I Don't Think So!** William R. Parlier, Are you confident you are going to heaven when you die But can your confidence endure the testing of this book Test yourselves to see if you are in the faith examine yourselves 2 Corinthians 13 5 Come now and let us reason together says the Lord Isaiah 1 18 Is what our religious culture telling us we must do to go to heaven consistent with the Bible This book provides a concise study of what the Bible says about salvation and the Gospel of Jesus Christ An analysis is then provided of what our religious culture is telling us Let s look at God s scriptures together You will be challenged with questions Why are you a Christian Why today should you be concerned about heaven What is the difference between conviction commitment and conversion The book concludes with three tests from the Bible to validate your destiny to heaven As you approach the end of the book will you conclude you passed the test or will you say I Don t Think so An incisive and timely corrective to the soteriology of today s Christian faith that is awash in easy believism and cheap grace Dr Mark Ford Pastor Does the Spirit Himself testify with your spirit that you are a child of God Order Now Great gift idea too Heaven Bound William August Lauterbach,1975 39 meditations on the heavenly home and the Christian s journey to that home *Heaven Bound... and do spend endless hours ignoring debating or just flat out rejecting His wisdom and counsel The manner of hearing His voice for me is much like a thought exchange As I meditate or ponder and inquire of my Lord things that are on my mind He will provide interesting new or different thoughts as another person might when engaging in conversation Heaven Bound is a thirty one day collection of my early morning conferences with the Holy Spirit Rather than a how to formula for making a connection this book reflects what I experienced once the connection was made At the end of each chapter are points to ponder for deeper reflection as a personal devotional or for use as in a group study In this chaotic world that sometimes seems to be spiraling out of control God is reaching out to His creation and longs for His creation to respond My prayer for each reader is that through sharing what the Holy Spirit speaks to my heart you will hear Him speaking to yours The Spirit is calling Can you hear Him For more information please visit the companion websites click here [http www thespiritiscalling com](http://www.thespiritiscalling.com) click here [http www thespiritiscalling org](http://www.thespiritiscalling.org) **Let Me Help You** Eric Zack,2024-12-17 Welcome to this private collection of Christian poetry spanning five total volumes and 173 original unique poems that the poet has written over the past thirty years of his life Each volume deals with key aspects of Christianity and Holy Bible truths that have been revealed to him during his personal struggles He has organized each one of these into an easy to read and follow format Certain lines and stanzas in each of these poems will also have specific Bible verses referenced in order to investigate further meditate or dive deeper into the word The poet s typical poetry style is to tell an impactful story with powerful emotional details that describe a specific defined topic and most of them possess some rhythm and rhyming pattern based on the melodies of contemporary music The poet s hope and prayers are that his poems can help readers in whatever they are facing today whether it be serious or trivial permanent or temporary spiritual psychosocial and or physical Sharing these Christian poems has become his priority given today s troubling times with so many broken hurt and lost people *The Oneness of the Eastern Heart and the Western Mind* Sri Chinmoy,2014-03-22 This historic collection of all of Sri Chinmoy s university lectures in eBook form has been released to commemorate the 50th anniversary of Sri Chinmoy s arrival in the West on 13 April 1964 Sri Chinmoy s very first university lecture was given at the University of the West Indies in Kingston Jamaica on 10 January 1968 It was entitled Spirituality What It Is and What It Is Not This inaugurated a whole era of talks which saw Sri Chinmoy travelling ceaselessly across the length and breadth of America and around the world to address the youth of each country He would spend countless hours travelling by car or train to reach far flung universities sometimes visiting two or even three in the course of a single day After many of these sublimely inspiring discourses he would answer questions from the audience or spend time instructing sincere seekers in the age old practices of concentration meditation and contemplation By the mid seventies Sri Chinmoy had spoken volumes and he began to include longer and longer periods of silent meditation in his lectures Then in 1984 in a significant departure from the spoken word he introduced the theme of Peace Concerts At these concerts Sri Chinmoy would play his own soulful and devotional compositions on a variety of

instruments of both Eastern and Western origin meditating between each instrument and sometimes giving aphorisms on peace and related themes In 2003 yet another form of Sri Chinmoy s self offering unfolded when he travelled to a number of universities to honour distinguished professors for their significant contributions to the betterment of humanity by physically lifting them overhead This remarkable endeavour was part of his Lifting Up the World With a Oneness Heart award programme Thus through words silence music and a combination of physical and spiritual upliftment Sri Chinmoy has shared his profound spiritual message with the aspiring Truth seekers and God lovers of the university world for four decades Sri Chinmoy s words are mantras for the modern age reverberating in our hearts with their timeless and truly life transforming wisdom In his exquisite prose which is suffused with the very breath and cadence of poetry Sri Chinmoy has revealed all the many stages of the seeker s journey towards the Golden Shores of the ever transcending Beyond For generations to come these three volumes will awaken the inner mounting cry of seekers everywhere to achieve the highest Goal of Yoga union with God in this life **Pour Me out a Blessing Ministries** Deborah Wofford,2010-10-13 There is no available information at this time **LIFE** ,1943-05-17 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use

Farnsworth was born to a humble down to earth all American family in a small town in southern Utah From a very young age Betty was fascinated with history particularly family history When she was just a teenager she gifted a journal to her grandmother She wanted to know her story Grandma Lilly's life truly mattered to Betty Jean As a result of this selfless gift her grandmother continued to write in many journals almost daily until the day she died Betty's seemingly small gift turned into a legacy and a treasure for generations to enjoy Family history turned into a lifelong passion Through the years Betty has researched relentlessly to trace her family roots back through the centuries On this search she has gotten to know not just the name birth and death dates but has really gotten to know who these people were Their joy their heartbreak and their stories she has laughed and cried with them Through this role she has essentially kept them alive with their life's stories in our lives and hearts Betty Jean's passion for those who had already passed became more of a knowing when she herself actually died while giving birth to her second son Thankfully doctors were able to revive her Upon waking Betty Jean knew life would never be the same because she truly knew that her life didn't end even when she was no longer here Through this amazing journey Betty has literally become an ambassador between those living and those who have passed She has now stepped into the realm of sharing her gift of writing and her gift of spirit through her writing This book is a collection of experiences from the most tender place in her heart Heaven Now we can all experience a little bit of Heaven on Earth through this Earth angel's eyes
