Hellraiser No 13:

Every Fire Needs a Little Bit of Help Jarrod Shanahan, 2025-09-02 A decade of American society coming apart Every Fire Needs a Little Bit of Help collects a decade of reflections on recent US struggles Occupy Wall Street Black Lives Matter and the George Floyd Rebellion alongside accounts of the rise of Trumpism the alt right an apocalyptic shift in popular culture to paint a dense and complex portrait of a decade of protracted social crisis Jarrod Shanahan reports from the ground On the streets in 2014 from the depths of the Rikers Island penal complex inside the alt right underground and the carnival of Trump rallies and in the line of fire in Kenosha Wisconsin in 2020 among other scenes that Shanahan accessed not as a credentialed observer but an active participant prisoner infiltrator activist The resulting essays outline the pitfalls and opportunities facing those seeking to reverse the suicidal course of capitalist society and build a liberated world *The Hellraiser Films and Their Legacy* Paul Kane, 2015-05-07 Best selling horror novelist Clive Barker's 1987 film Hellraiser has become an undisputed horror classic spawning a movie franchise that to date includes eight films Exploring not only the cinematic interpretations of the Hellraiser mythos but also its intrusion into other artistic and cultural forms this volume begins by identifying the unconventional sources of Barker's inspiration and following Barker from his pre Hellraiser cinematic experience through the filming of the horror classic It examines various themes such as the undermining of the traditional family unit and the malleability of the flesh found throughout the film series and the ways in which the representation of these themes changes from film to film The religious aspects of the films are also discussed Characters central to the franchise and the mythos are examined in detail *The Spaces and Places of Horror* Francesco Pascuzzi, Sandra Waters, 2020-01-16 This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings locations spaces and places be they physical imagined or altogether imaginary In *The Philosophy of Horror* No 1 Carroll discusses the geography of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures this use of space is meant to trigger the audience's innate fear of the unknown This notion recalls Freud's theorization of the uncanny as it is centered on recognizable locations outside of the Lacanian symbolic order In some instances a location may act as one of the describing characteristics of evil itself In *A Nightmare on Elm Street* teenagers fall asleep only to be dragged from their bedrooms into Freddy Krueger's labyrinthine lair an inescapable boiler room that enhances Freddie's powers and makes him invincible In other scenarios the action may take place in a distant little known country to isolate characters Roth's *Hostel* films or as a way to mythicize the very origin of evil Bava's *Black Sunday* Finally anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places in Kurosawa's *Pulse* the internet acts as a gateway between the living and spirit worlds creating an oneiric realm where the living vanish and ghosts move to replace them This suggestive topic begs to be further

investigated this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser known works for which this anthology represents the first piece of relevant scholarship

Strike and Destroy Stjepan G. Mestrovic, 2012 How could the Maywand District killings or the kill team war crimes have happened Jeremy Morlock was convicted of premeditated murder but numerous other questionable kills in his brigade committed by other soldiers in other units in 2010 were never investigated The brigade commander went by the name Hellraiser and an internal army investigation revealed that the officers of the brigade were hopelessly confused as to their mission No one knew if they should obey the chain of command and do COIN in other words sit down for tea with the village elders or carry out Hellraiser s and the army s traditional counter guerrilla doctrine Hellraiser s refusal to carry out COIN doctrine led to complete social dysfunction in the brigade Normal army standards of discipline drug testing group cohesion mentoring counseling among other standards were abandoned Prof Mestrovic connects the social dysfunction in Hellraiser s brigade with Morlock s crime He shows that COIN doctrine was treated as a joke in the brigade while a Strike and Destroy mentality was dominant This inside account relies upon an internal army investigation into the command climate of Hellraiser s brigade conducted by Brigadier General Stephen Twitty along with court martial transcripts and direct interviews This book analyzes one war crime incident as an example of the general failure or refusal to implement COIN doctrine in Afghanistan

The Ghost of Old Sheb Drac Von Stoller, Do you ever get the feeling sometimes when you're all alone in your house or cabin in the woods especially when you're watching a scary movie with the lights out and it's storming outside that any moment someone or something is going to open the door and scare the hell out of you Sometimes when you're getting a little scared while watching the movie the door you thought was closed all the way just happens to open and intensifies the situation even more Then you nervously and slowly go to the door and shut it so you'll feel safe again and continue to watch your movie and even turn the lights on to bring the scare factor down to a minimum This is where the story begins Tom Linda Jack and Susan loved camping and hiking out in the woods Tom's cabin was the place for a weekend of fun but this time their little fun filled weekend at Tom's cabin would be filled with terror and murder *Science Fiction, Fantasy, & Horror*, 1988 A comprehensive bibliography of books and short fiction published in the English language Till Death Do Us Part Drac Von Stoller, Tom and Brenda had been married for over forty five years and all the love they once knew was gone They fought constantly but neither one of them had the guts to leave fearing if they divorced they would lose their beautiful mansion and expensive cars so they both just stayed together only for the material side of the marriage Every time they fought they would say to each other I wish you were dead They both meant it wholeheartedly They both slept in separate rooms and slept with one eye open fearing the other one would do them in Brenda still cooked for her husband out of guilt One night when they sat at the dinner table eating the dinner she cooked for them she decided to add a little surprise to his meal She put some roaches in his mashed potatoes and with a big smile on her face she watched him shovel the mashed potatoes into his mouth but it only took seconds for him to realize something was not right When he spit out the mashed potatoes onto his plate one of the roaches was not quite dead yet and crawled out of the mashed potatoes Tom said What in the hell is going on here Brenda laughed and said You should have seen the look on your face Tom yelled back I don't find any of this very funny He threw his napkin down on the plate and said I'm going to get me something else She just laughed as he slammed the front door behind him as he got in his car and sped down the road in search of a fast food restaurant *SPIN*, 1988-12 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks *Clive Barker* Douglas E.
