Heaven Scent:

Heaven's Scent David Woodman, 2008-08-05 Heaven's Scent is an adventure in romantic and poetic imagery filled with deep spirituality. Entering this world of love and romance melts into the folds of a realm reaching into the fabric of our soul. Travel together with two lovers looking for the intimacy born of desire. To love and to be loved. Sometimes this journey takes years for the searching soul to find. Ultimately it might be right at the heart's door crying for a reply. Come away with me my beloved and enter into the delicacies of my rich and aromatic embrace. *Heaven Scent* Virginia Alison, 2013-10-28 Blown in on the breeze from the woman who haunts his dreams the scent of Jasmine drives the cowboy to the brink of insanity in this compelling trilogy set in modern day Texas. When the lovers manage to be in the same place at the same time their lives are overshadowed by the entrepreneur Jethro Riles who has his sights set on buying Creek Ranch along with the entire town for his own gain no matter what the cost. Encompassing strong family bonds within a powerful yet light hearted romantic saga from the first lost note and missed telephone call Evan and Ginny fight against the odds to find their own little piece of heaven. However fate conspires against them as they rush headlong towards their destiny which waits just around the corner over the hill. Heaven Scent Labeena Ishaque, 1998 *Scented Heaven* Virginia Alison, 2015-09-21 Eleven years had passed and the sleeper remained out of reach however eyelids fluttered as the new occupants stepping beneath the withered vine set the wheels of destiny in motion. This was his twenty first year and apart from disturbing dreams of late which he put down to too much work drink and too many women life was good. Simple pleasures were all he required and certain that he had a few more years of fun left before he met the perfect girl marry settle down and have a gaggle of rug rats Josh breezed through life without a care in the world. Fate though had other plans as the tendrils of change curled beneath the door of the old cupboard. Housing memories of past generations it unsettled the dust and disturbed the cobwebs which mostly remained untouched by human hand. Few ventured into the dark hole in the center of the ranch where the red box now a mere memory silently waited for his coming of age. Serendipity called as the arrowhead awakened a new love which waited just around the corner over the hill. *Heaven Scent* Sasha Wagstaff, 2011 A warm witty and wildly romantic read set in the sizzling south of France. When Cat Hayes impulsively marries a handsome penniless French waiter in St Tropez she didn't realise she'd be widowed in just a few weeks. Neither did she know that her late husband was actually Oliver Ducasse heir to the Ducasse perfume empire. Invited by the Ducasse family to their glamorous French mansion Cat finds a family in chaos. What's more she's regarded her with suspicion and hostility especially by Olivier's playboy cousin Xavier. Will she run for the hills as fast as her high heels can carry her. Or will she realise that she is exactly what this mixed up family truly needs. **Heaven** Michael Joseph Scanlon, 2011-03 Heaven A Gift Unfailing starts by stirring the imagination of readers and getting them to think upwards about the existence of Heaven.
