world and English literature from Tyndale to the present Modern readers are likely to understand the meek as Jesus attempt to commend and exemplify submissive or humble behavior The meek may even be seen unfavorably as those likely to submit tamely to oppression or injury Ancient readers of Greek texts however understood the term more broadly as a trait of rulers whereby exercise of disciplined compassion overcomes anger Meekness is also a dispositional virtue in the literature of the first century describing new Jewish and Christian groups and enhancing community life Most recent books about Jesus focus on history and biography This book eschews historical questions for culturally specific understandings of humility and meekness The result is a full and contextual understanding of Jesus the meek king Deirdre J Good is Professor of New Testament at General Theological Seminary New York
