Canadian Books in Print. Author and Title Index ,1975 **Help!** Faye Reineberg Holt,1997-01-01 **Danger, Death and Disaster in the Crowsnest Pass Mines, 1902-1928** Karen Lynne Buckley,2004 The Crowsnest Pass is famous for the tragic rock slide at Frank in 1903 but almost as famous are the many coal mining tragedies that afflicted the region in the early twentieth century With the discovery of a rich coal deposit in the region the area underwent an economic boom and a spike in population that is still evidenced today Unfortunately with this type of mining in rugged and often dangerous conditions comes the threat of disaster and occasionally death This book examines carefully the various calamities that have afflicted the area and considers the impact on the inhabitants and victims of these numerous tragedies Using original source material such as grave markers folk songs and oral histories the author portrays vividly the psychological and sociological features of both the individual and collective responses to death and danger giving the reader a unique picture of mining communities that is as true today as it was a century ago Canada in Crisis (2) Robert A. Battram,2010-07 Building upon his analysis in the first volume of the series Canada in Crisis An Agenda to Unify the Nation longtime federal employee Robert A Battram goes beyond explaining what will unify the nation to provide a working roadmap that can help ensure its continued success Battram identifies problems in all areas of governance from the simple to the complex and offers a range of solutions to these problems He examines why law enforcement agencies and immigration policies are failing and also explores issues of infrastructure such as how the placement of electrical transmission grids affects different areas of Canada Take a deep look into how to improve all areas of government including economic policies transportation systems security of communications security of energy and power measures taken to combat extremism Join the author as he examines the many changes threatening Canada Discover how the nation can defend itself find solutions to its problems and maintain its heritage so that it can survive and thrive in Canada in Crisis An Agenda for Survival of the Nation **Canadian Books in Print 2002** Marian Butler,2002-02 Canadian Books in Print ,2003 **An Assessment of Natural Hazards and Disasters in Canada** David Etkin,C.E. Haque,Gregory R. Brooks,2003-04-30 The problems and issues of natural hazards and disasters both globally and in Canada are becoming increasingly important since the costs of extreme natural events have been escalating and significant vulnerabilities exist in Canadian society Without thoughtful and effective mitigation these costs and human suffering are likely to continue to increase An assessment of knowledge research and practice in risk hazards and disasters fields is a fundamental step towards the goal of prevention and mitigation This book on natural hazards and disasters in Canada is the first comprehensive interdisciplinary publication on this subject and is the result of a national assessment on this topic A variety of papers from the physical and social sciences explores both the risks associated with these hazards and adaptive strategies that can be used to reduce those risks Audience This excellent collection of papers is intended for academics professionals and practitioners involved in hazard reduction activities who wish to obtain a better
