Douglas Clark, The tiny hamlet of Maravilla New Mexico is not immune to modern day problems But the citizens of Maravilla have their own special problems as well A developer wants to build a Christian themed amusement park next to Maravilla's historic church The county line runs right through the town splitting it in two And the government is threatening to close their post office Into this muddle steps Jake Epstein a young writer from the big city Jake is seeking peace and quiet to finish his current project a science fiction story in which adventuress Tai Keiko must deliver the secret formula for Zeton 9 with the evil Krossarians in hot pursuit But then reality and science fiction converge and Tai Keiko finds herself in present day Maravilla face to face with a gobsnacked Jake Join Jake on this comic run along the dusty roads of Maravilla and find out who won the fight between Father Ignatius and the heathen pig farmer How a basketball game changed the fate of the town And was that white flash in the sky a UFO

Toronto's Last Rainbow Margaret Blair, 2017-01-09 Toronto's Last Rainbow paints a nostalgic portrait of Toronto in a bygone era from the point of view of one central neighbourhood It catches the spirit of the times just ahead of the feminist era With poignancy and humour it follows an amazing cast of real and imaginary residents each with a strong and unique voice each human and fallible through their daily lives This book features serious issues of the time such as the lack of access to safe abortion and the growing number of divorces Then most mothers stayed at home Parents had the time to organize for their children annual events like the Summerhill Fair with free candy floss and donkey rides in the summer and Halloween in

late fall However feminist issues were stirring family life would be changing women were looking to work outside the home and showing a growing interest in non traditional areas of work Residents then faced issues like bullying suicide and a violent crime in the neighbourhood that resonate today During 1969 Canada became officially bilingual the important Morgentaler decision started the nation s move towards safe abortion Toronto s citizens elected a new city government devoted to a changed concept of development turning away from building expressways across the city centre This pivotal year saw the start of a twenty year era of progress for the then City of Toronto [House of Dred](#) Troy Theisen,2013-08-27 Twelve year old Reesa Bellemont moves with her family from sunny California to the dour Washington state coastline Her fathers uncle Dr Edward Bellemont also known as Dr Dred willed a house there to Reesas father and the chance to move into the big old place is too good an offer to pass up Even as the seven Bellemonts and their dog cross the threshold of their new residence however strange and wicked things begin to occur Reesa has always had special talents and she feels particularly sensitive to the houses ill will Even so her father Gavin denies anything is wrong and they remain in the house despite the odd occurrences Soon Reesa makes the acquaintance of Jerome White a strange man who lives in a cabin deep in the woods Jerome comes to the Bellemont house for dinner one night but with his arrival the dark forces truly manifest Jerome is secretly the keeper of the Amulet of Prophecy the second of the six Amulets of the Rainbow Using his metaphysical abilities and the power of the amulet he and Reesa must fight against an ancient force The deceased Dr Dred is somehow involved and the lives of each and every Bellemont are now at stake Jerome and Reesa are the familys last hope for surviving the evil that threatens their souls **Standing in the Rainbow** Fannie Flagg,2004-08-03 Good news Fannie s back in town and the town is among the leading characters in her new novel Along with Neighbor Dorothy the lady with the smile in her voice whose daily radio broadcasts keep us delightfully informed on all the local news we also meet Bobby her ten year old son destined to live a thousand lives most of them in his imagination Norma and Macky Warren and their ninety eight year old Aunt Elner the oddly sexy and charismatic Hamm Sparks who starts off in life as a tractor salesman and ends up selling himself to the whole state and almost the entire country and the two women who love him as differently as night and day Then there is Tot Whooten the beautician whose luck is as bad as her hairdressing skills Beatrice Woods the Little Blind Songbird Cecil Figgs the Funeral King and the fabulous Minnie Oatman lead vocalist of the Oatman Family Gospel Singers The time is 1946 until the present The town is Elmwood Springs Missouri right in the middle of the country in the midst of the mostly joyous transition from war to peace aiming toward a dizzyingly bright future Once again Fannie Flagg gives us a story of richly human characters the saving graces of the once maligned middle classes and small town life and the daily contest between laughter and tears Fannie truly writes from the heartland and her storytelling is to quote Time utterly irresistible **The Little Knight of the X Bar B** Mary Katherine Maule,1910 [Secrets and Seashells at Rainbow Bay](#) Ali McNamara,2019-06-27 The sun is shining on the golden castle on Rainbow Bay and change is in the air Amelia is a single

mother doing her very best to look after her young son Charlie but money is tight and times are tough When she first hears that she is the last descendent of the Chesterford family and that she has inherited a Real Life Castle by the sea Amelia can't quite believe her ears But it's true She soon finds that owning a castle isn't quite the ticket to sorting out her money problems that she'd first hoped she can't sell because the terms of the ancient bequest state that any Chesterford who inherits the castle must live there and work towards the upkeep and maintenance of the family home So ever practical Amelia decides to uproot her little family and move to this magnificent castle by the sea Living in a castle on the beautiful Northumberland coast is fun at first but organising the day to day running is a lot more complicated than Amelia first imagined Luckily she has help from the small band of eccentric and unconventional staff that are already employed there and a mysterious unseen hand that often gives her a push in the right direction just when she needs it most It's only when she meets Tom a furniture restorer who comes to the castle to help repair some antique furniture that Amelia realises she might get the fairy tale ending that she and Charlie truly deserve Join bestselling author Ali McNamara in Rainbow Bay where an inheritance and some sea air are about to work their magic on Amelia's life

Ocean tales Max Shaldon, 2020-12-16 Ocean fairy tale is a series of books for children of preschool and younger school age by the writer Max Shaldon Psychologist by education and a writer by vocation his works make the emphasis on the education of young boys and girls good manners In many respects it is too easy but very important case to help the heroes of Ocean fairy tales

The Rainbow Years Rita Bradshaw, 2010-03-04 As soon as she finds happiness her past threatens to snatch it away Rita Bradshaw writes a heart warming saga in The Rainbow Years the story of a young woman finding happiness and independence during the dark days of war Perfect for fans of Kate Thompson and Nadine Dorries Expect the unexpected in this enthralling story with a wealth of colourful characters Coventry Evening Telegraph Born during World War One Amy Shawe gets off to a bad start as her unmarried mother dies in the 1919 flu epidemic and Amy is only spared the workhouse because her uncle grudgingly takes her in Her cousin torments her as she grows up and when she gets the chance to marry a rather older and apparently loving man she seizes the chance to escape what is becoming a dangerous situation Tragically she's gone from the frying pan into the fire and endures some difficult years with a violent husband made bearable only by the arrival of a baby When tragedy strikes she joins the WAAF at the start of WWII in her new life she keeps her marriage a secret and eventually falls in love with a Spitfire pilot Nick Her chance of happiness with him seems to be blighted though when fate compels her to care for her now ailing husband but her suffering has not in the end been in vain and Nick will be waiting when the time is right What readers are saying about The Rainbow Years I could not bear to put it down What a wonderful book full of love hope sadness and triumph over adversity Rita Bradshaw has written a captivating book which kept me enthralled A beautiful story with a magical ending
