

Goodbye, Judge Lynch

THE END OF A LAWLESS ERA
IN WYOMING'S BIG HORN BASIN

JOHN W. DAVIS

Goodbye Judge Lynch The End Of A Lawless Era In Wyomings Big Horn Basin

John W. Davis

Goodbye Judge Lynch The End Of A Lawless Era In Wyomings Big Horn Basin:

Goodbye, Judge Lynch John W. Davis, 2006-01-20 Tells the fascinating story of how lawlessness finally came to an end in the Big Horn Basin of northern Wyoming one of the last frontiers in the continental United States **Getting Away with Murder on the Texas Frontier** Bill Neal, 2006 Explores the rough and tumble world of frontier justice Texas style **IT HAPPENED IN WYOMING** Paul W. Papa, 2013-10-01 It Happened in Wyoming takes readers on a rollicking behind the scenes look at some of the characters and episodes from the Equality State s storied past Including both famous tales and famous names and little known heroes heroines and happenings The Trial of Tom Horn John W. Davis, 2016-03-31 For weeks in 1902 it commanded headlines All of Wyoming and much of the West followed the trial of Tom Horn for the murder of a fourteen year old boy John W Davis s book the only full length account of the trial places it in perspective as part of a larger struggle for control of Wyoming s grazing land Davis also portrays an enigmatic defendant who more than a century after his conviction and hanging perplexes us still Tom Horn was one of the most fascinating figures in the history of the West Employed as a Pinkerton and then as a range detective he had a reputation as a loner and a braggart with a brutal approach to law enforcement even before he was accused of murdering young Willie Nickell Cattlemen saw Horn as protecting their way of life but most people in Wyoming saw him as a hired assassin an instrument of oppression by cattle barons willing to use violent intimidation to protect their assets The story began on July 18 1901 when Willie Nickell was shot by a gunman lying in ambush the killer was apparently after Willie s father who had brought sheep into the area Six months later Tom Horn was arrested The trial pitted the Laramie County district attorney against a crack team of defense lawyers hired by big cattlemen Against all predictions the jury found Horn guilty of first degree murder Despite appeals that went all the way to the state supreme court and the governor Horn was hanged in Cheyenne in 1903 The trial and conviction of Tom Horn marked a major milestone in the hard fought battle against vigilantism in Wyoming Davis himself a trial lawyer has mined court documents and newspaper articles to dissect the trial strategies of the participating attorneys His detailed account illuminates a larger narrative of conflict between the power of wealth and the forces of law and order in the West

Public Waters Anne MacKinnon, 2021-05-01 Wyoming s colorful story of water management illuminates the powerful forces that impact water use in the rural American West The state s rich history of managing this valuable natural resource provides insights and lessons for the twenty first century American West as it faces drought and climate change Public Waters shows how as popular hopes and dreams meet tough terrain a central idea that has historically structured water management can guide water policy for Western states today Drawing on forty years as a journalist with training in water law and economics Anne MacKinnon paints a lively picture of the arcane twists in the notable record of water law in Wyoming She maintains that other Western states should examine how local people control water and that states must draw on historical understandings of water as a public resource to find effective approaches to essential water issues in the West

Butch Cassidy Charles Leerhsen, 2020 For a century Butch Cassidy has been the subject of legends about his life and death spawning a small industry of mythmakers and a major Hollywood film Charles Leerhsen sorts out fact from fiction to find the real Butch Cassidy who is far more complicated and fascinating than legend has it **Encyclopedia of Politics of the American West** Steven L. Danver, 2013-04-25 The Encyclopedia of Politics in the American West is an A to Z reference work on the political development of one of America's most politically distinct not to mention its fastest growing region This work will cover not only the significant events and actors of Western politics but also deal with key institutional historical environmental and sociopolitical themes and concepts that are important to more fully understanding the politics of the West over the last century **Invitation to an Execution** Gordon Morris Bakken, 2010-11-16 Until the early twentieth century printed invitations to executions issued by lawmen were a vital part of the ritual of death concluding a criminal proceeding in the United States In this study Gordon Morris Bakken invites readers to an understanding of the death penalty in America with a collection of essays that trace the history and politics of this highly charged moral legal and cultural issue Bakken has solicited essays from historians political scientists and lawyers to ensure a broad treatment of the evolution of American cultural attitudes about crime and capital punishment Part one of this extensive analysis focuses on politics legal history multicultural issues and the international aspects of the death penalty Part two offers a regional analysis with essays that put death penalty issues into a geographic and cultural context Part three focuses on specific states with emphasis on the need to understand capital punishment in terms of state law development particularly because states determine on whom the death penalty will be imposed Part four examines the various means of death from hanging to lethal injection in state law case studies And finally part five focuses on the portrayal of capital punishment in popular culture The Entertainer Margaret Talbot, 2013-11-05 Using the life and career of her father an early Hollywood actor New Yorker writer Margaret Talbot tells the thrilling story of the rise of popular culture through a transfixing personal lens The arc of Lyle Talbot's career is in fact the story of American entertainment Born in 1902 Lyle left his home in small town Nebraska in 1918 to join a traveling carnival From there he became a magician's assistant an actor in a traveling theater troupe a romantic lead in early talkies then an actor in major Warner Bros pictures with stars such as Humphrey Bogart and Carole Lombard then an actor in cult B movies and finally a part of the advent of television with regular roles on The Adventures of Ozzie and Harriet and Leave It to Beaver Ultimately his career spanned the entire trajectory of the industry In her captivating impeccably researched narrative a charmed combination of Hollywood history social history and family memoir Margaret Talbot conjures warmth and nostalgia for those earlier eras of 10s and 20s small town America 30s and 40s Hollywood She transports us to an alluring time simpler but also exciting and illustrates the changing face of her father's America all while telling the story of mass entertainment across the first half of the twentieth century *Never Caught Twice* Matthew S. Lockett, 2020-11 2021 Nebraska Book Award *Never Caught Twice* presents the untold history of horse raiding and stealing on the Great Plains of

western Nebraska By investigating horse stealing by and from four Plains groups American Indians the U S Army ranchers and cowboys and farmers Matthew S Lockett clarifies a widely misunderstood crime in Western mythology and shows that horse stealing transformed plains culture and settlement in fundamental and surprising ways From Lakota and Cheyenne horse raids to rustling gangs in the Sandhills horse theft was widespread and devastating across the region The horse s critical importance in both Native and white societies meant that horse stealing destabilized communities and jeopardized the peace throughout the plains instigating massacres and murders and causing people to act furiously in defense of their most expensive most important and most beloved property But as it became increasingly clear that no one legal or military institution could fully control it would be victims desperately sought a solution that would spare their farms and families from the calamitous loss of a horse For some that solution was violence Never Caught Twice shows how the story of horse stealing across western Nebraska and the Great Plains was in many ways the story of the old West itself

Annals of Wyoming,2017 **Utah Historical Quarterly** ,2006 List of charter members of the society v 1 p 98 99 **Nebraska History** Addison Erwin Sheldon,James Lee Sellers,James C. Olson,2006 **The Western Historical Quarterly** ,2005 *Montana* ,2006 **Wyoming Energy Symposium** ,2007 Wyoming law review ,2007 *From Guns to Gavels* Bill Neal,2008 Linked accounts of frontier crimes and trials from 1885 to 1929 across West Texas Indian and New Mexico Territories and Montana trace the evolution of criminal justice in the American West Provided by publisher **America, History and Life** ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Index to Legal Periodicals & Books** ,2005
