Good Marriage:

The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 *The Good Marriage* became a best seller. It offers timeless clues to the secret of happy long lasting marriages. Based on a groundbreaking study of fifty couples who consider themselves happily married, psychologist Judith Wallerstein presents the four basic types of marriage: romantic, rescue, companionate, and traditional, and identifies nine developmental tasks that must be successfully undertaken in a good marriage: separation from the family of origin, up and down vicissitudes of early years, children, balance of work and home, dealing with infidelities, and more. The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation, especially in the midst of societal pressures that can tear marriages apart. But they also convey an inspirational message: for almost all of them, their marriage is their single greatest accomplishment. *The Good Marriage* explains why, and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives. Should be required reading for all who are interested in marriage. W. Walter Menninger. Should prove a lifesaver for many couples. Publishers Weekly. Will enrich the sparse literature on happy marriages. USA Today. One of the nice things about *The Good Marriage* is its modesty. It doesn't pretend to offer a philosophy or even a lecture on marriage. It takes no position on the ideologically charged issues of women's marital roles and status. Equally important, it ignores the two most common ways of talking about marriage: as a contract negotiated between two equal parties, and as the pathway to individual fulfillment. For this reason, it is refreshingly free of rights talk and therapy talk. Indeed, Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills. Barbara Dafoe Whitehead, *The Atlantic*. A lagniappe to enduring couplehood. The strength of this study is that Ms. Wallerstein, a gifted interviewer, persuades the couples to reveal their interior lives in rich, explicit detail. Susan Jacoby, *The New York Times Book Review*. Written in a masterful style that often reads like the best popular fiction, Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages. Tara Aronson, *San Francisco Examiner Chronicle*. Groundbreaking. *Boston Globe*. This is a wonderfully readable and immensely valuable book full of wise and original insights about the many, many roads to marital happiness. Judith Viorst. With wisdom, humor, and sympathetic understanding, Judith Wallerstein helps us recognize and rediscover the good marriage: lucid, psychologically sophisticated, and generously wise. David Blankenhorn, *Newsday*. Historically informative as well as profoundly wise. Psychologically. Joan M. Erikson. For a long time, as a Rabbi, I've been using *The Good Marriage* by the late Judith Wallerstein in my pre-marital counseling. She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong. Rabbi Carl M. Perkins. A welcome addition to the field of literature on contemporary marriage. The style is clear, concise.

sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health

The Great Marriage Physician Jerry Wilkins, 2014-11-17 Jerry and Carole Wilkins have decoded the Bible for the secrets to a happy marriage in *The Great Marriage Physician* It s not very often you get sincere advise like it s coming from your grandmother But that s the kind of feeling that chapter after chapter in this book exudes It makes you wonder why no one ever thought of the Bible as a the most comprehensive book of sage marriage advise Until now Skeptics may say they are not credible they don t use a scientific approach or technical te

How to Pick a Mate, The Guide to a Happy Marriage Clifford Rose Adams, 2022-04-06 Excerpt As far as we know this is the first time anyone has written a book attempting to put mate selection on a sensible basis despite the fact that sooner or later almost everybody selects one A good many people resent the idea of an outsider telling them how they should pick a mate They think it smacks of meddling Marriage is something sacred and personal It should not be done according to rules We heartily sympathize Unfortunately however marriages are not made in Heaven Usually people marry by hunch or impulse or because their parents think it is a good match or because they get themselves so deeply involved romantically that marrying seems the only proper thing to do Too frequently such methods merely mess up a couple of people s lives More than a third of all the millions of marriages undertaken in the last ten years are in trouble Many are already dissolved Many more soon will be A great deal of research and counseling has now been done in the field of marriage and the findings validated At Penn State for example hundreds of couples who were tested before marriage at the Marriage Counseling Service are checked periodically after marriage to find how they are making out Of all the marriages which the service predicted would be successful not one has yet ended in divorce or separation Most of the people who went ahead despite the clinic s cautions are already in serious trouble or have

been divorced As a result of many such investigations reliable information is available on the kinds of people who make the best mates and on the causes of marriage success and failure In this book we have tried to include those findings which should be most helpful and interesting to all people involved in love or marriage but particularly to people who sooner or later will be taking unto themselves a mate It is not our intention to lay down a set of rules for people to follow But we hope that after reading this book you will be more enlightened in your hunches than you might be otherwise and be a much happier and more desirable mate yourself

(Clarity is Power Series 5 of 11) Mahatria Ra, A self help pocket guide for you *HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE* Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use God s lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don t take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41

50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody s name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what s in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don t fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn t The idea is we don t have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don t need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor s handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom

Good Marriage Introduction

In today's digital age, the availability of Good Marriage books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Good Marriage books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Good Marriage books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Good Marriage versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Good Marriage books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Good Marriage books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Good Marriage books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Good Marriage books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Good Marriage books and manuals for download and embark on your journey of knowledge?

FAQs About Good Marriage Books

What is a Good Marriage PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Good Marriage PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Good Marriage PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF.
