Simmons,2007-07 Parents of teenage boys experience the obstacles trials and rewards of using international adoption to add a little girl Katya an orphan from Russia to their family      [The Lost Daughters of China](#) Karin Evans,2008-10-02 In 1997 journalist Karin Evans walked into an orphanage in southern China and met her new daughter a beautiful one year old baby girl In this fateful moment Evans became part of a profound increasingly common human drama that links abandoned Chinese girls with foreigners who have traveled many miles to complete their families At once a compelling personal narrative and an evocative portrait of contemporary China The Lost Daughters of China has also served

as an invaluable guide for thousands of readers as they navigated the process of adopting from China. However, much has changed in terms of the Chinese government's policies on adoption since this book was originally published, and in this revised and updated edition Evans addresses these developments. Also new to this edition is a riveting chapter in which she describes her return to China in 2000 to adopt her second daughter who was nearly three at the time. Many of the first girls to be adopted from China are now in the teens. China only opened its doors to adoption in the 1990s, and this edition includes accounts of their experiences growing up in the US and in some cases of returning to China in search of their roots.

*Illuminating the real life stories behind the statistics* *The Lost Daughters of China* is an unforgettable account of the red thread that winds from China's orphanages to loving families around the globe. *International Adoption from an African Perspective* Benyam Mezmer, 2011 **The Journey** Barnardos. Adoption Advice Service, Council of Irish Adoption Agencies, 1998 **A Passage to the Heart** Amy Klatzkin, 1999 *International Adoption* Mary-Kate Murphy, 2003 *Now We are One* David Wecker, 2007 *A Boy Named Sasha: An International Adoption Story*, *Palimpsest* Lisa Wool-rim Sjöblom, 2021-04-14 Who owns the story of an adoption? Thousands of South Korean children were adopted around the world in the 1970s and 1980s. More than nine thousand found their new home in Sweden, including the cartoonist Lisa Wool Rim Sjöblom, who was adopted when she was two years old. Throughout her childhood, she struggled to fit into the homogenous Swedish culture and was continually told to suppress the innate desire to know her origins. Be thankful she was told: surely her life in Sweden was better than it would have been in Korea. Like many adoptees, Sjöblom learned to bury the feeling of abandonment. In *Palimpsest*, an emotionally charged memoir, Sjöblom's unaddressed feelings about her adoption come to a head when she is pregnant with her first child. When she discovers a document containing the names of her biological parents, she realizes her own history may not match up with the story she's been told her whole life: that she was an orphan without a background. As Sjöblom digs deeper into her own backstory, returning to Korea and the orphanage, she finds that the truth is much more complicated than the story she was told and struggled to believe. The sacred image of adoption as a humanitarian act that gives parents to orphans begins to unravel. Sjöblom's beautiful, autumnal tones and clear line style belie the complicated nature of this graphic memoir's vital central question: Who owns the story of an adoption? *Bringing Home the Missing Linck* Jennifer Jackson Linck, 2013-10 From the time Jennifer Linck was old enough to rock her Cabbage Patch Doll, she dreamed of being a mother. As her friends began welcoming tiny bundles of joy, Jennifer struggled to conceive a child. As a gut-wrenching desire to be a mom built within her, God began to place adoption on Jennifer's heart. In 2010, Jennifer and her husband John felt God leading them to build their family through international adoption. Eighteen months after they began their journey to Ethiopia, God took them on a detour that only He could have orchestrated. After accepting a job at the local homeless shelter, Jennifer began to see how God truly wanted her to live her life serving the least of these. As God transformed her heart and showed her how to truly love the poor, the widow, and the orphan, He began to weave together a

story that would eventually lead to her son In Bringing Home the Missing Linck Jennifer shares how the pain and heartache of infertility became the building blocks God used to strengthen her faith and make her heart more like His as He answered her prayers for a child
