Erle Stanley Gardner

Hello Come In:

Winsor McCay Winsor McCay, 2003 This is the fourth volume in the Checker Book Publishing's series reprinting of the cartoons and illustrations of Winsor McCay. The majority of McCay's works published in these volumes are seeing print for the first time since their original publication in the early 1900s. Best known for Little Nemo in Slumberland, this volume features McCay's other popular but less well-known works such as the 1908 strips of Dream of the Rarebit Fiend and A Pilgrim's Progress. An assortment of McCay's editorial cartoons meticulously drawn and bitingly funny are also included in this volume. McCay's unique artistic approach to the comic strip medium combined so successfully with his unconventional themes and social satire earned him both public and critical acclaim during his career and a lasting influence upon future generations of illustrators, cartoonists, and animators. back cover *Английский язык для школьников и абитуриентов: Топики, упражнения, диалоги* Марина Гацкевич, 2015-09-11 9 11 *Cebuano for Beginners* Maria V.
