## Heaven Treasures Of Our Everlasting Rest:

**HEAVEN** Michael G. Maness, 2004-12-01 In heaven we shall know everlasting rest and the full measure of our inheritance Though no eye has seen what God has prepared for us from Revelation 21-22 we can understand a little of what heaven will feel like We shall know a new freedom economy purity peace and so much more Those will be the simple experiences The greater experiences will be in everlasting love most especially in an everlasting marriage and an enduring intimate community Likewise we shall know a growing and everlasting security within our grand heritage within God's promises and in the work of Christ Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience The greatest experience of all will be that for the rest of our everlasting loving lives we will share in the very life and glory of our dynamic and loving God our loving Father and Abba The greatest experience in heaven will be the very life and light that we share with God Himself so very personal and loving to the uttermost

*Heart of the Living God* Michael G. Maness, 2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is God's gift to us in our Imago Dei the image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I don't think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Maness brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theism's avoidance of Love And he exposes some foul play in the process That's the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at [www.PreciousHeart.net](http://www.PreciousHeart.net)
