exuberant life that seemed to embrace the entire nation and its times Wood remembered seeing Abraham Lincoln he knew Chief Joseph Clarence Darrow and Lincoln Steffens and he survived to the dawn of the atomic era Among his acquaintances he counted Mark Twain Emma Goldman Margaret Sanger Woodrow Wilson Langston Hughes Ezra Pound and Ansel Adams He fought in the Indian campaigns of the post Civil War era he represented wealthy businessmen as an attorney in Portland Oregon during the Gilded Age he befriended the political and cultural radicals of New York in the early twentieth century and he became a central figure among the West Coast artists of the 1930s He was in short a man of extraordinarily wide and often conflicting impulses and talents In this captivating highly readable biography of Wood Robert Hamburger presents both the life and the times Wood s work and the intellectual political and cultural crosscurrents of his era Hamburger ably captures Wood s many contradictions yet unearths the enduring essence of the man his rebelliousness his hatred of social and economic inequalities his unbounded appetite for life beauty and pleasure [Return of the Believer](#) Terry L.

Burden,2023-06-05 [Return of the Believer](#) Studies in the Prayer of Jesus from the Gospel of John is a theological study of the Prayer of Jesus specifically the Gospel of John in general and relevant topics in the Synoptic Gospel The Prayer of Jesus contains twenty six verses with each verse prompting broader applications for the Christian faith The main title Return of the Believer implies an original express of faith in Jesus Christ by John the writer of the Gospel The study accepts an apologetic value to the Gospel of John as it argues the importance of true faith through the acceptance of John s interpretation of Jesus Christ The Prayer of Jesus is a summary of John s views of Jesus The return of the believer is a call for a renewal of faith in the New Testament especially the Gospel of John This study reveals the Apostle John as the true believer and model for the Christian faith and the Prayer of Jesus provides a summary of John s teachings and the expressed will of God for the Church Each verse is explained in the context of its surrounding verses and important topics are addressed The special feature of the Prayer is its prompting of related issues that appear elsewhere in the New Testament and the teachings of the Church For example the Prayer and the Gospel itself does not mention the birth of Jesus but instead focuses on the pre existence of the Son as the eternal Logos or God This study requires an explanation of the difference Discussions of each verse invite the reader to engage in contemporary related issues *The Cambridge Companion to English Renaissance Tragedy* Emma Smith,Garrett A. Sullivan, Jr,2010-08-12 Featuring essays by major international scholars this Companion combines analysis of themes crucial to Renaissance tragedy with the interpretation of canonical and frequently taught texts Part I introduces key topics such as religion revenge and the family and discusses modern performance traditions on stage and screen Bridging this section with Part II is a chapter which engages with Shakespeare It tackles Shakespeare s generic

distinctiveness and how our familiarity with Shakespearean tragedy affects our appreciation of the tragedies of his contemporaries Individual essays in Part II introduce and contribute to important critical conversations about specific tragedies Topics include The Revenger's Tragedy and the theatrics of original sin Arden of Faversham and the preternatural and The Duchess of Malfi and the erotics of literary form Providing fresh readings of key texts the Companion is an essential guide for all students of Renaissance tragedy
