Texas Women on the Cattle Trails Sara R. Massey,2006 Tells the stories of sixteen women who drove cattle up the trail from Texas during the last half of the nineteenth century *Girl from the North Country* Conor McPherson,2017-11-20
The idea is inspired and the treatment piercingly beautiful Two formidable artists have shown respect for the integrity of each other s work here and the result is magnificent Independent Bob Dylan s back catalogue is used to glorious effect in Conor McPherson s astonishing cross section of hope and stoic suffering It is the constant dialogue between the drama and the songs that makes this show exceptional Guardian Beguiling and soulful and quietly exquisitely heartbreaking A very special piece of theatre Evening Standard A populous otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious Telegraph Duluth Minnesota 1934 A community living on a knife edge Lost and lonely people huddle together in the local guesthouse The owner Nick owes more money than he can ever repay his wife Elizabeth is losing her mind and their daughter Marianne is carrying a child no one will account for So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night things spiral beyond the point of no return In *Girl from the North Country* Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope heartbreak and soul It premiered at the Old Vic London in July 2017 in a production directed by the author Conor McPherson is an award winning Irish playwright His best known works include *The Weir* Royal Court winner of the 1999 Olivier Award for Best New Play Dublin Carol Atlantic Theater Company and *The Seafarer* National Theatre Bob Dylan born in Duluth Minnesota in 1941 is one of the most important songwriters of our time Dylan was awarded the Nobel Prize for Literature in 2016 He released his thirty ninth studio album *Triplicate* in April 2017 and continues to tour worldwide

Kaufman, 2012-03-01 *My First Country Guitar Picking Songs* is an ideal book for beginners interested in learning country style guitar and basic reading skills. Author Steve Kaufman uses his award-winning method to teach principles of flatpicking, basic chord fingerings, and notation within the context of classic country songs. This book emphasizes the versatility of the country guitarist as a lead instrumentalist and rhythm accompanist, from lyrical melodies to swinging strumming techniques.

The Cattleman Mari Sandoz, 1978-01-01 This thundering book by the author of *Old Jules* is the story of the vast cattle industry of the American West, stupendous in length, concept, and achievement; it is the result of a lifetime of knowledge and research. The whole story is here, long but never dull, written with humor and understatement. Kirkus Service: Here, tough as whang leather, nourishing as pemmican, turbulent as Dodge City on a Saturday night in the late 1870s, is what time may well decide is the definitive history of the founding and flourishing of the cattle industry on this continent. This splendid book says more and says it better about the most romantic figures of the old West than dozens of other books that have ranged over this familiar ground. Mari Sandoz has given herself room to move with tremendous drive and scholarship. Victor P. Hass, Chicago Sunday Tribune. Drawing the fullest flavor from her expert descriptive technique, Mari Sandoz has written a regional history to stand among the best of its kind. *Library Journal*. **Panhandle-Plains Historical Review**, 1928. Country Music Records Tony Russell, Bob Pinson, Country Music Hall of Fame & Museum (Nashville, Tenn.), 2004-10-07. More than twenty years in the making, *Country Music Records* documents all country music recording sessions from 1921 through 1942. With primary research based on files and session logs from record companies, interviews with surviving musicians, as well as the 200,000 recordings archived at the Country Music Hall of Fame and Museum's Frist Library and Archives, this notable work is the first compendium to accurately report the key details behind all the recording sessions of country music during the pre-World War II era. This discography documents in alphabetical order by artist every commercial country music recording, including unreleased sides, and indicates as completely as possible the musicians playing at every session, as well as instrumentation. This massive undertaking encompasses 2,500 artists, 5,000 session musicians, and 10,000 songs. Summary histories of each key record company are also provided, along with a bibliography. The discography includes indexes to all song titles and musicians listed.
