The background is a dramatic, dark sky filled with swirling, textured clouds. Hello Darkness My Old Friend

David Hochhalter

Hello Darkness My Old Friend:

Hello Darkness, My Old Friend Sanford D. Greenberg, 2020-06-30 It's a bitterly cold February in 1961 and Sandy Greenberg lies in a hospital bed in Detroit newly blind. A junior at Columbia University from a Jewish family that struggled to stay above the poverty line, Sandy had just started to see the world open up to him. Now instead of his plans for a bright future at Harvard Law and politics, Sandy faces a new reality: one defined by a cane, or companion dog, menial work, and a cautious path through life. But that's not how this story ends. In the depth of his new darkness, Sandy faces a choice: play it safe by staying in his native Buffalo or return to Columbia to pursue his dreams. With the loving devotion of his girlfriend and now wife Sue and the selflessness of best friends Art Garfunkel and Jerry Speyer, Sandy endures unimaginable adversity while forging a life of exceptional achievement. From his time in the White House working for President Lyndon B. Johnson to his graduate studies at Harvard and Oxford under luminaries such as Archibald Cox, Sir Arthur Goodhart, and Samuel Huntington, and through the guidance of his invaluable mentor David Rockefeller, Sandy fills his life and the lives of those around him with a radiant light of philanthropy, entrepreneurship, art, and innovation.

Week by Week through the Seasons of Life John Edward Crean, Jr., 2023-06-13 Relevant, challenging, and accessible, something to mull over. Life is rhythmized with spiritual seasons, each providing its own challenges and joys, each calling for its own medicine. Souls, not just bodies, need to be able to adapt, refresh, reboot, and readjust to changing climates. As we move through the seasons of life, may God's healing power enter to bring us what we need. This collection of meditations and reflective questions is designed to adjust with your needs for the season you are in. With one meditation per week, this book can be read and enjoyed topically or in the printed order. The product of a rare author, someone who is both as deeply grounded in Christian tradition as one can imagine but at the same time has the profound ability to touch others with insights of practical depth. The Rt. Rev. Stacy Sauls, Bishop of the Episcopal Church.

Theatre and Adaptation Margherita Laera, 2014-08-28 Contemporary theatrical productions as diverse in form as experimental performance, new writing, West End drama, musicals, and live art demonstrate a recurring fascination with adapting existing works by other artists, writers, filmmakers, and stage practitioners. Featuring seventeen interviews with internationally renowned theatre and performance artists, *Theatre and Adaptation* provides an exceptionally rich study of the variety of work developed in recent years. First-hand accounts illuminate a diverse range of approaches to stage adaptation, ranging from playwriting to directing, Japanese puppetry to British children's theatre and feminist performance to Japanese Noh. The transition of an existing source to the stage is not a smooth one; this collection examines the practices and the complex set of negotiations each work of transition and appropriation involves. Including interviews with Societas Raffaello Sanzio, Handspring Puppet Company, Katie Mitchell, Rimini Protokoll, Elevator Repair Service, Simon Stephens, Ong Keng Sen, and Toneelgroep Amsterdam, the volume reveals performance's enduring desire to return, rewrite, and repeat.
