neoconservative movement under the tutelage of his boss Fred Rollins a born again evangelical Christian and archconservative realizes that this is not the destiny he wanted for himself As an assistant district attorney he comes face to face with the unholy trinity of the Patriot Act the Military Commissions Act of 2006 and the Violent Radicalization and Homegrown Terrorism Act of 2007 To make matters worse he is proselytized to become a member of the Christian Zionist movement which he eventually finds to be hypocritical He and his comrade in arms Carol Langley do battle against these forces but they realize that they are outmatched Seeking a new direction Ira and Carol get hired by Roberto Sanchez a lawyer for the American Civil Liberties Union ACLU and they blossom as civil rights lawyers Ira now fights against everything that Fred Rollins stands for and he starts to bring justice back from near annihilation The national intelligence agencies and their ever expanding surveillance powers receive their first reality check compliments of the ACLU and Ira becomes an unlikely hero He then undergoes a spiritual transformation as he breaks free from the power obsessed neoconservative world and sees that the country is finally moving in a new direction National Glass Budget ,1916
