Book Review 1 Beth Hyland s *Diary of a Romance Scam* is a raw courageous and deeply human story that exposes the psychological warfare behind romance fraud As someone who has studied manipulation and social engineering for over two decades I can tell you this book is not just a personal memoir it s a masterclass in how emotional abuse is weaponized by skilled criminals Beth s vulnerability and strength in sharing her experience will not only educate but empower readers to recognize red flags protect themselves and begin healing This is a must read for anyone who thinks it could never happen to them
