Help for Hurting Moms-- and Hurting Kids, Too! Kathy Collard Miller,1990 When Your Child Is Hurting Whitwer, Glynnis, *Hurting Kids* Michelle Mary Lelwica,2024-08-01 Hurting Kids explores religion s impact on Americans beliefs about justice and on teenagers who get in trouble with the law Why do many of us assume that punishment is an appropriate moral response to crime How have diverging Christian narratives about divine punishment and God s mercy supported different responses to juvenile wrongdoing What do these competing notions of justice imply for youth offenders today nearly all of whom have been violated by the unjust and traumatic circumstances of their lives Weaving together research on the juvenile justice system theological analysis self examination of white privilege and the stories and perspectives of incarcerated youth Hurting Kids asks us to understand and care about the complicated humanity of a population of teenagers who are often deemed not only delinquent but dispensable Sharing snippets of her conversations with incarcerated youth Lelwica demonstrates that whatever harm these kids have inflicted on others is rooted in the painful experiences they have survived experiences that are shaped by systemic injustices that benefit people with privilege Ultimately Hurting Kids challenges common assumptions about guilt and innocence while advocating for a kind of justice for youth that promotes equity compassion accountability and healing for all Witness to the Pain Ron Glassman,2000-10 Children who grow up in homes characterized by parent on parent abuse don t suffer from domestic abuse they suffer because of it I refer to these children as domestic abuse survivors by proxy a term I coined to describe this specific population In short survivors by proxy experience abuse simply by virtue of being in and around abusive environments Their symptoms mimic those experienced by the primary survivor the spouse targeted by the abuser even though they were not the intended target of the abuser In addition survivors by proxy experience symptoms specific to their role as a witness to abuse Fun Games and Physical Activities to Help Heal Children Who Hurt Beth Powell,2018-02-21 Learn how physical activities and therapeutic play can help reshape the brains and bodies of children traumatized by abuse and neglect Focusing on interactive games that promote positive attachment the book explores how rhythm and movement are vital to healthy child development with examples and fun and easy to play games Helping Hurting Children: a Journey of Healing Martha Faircloth Bush,2013-03 Losses are a normal part of life even in the lives of children To help children learn how to cope with those losses travel with Martha and Bubby the Rabbit as they take children on a journey of healing They make stops at What Does Loss Mean Facts About Losses What Does Grieve Mean Recognizing Feelings Expressing Feelings Forgiving Others Asking Others to Forgive You Accepting Losses Martha and Bubby are joined by their friends Zach Hadley Hannah Crystal and Heather The gang shares their stories of the death of a loved one being bullied making a move the loss of a pet and divorce Martha Bubby and the kids traveling with them want to remind other boys and girls that you can continue to be happy after a loss I am pleased to recommend this resource as an easy to use guide for those parents grandparents children s church leaders or others who desire to help but
