Gospel Of Life Theology In The Fourth Gospel:

Gospel of Life George Raymond Beasley-Murray, 1991 **A Theology of the New Testament** George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974. Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology, an augmented bibliography, and an entirely new subject index.

Johannine Writings and Apocalyptic Stanley E. Porter, Andrew K. Gabriel, 2013-09-15 *Johannine Writings and Apocalyptic* provides a wide ranging and thorough annotated bibliography for John's Gospel, the Johannine letters, Revelation, and apocalyptic writings pertinent to these books. More inclusive than many other bibliographies, this volume provides reference to over 1300 individual entries, often including references to multiple works with a given description. Annotations are designed to provide guidance to a wide range of readers, from students wishing to gain entry to the subject to graduate students engaging in research to professors needing ready access to useful materials. The volume is topically organized and indexed for easy access.

Fortress Introduction to the Gospels, Second Edition Mark Allan Powell, 2019-10-01 With clarity and verve, Mark Allen Powell introduces the beginning student to the contents and structure of the Gospels, their distinctive characteristics, and their major themes. An introductory chapter surveys the political, religious, and social world of the Gospels, methods of approaching early Christian texts, the genre of the Gospels, and the religious character of these writings. This second edition has been updated to take fuller account of different theories regarding the Gospels, with new chapters on the historical Jesus and on gospel literature not included in our New Testament, and with a pleasing new format. Special features include illustrations and more than two dozen special topics.

John, Volume 36 George R. Beasley-Murray, 2018-04-24 *The Word Biblical Commentary* delivers the best in biblical scholarship from the leading scholars of our day, who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Did Jesus Teach Salvation by Works? Alan P. Stanley, 2006-09-20 Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life

Images of Salvation in the New Testament Brenda B. Colijn, 2010-10-05 The New Testament does not develop a systematic doctrine of salvation writes Brenda Colijn

J. Kanagaraj, 2013-01-14 In this commentary Kanagaraj examines how John projects the church as God's new covenant community which is characterized by two virtues love and obedience Impossible to exhibit under the old covenant based on Moses Law these qualities became possible by the initiative grace and faithfulness of God revealed in Jesus and demonstrated by the power of the Spirit God's new community is an inclusive and progressive community because its witness to Jesus in a world that hates and persecutes it has the power to bring in all people so that they may become one flock under one shepherd Kanagaraj argues that the idea of founding and nurturing a new community was in God's heart even before the time of creation and not just at the time of incarnation

Signs in the Wilderness Daniel H. Fletcher, 2014-09-22 Signs in the Wilderness portrays Nicodemus as a traveler on a faith journey through the wilderness who is tested by Jesus's signs Signs test Nicodemus's faith in the same way they tested that of the wilderness generations of ancient Israel in the book of Numbers The first generation saw the miraculous signs of God yet refused to believe and so forfeited its right to enter the promised land The second generation in contrast saw the signs believed and boldly entered the promised land So it was in John's Gospel as well in which many people see Jesus miraculous signs but refuse to believe thus forfeiting eternal life Others believe and inherit eternal life Nicodemus is a test case in that his own wilderness experience is one of divine testing in the face of Jesus signs Will he have a heart of flesh believe and enter eternal life or a hard heart of stone refuse to believe and die in the wilderness Similarly Jesus signs test the readers of John's gospel resulting in either belief or unbelief
