## **Heaven And Hell And Its Wonders Drawn From Things Heard Seen:**

Divine Love and Wisdom Emanuel Swedenborg, 2003 While many of Emanuel Swedenborgs writings rely heavily on the Bible Divine Love and Wisdom appeals directly to human experience It describes a loving God who is equally present with all people on earth regardless of race or religion and explores the underlying unity of all living things

**The Puritan Literary Tradition** Johanna Harris, Alison Searle, 2025-05-19 What is meant by the Puritan literary tradition and when did the idea of Puritan literature as distinct from Puritan beliefs and practices come into being The answer is not straightforward This volume addresses these questions by bringing together new research on a wide range of established and emerging literary subjects that help to articulate the Puritan literary tradition including political polemic and the performing arts conversion and New World narratives individual and corporate life writings histories of exile and womens history book history and the translation and circulation of Puritan literature abroad Puritan epistolary networks discourses of Puritan friendship the historiography of Puritanism defined through editing and publishing doctrinal controversy and the history of emotions This essay collection proposes that a Puritan literary tradition existed that was distinct from broader conceptions of early modern English and Protestant traditions and offers a nuanced account of the distinct and variegated contribution that Puritanism has made to the construction of literature as a concept in English It ranges from the late sixteenth through to the nineteenth century and spans British European and American Puritan cultures It offers new analyses of well known Puritan writers such as Anne Bradstreet John Bunyan Richard Baxter and John Milton as well as less familiar figures such as Mary Rowlandson and Joseph Hussey and writers less often associated with Puritanism such as Andrew Marvell and Aphra Behn

**The Demons of William James** Tadd Ruetenik, 2018-07-04 This book is a psychological exploration of unusual minds a religious exploration of demonological myth and a philosophical exploration of the reaches of pragmatism It uses topics such as hypnotism mediumship and mass possession to argue for a comprehensive understanding of the demonic that acknowledges not only the creativity which it encourages but also the danger it can bring Professor Ruetenik uses James religious pragmatism to evaluate the relevance of psychical research and to explain common beliefs regarding demons spirits and other controlling personalities The conclusion of this interdisciplinary research is as alarming as it is fascinating When exploring the demons of William James we discover that ordinary personality cannot be clearly separated from what we consider the demonic

**Divine Providence** Emanuel Swedenborg, 2003 In Divine Providence Swedish scientist turned seer Emanuel Swedenborg undertakes the difficult task of bridging his transcendent vision of a perfectly loving God with the sometimes unloving world where we all live

Tracing the Jerusalem Code Ragnhild Johnsrud Zorgati, Anna Bohlin, 2021-05-10 With the aim to write the history of Christianity in Scandinavia with Jerusalem as a lens this book investigates the image or rather the imagination of Jerusalem in the religious political and artistic cultures of Scandinavia through most of the second millennium Volume 3 analyses the impact of Jerusalem on Scandinavian Christianity from the

**William Rimmer** Dorinda Evans,2022-12-05 William Rimmer 1816 1879 is arguably the first modernist American sculptor although his inventive originality has not been fully acknowledged Rimmer cultivated an art of ideas and personal expression whilst supporting himself as a physician and later as a teacher of art anatomy at the Cooper Union School of Design for Women in New York Unlike his contemporaries he advocated the creation of sculpture drawn entirely from the artist's imagination as opposed to antique archetypes or live models In this way he sought to reframe excellence in American art as something that must be found within rather than derived from Europe In this new monograph the meaning of Rimmer's works is for the first time considered from a combination of perspectives such as close visual analysis including X ray and infrared historical documentation and social context These are enriched with discussion of the artist's own bipolar disorder deeply held spiritualism and views on gender equality considering women just as talented as men he used naked male models in all female classes long before his contemporaries and produced an allegorical sculpture of fighting lions that criticized the tyranny of men over women This book will be of great interest to academics students art museums collectors dealers art historians and members of the public with an affinity for Rimmer's work It will also appeal to those with a broader interest in American culture *Selected Works of Miguel de Unamuno, Volume 4* Miguel de Unamuno,2021-03-09 The acknowledged masterpiece of Unamuno expresses the anguish of modern man as he is caught up in the struggle between the dictates of reason and the demands of his own heart **Popular Educator** ,1893 *Heavens Below* W.H.G. Armytage,2013-10-15 First published in 2006 This book tells a number of plain tales of those who tried to save the English behind their collective backs under the term of Utopian Experiments in England between 1560 and 1960 It looks at the influences of the church to community experiments and groups the ideas of Robert Owen William Allen George Mudie Abraham Combe and more

**Invisible Worlds** Kurt Leland,2013-11-05 To investigate the unexplained laws of Nature and the powers latent in humanity is one object of the Theosophical Society Annie Besant 1847 1933 outspoken feminist political activist and early president of the TS thought that psychic and spiritual development should be available to everyone not just a chosen few In her many books and articles providing guidelines her goal was not to help students develop supernormal powers but to help them increase consciousness in order to receive instruction from the ascended Masters Besant believed this work had positively changed her life and wanted others to enjoy the same benefit Although penned a century ago Besant's wisdom on the subject is still germane Her prose is clear and inspiring and Kurt Leland's introduction and notes are well informed He helpfully divides Besant's writings into four parts Occultism Light and Dark Higher Life Training the Investigation of Different Worlds and the Science of the Superphysical **The New-church Magazine** ,1873 **The New-Church**
