is also an awesome mysterious being who should engender our silent even dumbstruck reverence for His holiness His otherness Until we are undone by the knowledge of who God is in all His glory we will only touch the edges of true worship Matt Redman says When we face up to the glory of God we find ourselves face down in worship This book shows the biblical record of those who found themselves prostrate before God *Being Church in a Liminal Time* Jeffrey D. Jones, David Fredrickson, 2023-07-10 Congregations today exist in an in between or liminal time The customary answers about what it means to be and do church and strategies for renewal based on those answers no longer work But there is no certainty about the new answers It is a time of searching of letting go of the old and experimenting with the new This means facing the reality of death which may come as institutions die or as established ways are abandoned This book addresses this reality while maintaining a constant focus on the Christian promise of resurrection It offers three images that recognize the differing contexts of congregations and help them shape their future as they seek to discern God's work in their midst Congregations shaped by each of the three images remembering letting go and resurrecting have the potential to faithfully engage in God's work in their setting For each of the three there are suggestions for helping a congregation move toward an even more faithful expression of the image The book includes Bible studies and other resources that congregations will find helpful in this process Some congregations may continue in traditional ways while others seek a new way of being church But all can join in God's work in their time and place with a new and deeper understanding of the ministry that is theirs This book helps them do that Because a different kind of leadership is needed the book offers an approach to leadership that is grounded in a spiritual process of inward reflection and outward involvement **Reading the Christian Spiritual Classics** Jamin Goggin, Kyle C.
