Robertson, Carl T. Madden, 2024-06-06 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport's scholarly fans However one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens It provided something never seen before in the history of the NHL and has not been seen since every one of the five games required a dramatic sudden death overtime period to determine a winner This book takes an in depth look at this exciting conclusion to the 1950-51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210 game regular season featuring many amusing anecdotes As an added bonus a special chapter discusses the short life baffling disappearance and untimely death of Toronto defenseman Bill Barilko just four months after he notched the Cup winning tally in April Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal      **Brutal Boy** G DE BRUIN, 2023-10-09 The story revolves around the hunt for Paul Leonard the man responsible for the death of Stanley Colton's mother and father Jack and Samantha Colton and his younger sister Ashley Jack was a detective as well as a hitman of an underground elite to stabilize the prison as well as the country's population by eliminating murderers and rapists This elite was started by high court judge

Judge Roberts Jack and the rest of the family are murdered by Paul Leonard Paul Leonard was a cop also set up as a hitman by Judge Roberts who took advantage of this elite creating a mob army to racketeer and make money off of weapons and drug smuggling Jack Colton was the last to try and eliminate Paul as he had already killed all the families in association with the elite Roberts gave Paul the idea of who the families were that tried to eliminate them Although this is not shown it is stated when Stanley meets up with Roberts Stanley witnessed the death of his family by hiding underneath a table not being noticed 13 years later detective Frank Colton and Officer Michael Sharp investigate files of previous convicts and one young hitman never to be caught or ever convicted to help them on their mission to capture and kill Paul Leonard with the help of Judge Roberts Frank realizes that Stanley is the one who has never been caught and tries to trace him up With the significant help Officer Michael Sharp Frank Colton finds out about Stanley Colton's whereabouts The two other convicts are already found and they await Stanley's approval Detective Colton approaches Stanley without telling him that they are family Stanley's attitude and heavy metal appearance shows that he has another life going He continually disapproves stating there were some things in life I chose to put behind me Tracey Stanley's on and off girlfriend who is aware of his hitman and tough skills encourages him to participate as she tells him that there is nothing wrong in receiving a little help Stanley *El-Hi*
