Hell'S Gate Isaac Benjamin,2015-01-16 Hells Gate is a fiction based on the authors thought line on what Hells Gate the entrance to Hell Fire would look like In the authors eyes the devil eclipses and predominates mans heart with diabolic terrible evils which manifest either in sane minds ambitious avarice drowsiness of lust and power or a kind of wickedness for nothing In his admirably balanced mind the author recounts his journey to heaven where he was shown the beauty of eternity its peace and perfection beyond human imagination He saw the Supersensible Father Abraham Moses and some Saints He reiterates how the Angel of the Almighty God was asked to show him some places in heaven Then from afar he saw the mystery of eternal damnation which was through Hells Gate The author was asked to come back to the earth and complete his task of spreading the good news before going back to heaven Having flown from heaven back to earth he tried to tell the story about heaven and Hells Gate but the people were not serious in the ways they received the message Some of them called him the flying man from heaven while others simply said he was the spider man from heaven Eventually there was rapture and the author got caught up into heaven leaving a congregation of worshippers in a free for all fight

*Primrose Path* Vincent M. M. Galici Sr.,2006-10-23 Have you ever been enticed to believe in someone or something only to be deceived *Primrose Path* is an autobiographical account of the authors experience working in an organization founded and controlled by an individual seconded by his family and enthusiastically supported by his associates But the problem is its a sham one that is the very antithesis of what Christians are supposed to be about more akin to a cult than being free in Christ It is one of the most outstanding examples of a counterfeit in the Church ever depicted on the printed page But theres more to it than that It is the authors conviction that this story does not stand alone in what is going on today He believes there are innumerable instances where similar shenanigans are prevalent affecting millions of lives Yet seemingly no one involved in these situations exposes the corruption Somehow they feel they are all alone and believe that no one would understand what theyve gone through because it is too extreme to be believed It is time that evil wreaking havoc in the Church is exposed and that people learn they are not alone that there is hope there is healing they can reconnect into the Body once again and go on being productive for the work of the gospel For now there are millions of Christians without a church home and have little faith to be a part of any other those who may watch TV Christian programming as a substitute or go out into nature rationalizing theyve found God there But community among believers is sacrificed and the potential for sweet fellowship is no longer a part of their thinking let alone in their plans They walk a disillusioned group yet each one alone homeless Yet hope is on the horizon Read the book and see Its a true story broken down into three parts 1 The day to day life of a charlatan 2 a psychological analysis of him and 3 walking the reader through the three year journey New strong churches are waiting to be birthed other churches are waiting to welcome these believers back into the fold Hope is waiting Making that important step is only a decision away Please make it today
