

A close-up photograph of a person's hand planting a small green seedling into the soil. The hand is positioned on the right side of the frame, with fingers gently holding the plant. The seedling has three bright green leaves and a thin stem. The soil is dark brown and appears moist. The background is a soft, out-of-focus landscape with a warm, golden light, suggesting a sunrise or sunset. *God at Your Wits' End* Marilyn Meberg, 2007-05-13 The good news about being at our wits end is that God meets us there To be human is to spend some time at our wits end in confusion desperation pain and fear In that difficult place we long for a tangible visible sign that God hears our cries and is actively working for good in our lives But all too often faulty thinking erodes our faith and alters our beliefs causing us to ask If He loves me so much why do I hurt so much Am I being punished I thought I was forgiven Why is faith so hard What if I don't have enough Why does God allow suffering In *God at Your Wits' End* Marilyn Meberg helps us cut through the mental clutter and confusion that lead to faulty thinking and shaky faith She tenderly acknowledges our trials by revealing her own wits end experiences then she points the way to rescue and respite by sharing the scriptural truths of God's enduring love and sovereign power **Pour Me out a Blessing Ministries** Deborah Wofford, 2010-10-13 There is no available information at this time

ways Many people have left the Christian church in disappointment Yet in the midst of this complicated world many people feel a deep hunger for spiritual depth and experience Where does faith come from How does a person get faith How can doubts be surmounted How does a person experience the presence of God in daily life After countless conversations with persons searching for faith the author summarizes the questions people have about faith and the church Faith is part of everyday life and not an opposite of science He proposes ways to experience the living presence of God in their lives Faith is not simply believing in creeds It is a trust which results in vibrant living Growing Your Faith by Being Faithful Tabitha Osborne, 2023-04-26 Have you pulled up anchor and deliberately sailed away from God or maybe you're just slowly drifting Until one day God's voice calls to you like the lighthouse will beckon to the nearby ships alerting them to danger God comes for us shining His light into the dark and dismal place that has us trapped I made many mistakes in my life while being away from God from the small barely noticeable ones which seemed easy to fix to the earth shattering knee bending ones that I couldn't crawl out of without help Today I know that a strong relationship with God takes time and effort Faith isn't stagnant

Faith involves active participation Like a seed develops its roots beneath the soil our faith grows deeper as we take our time getting to know God intimately through His Word The more we understand and see His faithfulness throughout the Bible the more we will love Him Then our faith strengthens and becomes rooted in Him In being faithful to my relationship with God I found myself anchored in place by deep roots and every gardener knows deep strong roots are hard to uproot These devotions were written to share my I finally get it moments when God would teach me through my work my relationships and my daily activities It didn't matter whether I was gardening traveling or cooking God used these moments to open my eyes to certain truths He wanted me to know On a roller coaster where only death was expected faith was finally understood While chasing a storm with my mother I understood a reason for trials As I wrote I prayed for the readers and I longed that they too would draw and stay closer to Him and I hope that you will be one of them **Uncommon** Carey Scott, 2017-07-01

Jones, 2016-01-21 Growing a Successful Marriage through Faith tells the story of marriage The book has many facets first it describes the institution of marriage as it was meant to be between a man and a woman It tells of their relationship with the Creator which is the bond that holds the marriage together Second it tells of choices made by a man and a woman that break the marriage bond Finally it is a story about grace and redemption which is a free gift offered by God through faith to restore the bond I refer to this book as a marriage faith help book a book to assist couples to protect their marriage vows as well as to cultivate their marriage in producing the fruit of the Spirit Refining a marriage through faith requires not only having a personal relationship with God and allowing him to guide ones decision making but also being obedient to Gods instructions Growing a Successful Marriage through Faith not only represents an individual spiritual journey in which God redeems a person through a personal relationship with him but it also represents a spiritual marital journey where God redeems the marriage and restores the marriage bond through the Holy Spirit When the Holy Spirit bonds a marriage together the marriage is in a

state of holy matrimony The book Growing a Successful Marriage through Faith tells of my personal life story and possibly there are parts of the story that others may be able to relate to I think this book is unique in that it combines a life situation caused by personal choices with what the Bible says about the situation then reinforces the lesson through the essence of visuals in nature In this case the visuals are photographs of an okra plant that grew between the blocks of concrete Questions are presented to the reader throughout the text not only to engage the reader but also to reinforce that the solutions to relationship issues require self examination and spiritual solution The answers that you give may be reflections of your problem solving approach whether spiritual or otherwise In the Bible Jesus often used parables that involved nature and he performed miracles Both mediums were used to grow faith The book also serves to encourage those who are going through personal trials in their lives whether marriage health problems or any other difficult life circumstance to study the Word of God and pray that God sends the Holy Spirit to move in their lives When your relationship with God becomes close up and personal he gives you spiritual discernment that is the wisdom to put your lifes circumstances in their proper perspective and he gives you inner peace
