 He hung there my brothers and sisters for you and Me **Buried Treasure: Unearth Your Golden Soul** Amakiasu
 Turpin-Howze,2022-09-07 She sought only to rescue herself but the universe had a different plan others could be saved too
 In Buried Treasure Unearth Your Golden Soul Amakiasu Turpin Howze shares universal laws and principles which
 transformed her personal trauma into life giving waters Her emotional distress drove her to take notes because as she says I
 needed to hold on firmly to the wisdom of the ages I needed something to soften the blow Fast forward several months to her
 little notebook now chock full of inspirational messages that carried Amakiasu through one of the most difficult periods of her
 life With her grief easing she thought Surely I m not alone Personal trauma is part of the human journey Some barely survive
 while others are scarred for the duration If these principles saved my life maybe they can help someone else too Those notes
 turned book brim here with universal laws and principles that if consciously applied can catalyze the power within to elevate
 and enlighten us They come from thought leaders such as Wayne Dyer Eckhart Tolle Neville Goddard and Deepak Chopra
 Their message is here for the taking Amakiasu demonstrates and interprets many of these with stories and reflections from
 her life Buried Treasure Unearth Your Golden Soul is a veritable treasure trove for anyone seeking a deeper understanding of
 what it means to be spiritual beings on this Earth plane If it doesn t inspire you it will at minimum give you much food for
 thought and tools for better living Immortal Memories John Cairney,2014-01-25 The Immortal Memory remains the
 centrepiece of the traditional Burns Supper and although that rite might be seen by some to have had its day the Immortal
 Memory itself still retains its importance and prestige to Burns lovers all over the world It is an honour to be invited to
 present this toast and it is to honour this status and to further respect its subject that Dr Cairney s third book on Burns is
 devoted to his Immortal Memory The extraordinary thing is that the contributors while dealing with the same man all appear
 to see him so differently but what they all still have in common is a love and admiration for the man and his work This is the
 factor that makes Burns unique that he has the same appeal for so many different kinds of people *po hu t'ung* Gu
