Good Women Of China:

The Good Women of China Xinran, 2008-11-26 When Deng Xiaoping's efforts to open up China took root in the late 1980s Xinran recognized an invaluable opportunity. As an employee for the state radio system she had long wanted to help improve the lives of Chinese women. But when she was given clearance to host a radio call-in show she barely anticipated the enthusiasm it would quickly generate. Operating within the constraints imposed by government censors, *Words on the Night Breeze* sparked a tremendous outpouring and the hours of tape on her answering machines were soon filled every night. Whether angry or muted, posing questions or simply relating experiences, these anonymous women bore witness to decades of civil strife and of halting attempts at self-understanding in a painfully restrictive society. In this collection by turns heartrending and inspiring, Xinran brings us the stories that affected her most and offers a graphically detailed, altogether unprecedented work of oral history.

The Good Women of China Xinran, 2009 This work presents women's stories collected by Xinran Xue when she was hosting a radio phone-in programme about women's lives in China. The stories reveal what it means to be a woman in today's China, telling of almost inconceivable suffering as well as love in the face of cruelty and politics.

Good Women of China Proof Xinran Xinran, 2002-07 *Women and China's Revolutions* Gail Hershatter, 2018-09-04 If we place women at the center of our account of China's last two centuries, how does this change our understanding of what happened? This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people, using gender as its analytic lens. Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events. For instance, did women have a 1911 revolution? A socialist revolution? If so, what did those revolutions look like? Which women had them? Hershatter uses two key themes to frame her analysis. The first is the importance of women's visible and invisible labor. The labor of women in domestic and public spaces shaped China's move from empire to republic to socialist nation to rising capitalist power. The second is the symbolic work performed by gender itself. What women should do and be was a constant topic of debate during China's transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse. What sorts of concerns did people express through the language of gender? How did that language work and why was it so powerful? Drawing on decades of Hershatter's groundbreaking scholarship and mastery of a range of literatures, this beautifully written book will be essential reading for all students of China's modern history.

Chinese Women Writers in Diaspora Amy Tak-yee Lai, 2009-03-26 The mention of Chinese women writers in diaspora immediately brings to mind Jung Chang's 1952 book *Wild Swans: Three Daughters of China* (1991), which won the 1992 NCR Book Award and the 1993 British Book of the Year Award and got officially banned in China. Despite its popular reception and crucial acclaim, Chang's work has invited a lot of attacks. Among the most common is the contention that it merely focuses on the experience

of the privileged and does not tell the reader what other memoirs have not already revealed Chinese Women Writers in Diaspora is a pioneering study that focuses on four Chinese women writers currently living in the United States and England whose works have been popularly received and are in many cases highly controversial but have received little scholarly attention Xinran b 1958 Hong Ying b 1962 Anchee Min b 1957 and Adeline Yen Mah b 1937 The chapters illuminate how Xinran constructs her identity and her fellow Chinese women in dialectics of self and other how Hong Ying evokes cycles of return that blend Western and Chinese philosophical concepts how Min employs images of theatre and theatrical conventions to depict the entrapment and transgression of her protagonists and how Mah transliterates and appropriates both Western and Chinese fairy tale motifs to fashion her Chinese feminist utopia While Jung Chang's memoir seems confining it has aroused interest in the genre of Chinese female autobiography and Chinese women writers who live and write between cultures
