girl who lives by herself She agrees to provide him with accommodation One night Angela opens up to him She tells Tommy of all the atrocities done to her by her very own father After a decade of abuse she finally mustered up the courage to speak out Her abuser was immediately arrested 5 years later her father has served his time There is no question in Angela s mind that he will seek revenge Lucky for Angela Tommy is far more dangerous than he looks He s not a scared little boy and more importantly this time he s got a gun **Perils of the Heart** K.
